BANKERS WILL AID COLLEGE STUDENTS WITH LOAN FUNDS

cational Foundation Pla To Assist Pursuants of Business Courses

LIST PENN STATE AMONG
SELECTED INSTITUTIONS

Candidates Must Have Junior enior Standing in Econom Corriculum To Qualify

One hundred sixty-seven loan scho at ships will be provided by the American Bunkers Association Education Foundation, according to an announce ment by John H. Puchicher, chairma of the foundation's board of trustee Ninety-eight of these are now ben effered to students at eventy-one co-leges and universities throughout the

offered to students at seventy-one coces and universities throughout the
country.

This foundation was started in 1925 is
y the banker's association for the
purpose of stimulating and anding
students to pursue courses in banking
and economics in collegiate institutions throughout the country. These
additional awards will be available
for the scholastic year beginning next
fall and will provide recipients with
loans of two hunded fifty dollars,
which will be repaid on easy terms
when the student receiving the loan
has entered into carming business life.
This scholarship plan is different
from almost any others that have yet
heen formulated in that when the
scholars who are recipients of these
loans have discharged all financial
obligations with the American Bankces' Association they will be given
ceitificates of homolary membership
in the foundation signed by the members of the board of trustees, which
and be used as evidence of financial
reliability when starting their business

Among the seventy-one colleges and

stitudents at Penn State will be in agignitural economics
The aim of this plan is to develop
leaders in business life and hence piccludes awards to mediocre or inferior
stitudents. All scholarship applications
will be made formally through a committee selected by the association from
the college, and not direct to the foundigition. These home-town references
are required of each applicant, at least
one of whom must be a banker. Onlystudents of junior or higher grade
in banking and economic courses are
cligible and those who have also attended American Institute of Banking courses will be given preference.
Scholarship payments will be given
only to those whose means of education are dependent in whole or part
upon their own efforts and will continue only during satisfactory scholastic standing or conduct.

Kiski Prep Wins State Track and Field Title

century dash, while in the quarter mile run Abbott, the Saltsburg sprin er, broke the tape in 55 2-5 second to add five more units to his team

Kiskı Wıns Shot

McMurdo, of Kiski, tossed the 12nound shot 48 feet, 4½ inches to gain
inst place, with Pineura and Brown
asking third and fourth for the preptanking third and third scoring
positions for Kiskiminetias in the poletault competition while McMurdo
iropped into second place in the disture of the properties of the poletanking contest. Second and third
porths in both the high and broadpump events increased the Saltsburgian tally eight points.

In the hammer throw Pineura and
McMurdo gamered second and third
positions while McCurdy bowed to Potomac State in the javelin event. Although Kiski finished second and
fourth in the one-mile relay race these
points were not counted in the final

suits my taste like nobody's business

I KNOW what I like in a pipe, and what I like is good old Prince Albert. Fragrant as can Be. Cool and mild and long-burning, right to the bottom of the bowl. Welcome as the week-end reprieve. Welcome . . . and satisfying!

No matter how often I load up and light up, I never tire of good old P.A. Always friendly. Always companionable. P.A. suits my taste. I'll say it does. Take my tip, Fellows, and load up from a tidy red tin.
