za when the Washington hitters solved Lockard, scoring four runs to bring their total to seven, while the Blue and White tilters counted six times throughout the contest. Lockard held the Georgetown team to six hits during the contest while his team mates were gathering twelve safeties from the offerings of Edmonston, Georgetown twirler.

### Lions Meet Duke

In an eleven inning struggle the Duke university nine secured a 2-to-1 victory over their Lion opponents Friday when Coop French fumbled a hard hit ball, allowing a Duke run to cross the plate for the winning tally. Fry pitched the entire game for the Lions allowing seven hits during the eleven innings and striking out six opposing batters. The lone Nittany tally was scored in the sixth when Captain George Delp scored on successive singles by Wolf and Singley. Lefty Jenkins, Duke twirling ace, faced the Lion batters after the sixth inning when he relieved Peeler. Six safeties were granted by the Duke twirlers throughout the contest.

The second game of the series scheduled with Duke was cancelled because of rain. By earning a 6-to-4 victory over the Durham team Monday, the

Blue and White nine won their only game of the trip. Opening the game in stellar fashion, the Lions scored five runs in the first stanza. Successive doubles by French, Dobbelaar and Delp paved the way for two runs. Wolf walked and Singley tapped out a single to fill the bases. Delp scored on a wild pitch, Singley being thrown out at home on the same play. Diedrich singled, scoring Wolf and later scoring from second on an error by the Duke catcher. Another marker was hung up in the seventh when Delp tripled scoring Dobbelaar.

Stokes pitched eight full innings, being relieved by Lockard in the ninth after he had allowed two runs to cross the plate. In finishing the game Lockard gave one hit and one run before the side was retired. Jenkins pitched the entire game for Duke.

Lost To North Carolina  
A four-run rally in the sixth inning was not sufficient to overcome a six-run lead amassed by North Carolina batsmen in the first, second and fifth innings, allowing the southern team to win 7-to-5. Three runs were scored by the North Carolinians in the second when their backstop poled a home run into the outfield with two of his teammates on the paths.

Delp started the Penn State rally in the sixth with a single which was followed by another one base blow by Althe Wolf. Diedrich singled after Gene Singley had been hit by a pitched ball. Delp and Wolf scored on Diedrich's blow. Singley crossed the home base on a single by Young Diedrich ended the scoring when he counted on the throw to first after Saltzman had hit to the pitcher.

Lockard stated the game for the Lions, pitching until the fourth when Fry assumed the hurling duties. Four runs were scored while Lockard was on the mound while Fry granted three runs. The North Carolina team garnered eleven safe blows while the Nittany nine hit safely ten times.  
Captain George Delp led the Nittany batters with an average of .450 during the practice trip while Althe Wolf was close to the Lion captain with a mark of .116. They also starred in fielding with Coop French giving the two veterans a hard run for the fielding honors after the first game with Duke university.

### Election Group Sets Dates For Balloting

(Continued from first page)

Mines and Metallurgy and Liberal Arts schools  
Selection of officers by an entire class and not a single well-organized clique was the purpose of Student Council in adopting a system of open politics here, the election committee announced.

Believing that there has been misinterpretation of the proposed plan among members of the student body, the committee declares that the move was not made to cause a re-alliance of cliques nor to force unfavorable legislation upon the students, but to insure the election of a candidate who is the choice of his class.

### SOPHOMORES CONQUER FRESHMEN WRESTLERS

By securing three falls and two decisions over the yearling matmen, the sophomore wrestlers easily won the annual freshman-sophomore set-up, 24 to 9, in Recreation Hall.

The sophomores who gained falls were Davenport in the 130-pound class, Stern, 140-pounder, and Evans, heavyweight. Wall was the only freshman to gain a fall while Transue, plebe 180-pounder, won by a time advantage. Harlans and Karsner, sophomore matmen, earned decisions.

"Will the gentleman who just coughed, kindly step  
to the box office . . . for a package of Old Golds?"

"Of course, I have never said just those words from the stage—but in all kindness I have often wanted to offer this friendly help to some poor fellow whose cough was interrupting the show and spoiling the enjoyment of those around him.

"A year or so ago, the makers of OLD GOLD ran some ads on the disturbing effect of coughing in theatres. As an actor, I was grateful for those ads. I am more grateful now that OLD GOLD has invited stage folk to help them bring 'first aid' information to our unhappy friends the 'theatre-coughlers.'

"My own advice is that prevention is the best aid. The kind of prevention that smoking OLD GOLDS gives. Harsh tobacco irritates the throat, and that causes coughing. Changing to OLD GOLDS soothes the throat and removes the cause of the 'cough tickle.'"

(SIGNED) *Groucho Marx*
