Keeping fit

ABOVE all others the college man knows the importance of keeping fit. Classes, sports, campus activities all demand it.

Your strength and energy, your health itself, have no greater enemy than constipation. Its poisons, seeping through the system, sap vitality and often cause serious illness.

Kellogg's ALL-BRAN can protect you from this threat. This delightful cereal is guaranteed to bring prompt and permanent relief from constipation even in chronic cases. Eat two tablespoonfuls every day. It is delicious with fruit. Ask for it at your campus restaurant or have it served at your fraternity house.

The most popular cereals served in the dining-rooms of American colleges, eating clubs and fraternities are made by Kellogg in Battle Creek. They include Corn Flakes, Pep Bran Flakes, Rice Krispies, Krumbles, and Kellogg's Shredded Whole Wheat Biscuits. Also Kaffee Hag Coffee—the coffee that lets you sleep.
