### Lion Wrestlers Show Fine Season's Record

(Continued from first page) and Western Reserve and a victory at Cornell by a decision.

Campbell trailed Eisenman with four falls and two decisions to his credit, winning by decisions only from Syracuse and Lafayette. His falls were made usually before six minutes of the period had elapsed.

Habler with three falls and two decisions follows close to the Lion 155-pounder. He registered falls over Ohio university, Navy and Western Reserve, winning decisions over Syracuse and Cornell. Cowell replaced him in the Lafayette meet winning by a decision.

Captain Wilson scored falls over Western Reserve and Lafayette, winning decisions from Ohio university, Syracuse, Cornell and Navy.

Season's Total 160

Compiling 160 points to 24 for their opponents the Penn State wrestlers probably set a new record for total points scored during the season. The lowest score to which the Lions were held and likewise the highest number of points scored against them was in the Cornell meet which the Nittany matmen won 15 to 12. Navy held the Lions 19 to 6, using the National intercollegiate rules which allow only five points for a fall.

Syracuse, Lafayette, and Western Reserve were overwhelmed by the Penn State grapplers. Ohio university was downed by 30 to 6 in the opening meet of the season.

### RIFLE TEAM LOSES THIRD CORPS TITLE

Marksmen Secure Second Place As Carnegie Tech Squad Wins First Trophy

### TO ENGAGE IN NATIONAL R. O. T. C. CHAMPIONSHIPS

Penn State's rifle team placed second among fourteen competing institutions of Pennsylvania, Virginia, Maryland, and Washington, D. C. in the Third Corps Area championship, according to official results announced yesterday by Captain Ray T. Rouse.

Carnegie Tech won the meet and gained its first claim to the title trophy by a margin of approximately one hundred points over the Nittany shooters. The cup had been in Penn State's possession for the past two years, three successive victories being necessary for permanent possession. Joseph Stearns '29, Lion captain, ranked high among the individual scorers with a total of 775 markers out of a possible 800.

Compete in National Meet  
The riflemen will be one of four Third Corps Area groups to compete in the National R. O. T. C. championship tourney.

Pennsylvania will furnish the opposition for the Nittany marksmen in the fifth round of the Pennsylvania-West Virginia league matches. The Lions are tied with West Virginia for second place with a record of three victories and one defeat.

Carnegie leads with four wins, and no losses. In defeating West Virginia last week, the team amassed the highest point score of the league competition. The riflemen will enter the Championship match at Pittsburgh April 13.

Leaving for Annapolis this morning, the Lions will engage Navy, in their first shoulder-to-shoulder match away tomorrow. In a shoulder-to-shoulder contest here last week, the team defeated Lehigh 1339-1315.

### FRATERNITIES IN FINALS

By defeating Theta Kappa Phi, 3-2, Wednesday night, Phi Kappa Alpha earned the right to meet Alpha Chi Rho in the finals of the interfraternity boxing tournament Tuesday.

In the semi-finals Alpha Chi Rho downed Phi Kappa Sigma, 3-2, and Theta Kappa Phi won over Sigma Phi Epsilon, 3-2.

### Nittany Mitmen Face Syracuse Tomorrow

(Continued from first page) Although Glassey, veteran lightweight, fell prey to the ring prowess of Wallace, Navy slugger, and Captain Bolanos, M. I. T. titular hope, he is the toughest foe Boni Casson will have been called upon to meet this season. The Orange 135-pounder boasts triumphs over Meyer Saslow, clever Penn lightweight, and Macintosh of Dartmouth. Stan Kolakowski won a close decision over Glassey in last year's dual meet.

Featherweight Uncertain  
Coach Leo Houck was uncertain who would don the gloves in the 125-pound setto, although Stan Kolakowski was expected to get the call over Hal Thies. The Lion featherweight will trade blows with Hill, willing Orange puncher.

In the opening match Julius Epstein, Penn State's hope for an intercollegiate crown, will match his boxing skill with Veari, promising Syracuse bantamweight.

### Undeclared Wrestlers Seek Collegiate Title

(Continued from first page) will wrestle in the 115-pound class, Captain Wilson, at 125-pounds, Hubler, 135-pounds, Eisenman, 145-pounds, Campbell, 155-pounds, Cranmer, 175-pounds and Pearce, unlimited.

Although Cornell has been defeated by both Penn State and Lehigh, the presence of Josephson, 115-pound intercollegiate champion last year, and Captain Stafford, intercollegiate titleholder in the unlimited class as well as Johnson runner-up in the 175-pound class on the team makes them a dangerous threat. Yale has two outstanding men in Captain Dodd and Sargeant, 135 and 145 pounds, respectively. Recently Whiting made his debut with the Elis against Princeton in the 145-pound class. Whiting is reputed by the Yale coach as being better than Sargeant. The latter moved up to the 158-pound class in order to allow the newcomer to wrestle in the 145-pound class and since Graham of Princeton had little trouble winning from Sargeant it is questionable in which division he will wrestle in the intercollegiate.

While the Nittany matmen did not meet more than two members of the intercollegiate association it was not because attempts to do so were not made. Contracts were sent to Lehigh, Columbia, Penn., Yale and Princeton but proper dates could not be arranged making it necessary for the Lions to make up their schedule as best they could previous to the opening of the season.

Clashes in viewing the outcome of the meet this year predict that Wilson and Lehi will lose their crowns. Lewis of Lehigh who has gone through the season undefeated is favored to lift the Lion captain's title, basing their opinions on last year's meet and claiming that Wilson won over mediocre opponents. In reviewing the past season however, they have failed to take into consideration that the present champion has gained any experience. Lewis and Wilson met the same man in both the Syracuse and Navy meets and in both instances Wilson secured a much larger time advantage over his opponent than Lewis. The crisis declaring that Wilson will finish in third place this year.

Lehr in the 175-pound class was barely able to nose out Johnson in the finals last year. Using the showing of the two men this year the scribes have predicted that Johnson will oust the present title-holder.

Time of Events  
The Penn State wrestlers left State College yesterday morning going to Lewisport where they entertained for Bethlehem arriving there about 4:30 o'clock. Following a brief rest the squad will work out in Taylor gymnasium for a short period. The team will weigh in for the preliminaries and semi-finals at 11:00 o'clock this morning. At 2:00 o'clock this afternoon the teams will swing into action in the preliminaries followed by the semi-finals at 8 o'clock. At 11:00 tomorrow morning the surviving members will weigh in for the final matches which are scheduled for 2 o'clock. An intercollegiate banquet will be held tomorrow night at 8 o'clock at which time the trophy will be awarded to the winner.
