morpose the ends, Rieker and Shawley ne tackles, while Panaceon and Main, letteinmen last year, are posted the guard positions. Herb Eschach, husky jumor, takes Rog Manoney's place as center. Joe Millert quarten, Steve Hamas at fullback required to the guard positions at fullback new Holling and Diedrich as halfs consiste the backfield.

The second combination has McAnrewat center with Zorella and Duall supporting him as guards. Rosnifeld and Zosing are showing fine felensive work as tackles while Kapan and Edwards, former freshman unmarries, occupy the terminal posts breach, Hensle, McCracken and Evansomprose the second-string backfield. A shoulder injury to Ed Collins, all back and captain of last year's labe team, has caused a good deal of rock to the Lion coaches. Although till mable to take part in serimmage, lollins drills with the squad taking is turn at punting and running Theorem of the state of the state of the course of the squad taking is turn at punting and running Theorem of the with the squad taking is turn at punting and running Theorem of the with the squad taking is turn at punting and running Theorem of the with the squad taking is turn at punting and running Theorem of the with the squad taking is turn at punting and running Theorem of the with the squad taking is turn at punting and running Theorem of the with the squad taking is turn at punting and running Theorem of the with the squad taking is turn at punting and running the come of the with the very cars. In 1912 he joined the with the specific treatment of the world. On his televine within the next week.

Wolff, Miller Show Form

Wolff, Miller Show Form
Regular scrimmages during the past few days produced some fine open field running by Allie Wolff and Joe Miller. The boxing captain, a potent threat in last year's offense and second only to Roopke, contributed several long runs through the second team's defense and added the other backs considerably with fine interference
Miller, stationed at quartebach, has been showing much improvement in running the team and at the same time has carried the ball for long sprints against the B eleven. Long conches expect much from the formed Wilkinsburg speedboy and hope to develop him into a sparking triple threat man.

Although only a substitute on last year's plebe team, Red Evans, langurg fullback candidate, surprised Coach Ecale when the surprised coach in molders of public opinion. In 1925 he was a delegate to the First translation of the past of the past of the past few was put in charge of all the 'y' work in the forward aleas of the British armies in France and Flanders. Bez Puts Faith in Lion Grid Products

Lion Grid Products
Once a Lion, always a Lion.
While the above may not be accurate as the slogan for the Lions' service club, Hugo Bezdek, Nittany football mentor, puts great faith in the battle cry when selecting his gridron assistants.
No less than three grid stalwarts from last year's eleven were added to the Lion conclude staff this fall. The student assistants are Cy Lungien, brilliant field general last fall. Red Darragh, tackle on the same outfit, and Dinger Danger-field, understudy for Lungien in the quarter back, past
To complete the All-Lion coaching array, three 'ammintes of the championship 1914 agging cation are on the Board of 'ard Strategy this fall Bob Higgin', all-American end and eaptain Larry Conover, center, and Red Glifiths, guard, are Beydek's vetc. an aides.

BUILDING PROGRAM PROGRESSES WITH **NEW STRUCTURES**

tral Sections of Recreatio Center, College Hospital Near Completion

NGINEERING UNIT RISES AS PROJECTS ADVANCE

Officials Plan Construction Men's Dormitory East Of Watts Hall

Near completion of the Recreation Center and the College Hospital, 149-3d rising of the new Engineering Building, and prospects that contracts will be awarded this fall for the early construction of four additioned to uctures, raises the hope that Penn State will rank some day with other institutions as to educational facili-ties offered to the youth of Pennsyl-vania

Funds for electing the greater part of the piesent building projects are being provided from the emergency building fund, which was raised by a State-wide canvass in 1920. The cest of the Engineering Building, however, is being defrayed from a State appropriation

eve., is being defrayed from a State appropriation

Complete Hospital

The College Hospital and Infirmat v located on the East campus, is practically completed and will offer student health service within a few weeks. The health department will be centred entirely-in this building until the remodeling of Old Main, after which an office will be established in the latter building for the canof minor allments.

The rose-brick building which now stands nearly complete is only the central unt of a structure which will cant of minor allments.

The tose-brick building which now stands nearly complete is only the central unt of a structure which will cant of the health of future Penn State stadents Two wings will be added at a later date. When finished the building will be one hundred and (Continued on fourth page)
