his guarding and goal-tossing abilities, will co-operate with Hamas in warding off enemy scoring attacks.

The reserve material will include Wally Leyda and Jack Meyers at the forward posts. Jack Browne will be ready to replace Captain Reilly at center should the occasion arise. Art Koch and probably Ed Lee as guards complete the personnel of the squad. Paul Kilmrine, promising sophomore forward, has left College and will not participate in any more varsity competition this season.

The squad will depart from State College at 12:30 o'clock this afternoon for Bellefonte where they will board the 1:25 train for Williamsport.

Although it was rumored that Steve Hamas would don the leather mittens against the Naval Academy at Annapolis Saturday, the versatile athlete will accompany the basketball team to Syracuse and Hamilton. Steve's brand of basketball has increased in leaps and bounds until he is now one of the mainstays of the Lion defense. After the Syracuse game, Dutch Hermann was heard to say "Steve Hamas played himself off the boxing team tonight."

tip. Jack Mazess and Dick Reinhold will take their old positions at forward. This combination has started most of the games this season and should make a strong bid for scoring honors in both contests. Although Mazess was not at his best in the Syracuse encounter, the flashy sophomore has redeemed himself in practice scrimmage this week.

Captain Lou Reilly will assume his regular duties at center. The lanky Nittany leader has faded only on rare occasions to get the tap-off for his teammates and should strive doubly hard to continue this work in his last game against the Orange and the Macon. Skipper Stahley, famous for

Drink **Coca-Cola**
Delicious and Refreshing

PAUSE AND REFRESH YOURSELF

IT WON'T BE LONG NOW. AND THE PAUSE THAT'S COMING MAY NOT BE SO REFRESHING AS SOME OTHERS WE KNOW OF.

The moral is to avoid situations where it is impossible to pause and refresh yourself—because whenever you can't is when you most wish you could. Fortunately, in normal affairs there's always a soda fountain or refreshment stand around the corner from anywhere with plenty of ice-cold Coca-Cola ready. And every day in the year 8 million people stop a minute, refresh themselves with this pure drink of natural flavors and are off again with the zest of a fresh start.

OVER 8 MILLION A DAY

YOU CAN'T BEAT THE PAUSE THAT REFRESHES

IT HAD TO BE GOOD TO GET WHERE IT IS

"If the cougher in the 4th row will come to the stage door... there's a carton of Old Golds waiting for him!"

"Of course, I've never said the above! But how I've been tempted to, when a heavy bass whoop or a shrill soprano bark has drowned out my best wise-crack.

"But it isn't good cricket to publicly embarrass a cougher. He isn't barking on purpose. He needs quiet, friendly counsel. He should, in confidence, be told to smoke OLD GOLDS.

"You'll enjoy the show better... and so will I... if we can just get this tip over to him. For, from my own experience with this smooth and throat-easy cigarette, I don't believe there's a cough in a capacity house-ful of them."
