**Nittany Courtmen To
Meet President Five**

(Continued from first page)
for Luc Macos and switched Stab-
ley and Koch. Willie Lazu made
the count 10-1 with a free throw and
Donnell, who had replaced Peter-
son at center only a minute before,
capped a double-dunk from the cen-
ter of the floor. The Lion contingent
was unable to locate the basket for
the remainder of the half, their only
score resulting from a foul goal by
Joe Wilson.

Lions Rally

The Nittany quintet started the sec-
ond period with a whirlwind rally.
Macos, Stanley and Koch each re-
corded for a field goal and Stanley
and Krumire added one more point
each on fouls. The Penn State rally
however, was soon smothered by a re-
newed Quaker scoring attack which
took the Hermann-coached courtmen
off their feet. Before the final gun
struck with the score 29-9, Captain
Schlauf had tallied his tenth field goal
to lead the scoring list with twenty
points.

Pipe Smoker

Has a "Kick"
All His Own

St. Paul, Minn.
June 1, 1927

Larus & Bro. Co
Richmond, Va.
Gentlemen:

About five years ago, after trying
out many different styles of pipe,
from the Missouri merchandise to the
renowned meerschaum, including the
upside-down style made popular by
Vice-President Davis, and experi-
menting with just about all the to-
baccos then on the market except
Edgeworth, I finally decided that pipe-
smoking was not for me.

For the last year or so I noticed the
hype around the office here using
Edgeworth to the exclusion of all
other tobaccos, and evidently getting
real pleasure from their pipes.

In April of this year I was in Canada
on a business trip and decided to do
another whirl at pipe-smoking. So I
invested a good share of my savings
in a pipe and a few cents additional
for a can of Edgeworth!

From then on I have been figurat-
ively taking myself around the block,
about once each day when I think
of the five lean years I put in trying to
get along without a pipe. However, I
am trying to make up for lost time
and am succeeding quite well. Why
I failed to try Edgeworth long ago will
have to go down in history as an
unsolved question. But now that I
have found it, the years ahead look
rosy to me.

Very truly yours,
Ben Dayer

KRESGE'S
Has an Opportunity for Executives
with College Training

What other College
Men have done with
KRESGE'S

"In 1918 I graduated from Ripon College, having
majored in chemistry. After following my profession
several years I concluded that my personal advan-
cement was limited. In 1923 I entered the employ of
the S. S. Kresge Company, worked hard and many
long hours, but today, as manager of a new store, I
am proud of my membership in the great Kresge
Organization. My future is unlimited."

An Illinois Wesleyan University graduate, class of
1915, says "My efforts with the Kresge Company
have been amply repaid and now, as store manager,
I feel sure that any man who gives his best efforts
to the Kresge Company will not be disappointed."

One of the many successful Kresge store managers
is a graduate of the University of Illinois class of
1920. His advice to ambitious young college gradu-
ates is "Prepare yourself now for future success.
Cast your lot with the Kresge Company."

A graduate of the Ohio State University writes "I
am not boasting of my success as a manager of a
Kresge Store, but I know that financially I am far
ahead of most of my college pals. A man's ability
is practically the only thing limiting his success."

Another successful store manager, a graduate of
Indiana University says: "The young men of today
who are willing to begin at the bottom and work
their way to the top will be tomorrow's leaders in
every field of endeavor." The Kresge Company
will train you for greater responsibilities.

WE WANT MEN to grow with Kresge's. We are now oper-
ating 510 stores and are opening new stores at the rate of 75 to 80 a
year; thus creating opportunities for men who join our organization.
We offer to train college graduates to be the kind of men we need
so that they may reach the kind of positions they desire.
If you have a trained mind and a well-rounded personality, you
possess the first two requisites. If you are willing to work hard, to
learn the details of every phase of store management and to start at
the bottom on a small salary, we may very possibly do business
together. For the reward is well worth the earning. To those who
follow out the Kresge training plan, we offer store managers' positions
paying very attractive salaries.

It's like having a business of your own, plus the added opportunit-
ies in a corporation with \$150,000,000 sales annually.
A Kresge representative, possibly a graduate from your own college,
will be sent to tell you personally of the opportunities with Kresge
if you write our Personnel Department.
