**DEBATERS FACE** 

of the year, the Penn State debaters' will meet an all-Canadian universities team in Schwab auditorium at 7.30 o'clock Friday night. Discussion will be based on the Guestion of the effect adventising has on modern ervitization The Canadi-an team will attempt to show that this effect is one to be deplored, while the College orators will defend modern advertising as a typical and necessary American institution Universities Represented

Another educational group will as-semble for the first time at State Gol-lege this summer when the Progres-sive Education Association of Wash-ington, D. C., conducts its annual in-stitute here from July 1 to July 19. The session will be divided into three periods each a week in length. Dr. W. Carson Rye of Swarthmore col-lege will supervise the first week's work, in which the "Principles of Pro-gressive Education" will be discussed. During the second week a study will be made of the "Progressive School in Practice." Mr Morton Snyder, head master of the Rye County Day School, Rye, N. Y., will conduct this phase of the institute At the third week's discussion, stu-dents will study "Development Though Expression" Miss Rachel Erwin, director of Winbrook school, White Plains, N. Y., and Mr. Stan-wood Cobb of the Chevy Chase Day School, Chety Chase, Maryland, will have charge of the concluding ses-sion. Universities Represented The Canadian speakers are at pre-sent on a tou of many leading insti-tutions in the United States. Three Canadian universities, Manitoba, Me Master and West Ontario, are repre-sented on the visiting team They employ a style of dobate sim jur to that used by the English de hates here earlier in the season. I

They employ a style of ( ar to that used by the I dens here earlier in the mbines a mixture of hum combines a mixture of humor, com-sation, and argument that is hard the American debaters to combat. More than ten men are trying are trying on, which will

ave charge of the concluding ses-on. In addition three evening lectures re-re listed on the proposed program r. Ots W. Caldwell of the Institute Schoel Experimentation, Columbia inversity will discuss "The Middle I the Road in Education," at the rest meeting July 2 On July 9 Dr ohert D. Leigh, president of Benn-gion college, will lecture on "Pro-ressive Education in the College ield" The concluding talk will be inversed by Mr. Hughes Mearns, of ew York unversity His topic will "Setting Free the Greative Sprit." According to Dean Will G. Chamthan ten men are try ces on the team, which l later in the week by (Continued on last page)
