State Budget Includes \$6,211,000 for College

(Continued from first page)

A sum of \$1,721,182 was asked by the Board of Trustees for general maintenance, \$1,620,000 for new buildings, \$392,277 for agricultural extension, and \$711,270 for liquidation of accumulated debt.

Other Appropriations. In the budget presented to the General Assembly, Monday night, Governor Fisher recommended appropriations totaling in all \$167,666,302.31. The total expenditures of the State Government, however, will reach an aggregate of \$301,676,830 for the two years.

In explaining his budget the Governor stated that his figures were based on a continuation of the anti-thrastic tax. However, a strong movement for the repeal of this tax has been started at the present session of the General Assembly.

At the present time there is a surplus of \$23,000,000 in the State Treasury. In making up the budget the Governor and the budget secretary took into consideration this sum.

Other items included in the budget are a \$10,000,000 appropriation for construction in the State Welfare department, and \$9,725,850 for State-owned or State-aided hospitals for the insane. The only appropriation recommended for the Department of Highways was \$12,000 as the salary of the Secretary of Highways.

Nittany Boxers May Battle Temple Team

(Continued from first page)

Lin Wolf's fighting weight is definitely known, the odds, in which Marty McAndrews and Kaplan or Stubble enter the ring must remain uncertain.

Although Coach Robb's eligibility has not been officially declared, the prospects of his return to the welterweight ranks is heartening to Coach Houck. The Nittany coach intimated that he might even use Robb in the 160 or 175-pound division this year.

Meanwhile, Epstein stepped to the fore in the light-battle being waged in the bantamweight class. The lithe sophomore experienced little trouble in keeping Christopher away from him while he peppered his midge rival.

This Tobacco in Far Port

Buenos Aires, Argentine, Jan. 4, 1928

Gentlemen

I'm a seafarer, and as such of course travel quite a lot. Right now I am in the Argentine, and am glad to say that I can here purchase your beloved Edgeworth Tobacco, of which I'm so very fond.

It is indeed a pity that one can't find this good smoke in every place of the seven seas. While recently in Germany, my home country, I tried in vain to come upon one of these little blue tins. I'm not saying too much in mentioning that I would out all that famous mile, hunting up dear Edgeworth. I dare say there is no other tobacco like it, and am convinced that Edgeworth cannot be improved.

Let me know when you contemplate crossing to make Edgeworth so that I may lay in a goodly store to last till I'm seventy.

May Edgeworth never change!
I'll always remain
Sincerely yours,
Willy Schmuck

In the second half the New Yorkers gradually drew away from Colgate and retained a short lead until the end of the game. Near the close of the contest the Macon rallied and threatened to change defeat into victory, but they lacked further scoring power.

The Colgate coach will no doubt start the same team against the Lions in the Macon contest this season. He has not decided yet just what men will receive the call at the forward positions, although it is a toss up among Bonacker, Capes and Hagy, varsity lettermen from last year's court squad.

Captain Lou Reilly, who was unable to report for practice Monday and Tuesday because of an infected foot, returned to the squad Wednesday and took active part in scrimmage. Skip Stahley and Art Koch represent Dutch Hermann's double-threat guards. Both men have developed their basket-tossing abilities until they are now able to sink long shots with ease.

Regardless of the pleasing appearance of his men at present, Coach Hermann is looking forward to a stiff battle with the Macon contingent. Considering comparative scores Colgate would have a slight advantage on Penn State, having defeated New York University who in turn defeated Georgetown by a 32-24 score in the Yale four-cornered tournament.

Hermann Selects Team

Dutch Hermann has not changed his line-up in the least since the two-day trip last week to Washington and Annapolis. The combination of Mazess and Reinhold at forwards, Reilly at center and Koch and Stahley at guards, has been working to perfection during every practice this week. Jack Mazess and Dick Reinhold have paired off especially well recently. Th attack passing and shooting of Mazess coupled with the aggressiveness of both men should give the Colgate guards something to think about tomorrow night.
