FORMER ARMY CHAPLAIN TO SPEAK HERE SUNDAY

Colonel John T. Axton, Rutgers Clergyman, Will Talk on 'Youth' at Chapel

Speaking on "Youth in a State of Expectancy," Col. John T. Axton, chaplain of Rutgers university, will address the chapel audience at the services in Schwab auditorium Sunday morning.

Colonel Axton served as chaplain in the United States army for more than a quarter of a century. For eight years he was the chief of chaplains, directing the religious work for the army and supervising the selection of chaplains.

The Colonel has been awarded the Distinguished Service medal by the United States government and has received the Croce di Guerra from the Italian government. He was made a chevalier of the Legion of Honor by France for his services during the World War.

The degree of Doctor of Divinity has been conferred upon Colonel Axton by Middlebury, Ursinus and Elon colleges. He retired from active duty in the Army on April 6, 1928 and recently was appointed to his present position at Rutgers.

TEMPLE RINGMEN SEEK REVENGE IN BOUTS TOMORROW

Philadelphians Hope To Avenge Last Year's 4-3 Setback In Recreation Hall

Anxious to avenge last year's 4-to-3 setback, Dave Beloff's Temple boxers expect to turn the tables on Penn State's fistie sons in the Recreation Hall ring at 2 o'clock tomorrow afternoon.

Triumphant over strong Manhattan and P. M. C. foes, the student-coached Philadelphians are conceded an even chance of victory in tomorrow's setto, the third annual meeting between the two teams.

CANADIANS ENGAGE DEBATERS TONIGHT

Coach Selects Richards, Haley And Keller To Support Negative Theories

Penn State's forensic trio will face an all-Canadian universities team in the second international debate of the season in Schwab auditorium at 8 o'clock tonight.

Dean Charles W. Stoddard, head of the School of Liberal Arts, will act as chairman of the debate. The question for discussion will be "Resolved that this house deprecates the large part which advertising plays in modern civilization," with the Canadian team upholding the affirmative.

Assistant Coach Joseph F. O'Brien announced last night the selection of the team for this debate. Members of the trio are Robert W. Haley '29, Jack R. Richards '30, and Lawrence N. Keller '31.

The three teammates are all experienced debaters and have participated in other contests this year. Both Richards and Haley debated against the Oxford team here this fall, while Richards spoke on the advertising question against the University of Pittsburgh orators.

Haley and Keller also used the same topic in a discussion with the Western Reserve team.

Three of the largest Canadian colleges are represented on the visiting team. Students of the universities of Manitoba, McMaster and West Ontario are members of the visiting team.

These speakers employ a style of debate similar to that of the British type.

The outcome of the debate will be decided by an audience decision. In addition, an open forum on the question will be held immediately following the debate. The negative side of the debate will be based upon the effect of advertising on the consumers of the goods.

WESTERNERS HEAR PROFESSOR WOOD

Refrigerating Engineers' President Addresses 5 Conferences on Recent Lecture Tour

Prof. Arthur J. Wood, president of the American Society of Refrigerating Engineers, attended the meetings of the organization and spoke at five engineering conferences during his recent trip to the Middle West. These gatherings included three meetings of refrigerating engineers, a meeting of the Automotive Society of Detroit, the Mid-West Power conference in Chicago, and the Engineers' Society of Milwaukee.

Among those present were a large number of Penn State alumni.

Professor Wood reports that the graduates are taking a great deal of interest in the development of the college and also states that several of the alumni are holding high positions with the larger corporations.

During the trip a number of requests for Penn State engineering graduates were made, which fact, Professor Wood states, shows that seniors of this college are in great demand.

STUDENT COUNCIL NAMES DODGE NEW SECRETARY

To fill the vacancy created by the resignation of John A. Hawke '29, Homer K. Dodge '29 was elected secretary of Student Council at its meeting Tuesday night.

Student Council keys were presented to the members. Among other things, Council discussed the fine for flunking credits and set a date for action on the senior annual question.

EPSTEIN INJURES ANKLE; THIES MAY DON GLOVES

Return of Steve Hamas Unlikely This Week - Wolf-Beloff Setto Is Doubtful

Julius Epstein, who flashed championship form in his exit-round victory over Peluse, sensational Penn bantamweight, may be forced to wrestle tomorrow's bouts from the bench.

The fast-moving 115-pounder turned on his injured ankle Wednesday night while trading punches with Stan Kolakowski.

Although his ankle-hold is not yet responded to treatment last night, it is believed that the Lion bantamweight will be able to match his fistie wars with Eddie Cudden, captain and star performer of the Philadelphians.

Cudden was defeated only once last year, and has won his bouts with ease this year. Should Epstein's ankle keep him out of the ring, Hal Thies, of last year's freshman team, may make his varsity debut in the 115-pound division.

Unless Dave Beloff, student mentor of the Temple boxers, reverse, his decision, there is little chance of an exhibit.

JOURNALISTIC SOCIETY INITIATES DR. HETZEL

Pi Delta Epsilon Also Elects Profs. Rohrbeck, Beese To Membership

Pledging his support to the various publications, President Ralph D. Hetzel addressed the members of Pi Delta Epsilon, honorary journalistic fraternity, at a dinner Tuesday night.

President Hetzel together with two other faculty members were invited into the honorary society at that meeting.

The other two were Prof. Charles W. Beese, faculty advisor of the Penn State Engineer and Edward H. Rohrbeck, advisor for the Penn State Farmer.

During his address, the President stated that he wished to promote better understanding between publication staffs and the college administration. "Though organizations such as these things can be most effectively accomplished," he declared.

While an undergraduate student at the University of Wisconsin, the President was editor of the Cardinal, the college newspaper. He also held an executive position on the staff of the college humorous publication.

Three undergraduate members Robert W. Haley '29, Philip A. Shelley '29 and Scott S. Geesey '30, were also admitted to membership. As a departure from the usual policy of the society, these members were admitted for their work done on the Old Main Bell.

PLEBE COURTMEN OPPOSE SYRACUSE

Freshmen Engage Orange Team After Varsity Contest Tomorrow Night

Engaging a Syracuse freshman basketball team for the first time since 1926, an improved plebe quintet will attempt to close its season with a victory when it clashes with the Orange courtmen in Recreation Hall at 8:15 o'clock tomorrow night.

Winning from Carnegie Tech and losing to Pitt and Bucknell, the Lion cubs have a chance to break even on total games played if they win tomorrow.

Coach Conover will probably start the same five that downed the Tartan freshmen Saturday, but, if he follows the procedure of other games, frequent substitutions will be made.

Bob Snyder and Bub Davis will start at forwards, with Fred Brand, high scorer in both the Pitt and Tech frays, at center. As reserve material, Tom Fletcher and Thomas are available forwards, while Hammond and Raquette are centers, and Cooper and Wilson, guards, complete the list of substitutes.

Orange Boosts Five Wins

The engagement with the Lion cubs marks the final tilt of a three-game tour for the Syracuse yearlings. They encountered the University of Rochester freshmen yesterday and met the Rochester Business Institute tonight.

Preceding this tour, they had won five out of six games, losing to the powerful Cook academy quintet. College freshmen and the Manlius prep school passers have fallen before the Orange while the St. Lawrence yearlings have been defeated twice.

Elliott, center, and Armstrong, forward, have been the high scorers for the Hillmen throughout the season. In the contest with St. Lawrence Saturday Elliott accounted for five baskets and Armstrong four. Coach Baysinger will probably start Elliott at forward with Egan and Cramer as guards. Reserve material consists of Finkley, Klopner, Feldman, Buchbinder and Fitzpatrick.

TED BARTELL WILL PLAY AT SOPH HOP

New York Orchestra To Furnish Music for Underclass Ball March 8

Ted Bartell and his orchestra from Young's Chinese-American restaurant, New York, will make his first appearance here at the annual Sophomore Hop in Recreation Hall March 8.

Committee chairman Lorimer H. Brown revealed yesterday.

Bartell's band has been furnishing music for the Vitaphone motion pictures and is one of the first orchestras to be employed in this capacity. The group is also prominent as a recording orchestra.

After much deliberation, the committee has selected silver bracelets as favors for guests at the annual underclass formal. The bracelets will be of sterling silver set with jade stones and embossed with a Penn State seal.

The usual leather program-favor combination has been replaced by a paper or light cardboard program.

The Silverstein Flag and Decorating company of Wilkes-Barre will decorate the ballroom.

FRESHMEN MAY HOLD CARNIVAL IN NEW GYM

Bezelck Approves Plan for Use of Building if Dr. Hetzel Grants Permission

Either the Recreation Hall or the Armory will be the scene of the first freshman Mid-Winter Carnival next Saturday night.

At present the place for the event has not been finally selected. Director of Athletics Ilugo Bezelck has consented to the use of the new gymnasium for the affair, and it only remains for the President to signify his consent, according to Harry F. McCoy '29, chairman of the committee.

Entertainment acts and other forms of amusement will be presented by both fraternity and non-fraternity groups. In addition, several campus organizations will offer various forms of entertainment including vocal and instrumental music.

The object of the carnival is to create a better feeling of friendship among the members of the class. The committee hopes by the affair to secure a fine spirit of co-operation between the men and women of the class.

Lion Glee Club Enters Intercollegiate Contest

WILL COMPETE WITH 6 GROUPS IN PITTSBURGH

Director Selects 30 Members For Trip - Plans Recital At Johnstown

Competing for its third consecutive championship, permanent possession of the Pittsburgh Press trophy, and a trip to New York for the National Intercollegiate, Penn State's glee men will face six other clubs at the annual Pennsylvania sectional contest in Carnegie Music Hall, Pittsburgh, tonight.

Director Richard W. Grant has chosen thirty members of the regular organization to make the trip. These men have been selected according to their ability to sing from memory the songs which will be used in the contest.

Each club will sing three selections upon which the judges will base their decisions. The first part of the program will include college songs by the competing clubs. Singing of the prize number, Smith's arrangement of Dvorak's "Songs My Mother Taught Me," will make up the second part of the program. Songs selected by each of the clubs will complete the competitive singing.

The Penn State glee men will sing "Blue and White" as their college song, and "To Arms," by Montau, as their choice song. While the judges deliberate the entire group, about two hundred and ten men, will sing Klemmer's "Prayer of Thanksgiving" under the leadership of Harvey Gaul, Pittsburgh musician and critic.

Mr. Gaul, commenting on the prize song, said, "An arrangement that hardly fits the young college voice, though the sentiment is not too remote." Last year critics of the second annual contest, commenting on Penn State's victory, regarded the Nittany voices as mature.

Allegheny, Bucknell, Carnegie Tech, Juniata, Pitt, and Washington and Jefferson are the institutions who will oppose the twice-victorious Lion songsters tonight. The victorious club will go to New York to compete with winners of other sections of the National Intercollegiate Glee Club contest.

Albet Pickernell, of New York, who is president of the Intercollegiate council and originator of the present contest plans, will be master of ceremonies at the Carnegie Music Hall tonight. He, together with Dr. Charles N. Boyd and Dr. Russell H. Kirk, of Pittsburgh, will act as judges.

Tomorrow night, on the return trip from Pittsburgh, the Penn State Glee Club will give a concert at the Sunnyside country club, Johnstown, which will be sponsored by the Cambria county alumni association.

The entire group will repeat the numbers sung at the contest and will add "Largo" from Dvorak's New World Symphony. Additional entertainment will be furnished by Miss Martha J. Gobrecht '30, who will give several marimba selections, the Varsity Quartet with song specialties, and Robert G. Thrasher '31, who will present a magic act.
