INITIATIVE

College is expected to round out each student's life, to fit each one of us for our so-called battle with the world. Nevertheless College cannot do the whole task itself.

We may have determination, willingness, an ability to stick to a thing until it is complete, but unless we have initiative the others may go as naught.

The instructors seem to be realizing that a bit of responsibility for a piece of work designated a term paper may be the means of developing a goodly portion of initiative. In most cases, however, the students defer their work until the night before the paper is due and then do it all at once. A bit of personal initiative would show itself in a much more complete and more interesting paper.

The man or woman with the ability to see ahead and picture what is coming is the person who is going to get ahead. Few are the unfortunates who were missed when gifts of initiative were being handed out. Most of us are just partially asleep—let's get awake, get started, get going and get some place without having to be pushed.

SOPHOMORE GIRLS HOLD DANCE NEXT WEEK-END

The sophomore girls will hold their class dance Friday, March 15, at the Phi Kappa Sigma fraternity house. The music will be furnished by the Campus Owls.

This dance has been postponed from last semester. The regular second semester dance will be held at a later date, according to Josephine La Barre, social chairman of the class.

The social chairman has appointed the following girls as chairmen of the various committees. Tickets, Anne Melinger; refreshments, Anne McGun; orchestra, Elizabeth Crozier; invitations, Grace Greer; fraternity house, Grace Dietrich; furniture arrangements, Ruth Franz; publicity, Janet Brownback.

Underclassmen Defeat Upperclass Opponents

The freshmen defeated the seniors by a score of 34 to 18 in a practice game in the Armory Monday night, March 4, at eight o'clock.

Kathleen A. Meek '32 and Kathleen E. Fasnacht '29, led the scoring for their respective teams with seven field goals each. With quick pass work the freshman players kept the lead during the whole game.

The sophomores outplayed the juniors in a game at nine o'clock.

Coach Marie Haidt substituted as forward on the junior team. However, in spite of this asset and the excellent playing of Pauline Myers '30, the other forward, the sophomores won with a score of 29 to 18.

INTEREST IN SPORTS PREVAILS ON CAMPUS

Despite the fact that the new Recreation Hall now houses all of the men's winter sports and the physical education classes, the Armory is still the center of sports among the girls.

Besides the regular freshmen and sophomore physical education classes there is a special course in play-ground instructions in which the girls learn games suitable for teaching children. For those who cannot schedule regular physical education there are classes where the girls learn the fundamentals of tennis.

Volley ball is being played between the freshman and the upper classes. Some of the girls have been showing skill in hand ball while still others are perfecting tennis strokes for the coming season.

Intramural basketball games will be held in the Armory as soon as the girls play off their present interclass games. Each dormitory and club house that wishes may organize a team and enter the contest. A series of games will be held in the form of a tournament for which the drawings have not yet been made.

According to general opinion the class basketball games have created much enthusiasm. It is hoped that this same spirit, stimulated by the presentation of the trophy to the winners, will be continued into the tournament. At present the freshman team is leading by very high scores in the class games.

COTILLION COMMITTEE SETS DATE FOR DANCE

Plans for the Co-ed Cotillion, the annual costume ball given by the girls, are rapidly progressing. The dance will be held in the Armory on April 26.

Pauline Myers as general chairman has expressed the desire to make this dance more colorful than those given in previous years. Assisting her in her work as chairman of committees are: Kathryn Michener '30, decorations; Laura Griffiths '31, orchestra; Louise Hoffedtz '31, finance; Alice McDowell '30, poster and program; and Peace Ankeney '30, clean-up.

With all this taste-goodness is just enough bran to be mildly laxative. Try these better bran flakes with milk or cream. You'll say they're great.

The most popular ready-to-eat cereals served in the dining-rooms of American colleges, eating clubs and fraternities are made by Kellogg in Battle Creek.
