FOR POST-SEASON MEET

EASTERN ORATORS inter Bowdoin and Bosto University—Argue Cross Monday

Orations by Wednesday

Fifteen Lion batsmen will leave State College Sunday morning bound for Charlottesville, Virginia, where they will encounter the university of that state, Monday afternoon, in the initial game of the season. The context will be the first of six matches scheduled with southern colleges on the annual spring truming tour. Conch Bezdek has received a communication from the Virgin a authorities to the effect that the southernors are prepared for the coming tustic, thus dapielling, previous rumors that the Virginians cancelled the game. The second titl of the season will be on Tuesday with Duke university, Raleigh, Nosth Carolina.

Coach Chooses Team

The Nittany mentor has decided upon eleven regulars for the tip. Captain Harrington and Lesko will divide the catching burden white Van Atta, Haines and Roople will perform the pitching duties. Lungren will cavort around first base and Boblear will guard the keystone sack. Kent and Wolff will provide the defense for the left side of the infield, the former playing short-top and Allie protecting the hot corner. Delp in left field and Singley in center complete the list of regulars. The remaining four members of the squad will be selected from Jacobeon, Buchanan, Lenker, Campbell, Frey and Cornell.

ornell.

Play Wake Forrest Wednesday Wake Ferrest college will provide in the opposition for the Blue and hate agreement of the Blue and hate agreement on the opposition for the Blue and hate agreement on the opposition of the Blue and hate agreement on the opposition of the Blue and hate agreement on the opposition of the Blue and hate agreement on the opposition of the Blue and the State and the opposition of the Blue and Wallace R Brewster '29, Penn State's debating representatives left for Brunswick, Mane, Tuesday and Wallace's debating representatives left for Brunswick, Mane, Tuesday and Wallace's debating representatives left for Brunswick, Mane, Tuesday and Wallace's debating representatives left for Brunswick, Mane, Tuesday and Wallace's debating representatives left for Brunswick, Mane, Tuesday and Wallace's debating representatives left for Brunswick, Mane, Tuesday and Wallace's debating representatives left for Brunswick, Mane, Tuesday with a debate against Holy Cross college.

The Nittany team will meet Juniata college in a post-season debate, April twentieth. The debate will be held after the closing of the regular season because of the postponement of a meeting of the forense teams of this colleges earlier in the semester. The question which will be discussed is "Resolved, that the United States should cease to protect, by force of arms, American in essential in foreign countries". This question has been used by Penn State orators in all their debates this year

COLLEGES CREATE FUND FOR MILLING STUDENTS

Ohio Producer Originates Trus With Donation of Three Thousand Dollars

Dean Ralph L. Sackett, of the School of Engineering, announces the establishment of a trust fund to aid flour milling students of Penn State and the Kansas Agriculural and Mechanical Arts College.

The fund originated with a donation of three thousand dollars by Eugene Kane, head miller of the National Milling cempany of Toledo, Ohio Its interest is to be made available to deserving students in the milling courses of both colleges, no interest being charged to the borrowers.

Prof. Allen Receives Motion Picture Film

Prof Charles L. Allen of the mearrol Chailes L. Allen of the mechanical engineering department announced recently that he has secured a valuable motion picture from the A. S. M. E. which will be shown to those interested on April twentieth. The film depicts the passage of a builtet through an incandescent lampulib Pictures were taken at the rate of twenty thousand per second but in the screening of the bullet's flight this rate will be included to sixteen thousand thereby enabling objectives to which the passage of the projectile

Penn State Club, Town Girls Hold "Leap Year Social" Tuesday Night

"I am convinced that when funds became scare at From State during its early period of development, the administration was right in deciding to maintain always an able faculty at the expense of buildings and equipment," said Dean Gerald L Wendt on his return Friday, from a lecture tour of western colleges.

The head of the School of Chemistry and Physics declared that nearly all of the colleges he visited possessed far better buildings an facilities than those of Penn State These advantages, however, have been obtained at the expense of a strong faculty Dean Wendt delivered lectures attace colleges and universities in North Dahota, Montana, Idaho, Oregon, Kansas, Nebraska, Iowa and New Mexico. He spoke at convocations of the entire student body of these institutions and also grave special lecures to graduate and research students Following the custom of previous years, the Penn State Club and the Fown Girls will combine for a so-sal gathering Tuesday night, epi-lifteen o'clock at the Alpha Zeta
