IT PAYS TO ADVERTISE

The proceeds of the Cwen dance tonight will help to finance the National Cwen Convention to be held at Penn State next Spring.

The convention will be one of the finest means of advertising the College that the girls will have this year, and it is being anticipated with enthusiasm.

The Student Government, realizing the indirect bearing which the dance will have on the success of the convention, has granted an extra privilege in the form of a free social function for all the girls who attend the dance.

The enthusiastic co-operation of the women students in making the venture a success will be an exploit of real loyalty.

SOPHOMORE AND SENIOR TEAM WIN MATCHES

The Sophomores defeated the Seniors by a 4-0 score in the hockey game

Yearling Gridmen Meet Tartan Cubs Tomorrow

(Continued from first page) gathering up 5 or 10 yards now and then. He will take the right half-back position.

Lasch will assume the duties at fullback. During the last two weeks the bulky back, under the watchful eye of Dutch Heilmann, was drilled thoroughly in line plunging. His improvement was noticeable in Tuesday's scrimmage when he repeatedly worked his way through the second team's forward wall for huge gains. Snyder will replace Lohi at quarter-back at the start of tomorrow's gridiron struggle. Lohi will be used as a substitute half back because of his kicking and passing abilities.

Linemen Injured

Walker and Hibler who received injuries in the Syracuse game will probably be kept on the sidelines. Stenpee will start the fray at left tackle in place of Hamilton while McMillan will occupy the other tackle berth.

on Holmes Field last Friday afternoon. The two-year team began with a bang. Jessie Rosenberry was the first to carry the ball past the Senior defense. Romayne Chapman followed her twice, increasing the score to 3. The playing was better before Margaret McGuffie '32 had called in a half than afterwards. A change in the forward line at the beginning of the second half improved the Senior team but it was still impossible to break the Sophomore defense.

The second Junior-Senior game played on Monday resulted in a Senior victory of 1-0. Playing was better second half, on the whole than it was in the first but no one scored until late in the second half when Helen Gould shot a goal for the Seniors. The Junior defense was weak because of the lack of a right inside. Kathryn Mechener and Josephine Lees executed good diagonal passes for the Juniors. The Seniors showed better team co-operation than in any previous game this year.

McAllister Hall Has Annual Costume Party

The Hallowe'en party, which has come to be an annual affair among the girls, was held in the McAllister Hall during 1000 Wednesday during the dinner hour.

Prizes were awarded for clever decoration of tables and for the arrangement of costumes in keeping with the decorations. Miss Ray, Miss Frank, Mi and Mrs. Hoffman were the judges.

Tomb and Turner will pass off at end with Desjardis and Gillard in the guard berths and Engel at center. The second team which will make the line includes Crust, Lohi, Laatu, and Thomas in the backfield, with Walker, Stops, Yablonski, Hamilton, Stewart, Bauman and Rockwood as linemen.

Tartans Lose First Three Games. The Carnegie Tech freshmen have been defeated three times this season. In their opening encounter they were forced to bow to the superior attack of the Washington and Jefferson plebes by a margin of one touchdown. It was until the waning minutes of the third quarter that the little Presidents were able to account for their six points.

The Plaid yealings suffered their second setback of the season, this time 19 to 9, at the hands of the West Virginia gridmen. A safety and a touchdown scored by Pouncey accounted for the Tartans' end of the score. Last Saturday the Panther cubs administered the third defeat, 12 to 0, after outplaying the Tech team in all departments of the game.

Collegian-a

The Lions are off to Philadelphia again, this time to play Notre Dame.

Seems like they returned from the Quaker City only a few days.

Maybe they should have stayed there—to save time.

But, in that event, they would have missed the Syracuse skirmish.

And that was a good game—just like tomorrow's will be.

The State Collegians and Smith Benders have met twice before. The first time Notre Dame didn't even stop to shake hands. They were too busy.

Scoring 28 points.

The second time, the rivals embraced each other in the center of the field for four quarters.

And nobody got anywhere.

By all laws of average or progression, the Lions should win this time on the field that Penn has temporarily vacated.

The Red and Blue team travels to Chicago.

Armed with bullet-proof shoulder pads and steel-plated head gears!

Captain Seull will carry a gun and quarterback Murphy will sheath a black-jack. The entire line is supplied with brass knuckles.

For emergency.

Yep, the Penn team risks its hide in Chicago.

And the Penn State outfit ventures into the city of Sisterly Sin.

Question: Which is the braver?

Dean of Men Forsees Passage of Bond Issue

(Continued from first page) According to Voskamp the Penn State Women's Club of Philadelphia has been soliciting votes much more diligently than have the men.

All of the campaign workers are renewing their efforts to bring the drive for funds to a successful climax as election day nears. The Public Information office, under the direction of Mr. Don M. Cresswell, is providing the newspapers of the State with stories concerning all phases of the drive need of Penn State for funds to carry on a building program.

The county Bond Issue chairman, a list of whom is printed elsewhere in this issue of the COLLEGIAN, are being provided with special articles to release through the county newspapers.

Don't Experiment with your Appearance

Montgomery & Co. State College, Pa.

All ready for the whistle - or the wind

You know the big thrill just before the whistle blows. Be prepared to enjoy all the big games this year in a smart-looking Alligator. Warm and style for the brisk, windy days, and absolute protection, no matter how hard it rains. Every Alligator is correctly modeled in the most advanced style and all Alligator fabrics are a revelation in softness, light weight and durability. Try one on. Get the feel of it and you'll appreciate the big difference. Alligators are sold only at the best stores and retail from \$7.50 to \$25.00. See the new Alligator Aviation model at \$10.00. The Alligator Company, St. Louis, Mo.

Dr. Fred Lewis Pattee Resigns From Faculty

(Continued from first page)

to spend the sunset and evening of my life with the literary plans I have laid out for accomplishment. Penn State is well founded, I have been most happy here and I believe there is a great future ahead for the institution. But I have reached the age of retirement.

Doctor Pattee was graduated from Dartmouth college in 1888 and three years later received his master's degree from the same institution. In 1915 he received the degree of master of literature from Dartmouth and in 1923 his doctor's degree. Lebanon Valley college also granted him the degree of doctor of literature in 1915.

The Athletic Store On Co-op Corner

COLLEGE life crams every minute with activity. Those whose vitality and strength are being sapped by the poisons of constipation can hardly hope to stand the pace.

You can get prompt and permanent relief from constipation by eating Kellogg's ALL-BRAN regularly. It is 100% bran, and so provides the bulk that is all-important to proper elimination.

You'll find Kellogg's ALL-BRAN a delicious cereal. Order it at your campus cafeteria or in the fraternity restaurant. But be sure to ask for Kellogg's ALL-BRAN.

Kellogg's
ALL-BRAN

The most popular cereals served in the dining-rooms of American colleges, eating clubs and fraternities are made by Kellogg in Battle Creek. They include ALL-BRAN, Pep Bran Flakes, Rice Krispies, Krumbles, Corn Flakes and Kellogg's Shredded Whole Wheat Biscuit. Also Kaffee Hag Coffee—the coffee that lets you sleep.

...but a mosquito blocked the way

THE Panama Canal diggers had engineering brains and money aplenty. But they were blocked by the malaria and yellow-fever bearing mosquitoes, which killed men by thousands.

Then Gorgas stamped out the mosquito. The fever was conquered. The Canal was completed.

The importance of little things is recognized in the telephone industry too.

Effective service to the public is possible only when every step from purchase of raw material to the operator's "Number, please" has been cared for.

This is work for men who can sense the relations between seemingly unrelated factors, men with the vision to see a possible mountain-barrier in a molehill—and with the resourcefulness to surmount it.
