Orange Eleven Checks Rejuvenated Lions

(Continued from first page) before he was downed. Diederich made a pass at right tackle and Wolf passed to Miller for an 18-yard gain on the next play. This placed the ball on Syracuse's own 37-yard stripe. Hannas and Wolff made 5 through center but Penn State was penalized on offense. Miller, Hannas and Miller again made a first down through the Orange line. The same two contributed 3 more yards at center.

Miller passed to Hannas for a five-yard gain and the latter made it a first down on the next play. Steve Wolf through left tackle for 5 yards and Diederich placed the ball on the 6-yard mark with another off-tackle slice. The match was momentarily halted on the next play when Penn State was penalized 15 yards for roughness. Miller passed to Diederich for a 16-yard gain and the Lion hopes for a touchdown loomed brighter. Wolff rumbled through right tackle for a first down but Joe Miller lost 3 yards on an attempted end run. The Syracuse line held and gained possession of the ball on its own 64-yard stripe.

There was no further scoring in the first half although Syracuse threatened with a varied attack. After Penn State had failed to gain following the kick-off, the Orange started another match which was halted only after Shawley and Delp had been inserted into the Nittany line. A pass from Baysinger to Stevens and several line plunges by the latter back placed the ball on Penn State's 17-yard stripe. Here Shawley threw the ball for a 23-yard loss and on the next play Panatier threw Baysinger for a 1-yard loss. Penn State received the ball on downs. The only outstanding play during the rest of the first half was French's thrilling 25-

yard run after receiving one of Baysinger's punts.

With the opening of the second half, the Penn State gridmen opened up with a series of passes that completely bewildered their Orange foe. Edwards ran Jackson's kick back 15 yards to his own 42-yard line. A lead pass from center lost 18 yards for the Lions. Unable to gain at center, French kicked to Stevens who ran the pigskin back 25 yards to Penn State's 48-yard mark. After Syracuse was penalized 15 yards for holding, Baysinger kicked to Coop French who was tackled on his own 10-yard stripe.

French returned the kick to Stevens who was downed by George Delp on the 10-yard line. Syracuse was unable to gain and lost the ball on downs. Wolf passed to Diederich for a gain of five yards. Hannas made a first down through left tackle. French and Steve made 4 yards on line plays and Allie Wolf tore through left tackle for 10 yards. Diederich and Hannas gained 5 yards at center and a pass by Wolf was grounded. Syracuse was penalized 5 yards for offside and Hannas made it a first down with a lunge through left tackle. Diederich made 9 yards on 2 plays through left tackle and Hannas made it a first down. Syracuse held at this point and received the ball on downs.

Baysinger booted to French who was downed on his own 45-yard line as the third quarter ended. French passed to Wolf for a 1-yard gain. Another pass, Wolf to French, placed the ball on Syracuse's 35-yard mark. Diederich and French made 6 yards at left tackle and a pass, Wolf to French, gained 10 yards and a first down. Feus intercepted a pass from Diederich on the Orange 8-yard line. Shawley threw Stevens for a 4-yard loss and Baysinger kicked to French. The little quarterback received the ball in midfield and ran it back 17 yards.

French dodged and squirmed around left end for 20 yards. Hannas made 2 yards at right tackle and on the next play French smashed through center for a touchdown. Delp's kick for the extra point was blocked.

The remainder of the contest found Penn State marching deep into Syracuse territory on several occasions but the Orange line was equal to the task and turned back the Nittany ball-carriers without a further score. One time a match carried the ball to the 33-yard line but the Hillmen held for downs.

JUST RELEASED FROM HOLLYWOOD... The Blindfold Cigarette Test. DIRECTOR Dick Barthelmess * STAR * OLD GOLD THE CAST. First Cigarette X, Second Cigarette OLD GOLD, Third Cigarette Y, Fourth Cigarette Z. "Making a blindfold test is like conducting a movie tryout. But in this competition I found my star 'right off the reel.' I named Old Gold for the lead part the moment I tasted its thrilling flavor and its soothing gentleness to the tongue and throat." Why you can pick them. Three types of leaves grow on the tobacco plant... coarse top-leaves, irritating to the throat... withered ground-leaves, without taste or aroma... and the heart-leaves, rich in cool and fragrant smoking qualities. Only the heart-leaves are used in OLD GOLDS. SMOOTHER AND BETTER—"NOT A COUGH IN A CARLOAD"

RICHARD BARTHELMESS... endeavoring to move across the world over for his superb acting in such first National pictures as "The Patent Leather Kid," "The House of Wax," and "Out of the Ruins."
