local unit received. The infantry unit was inspected by Major A. M. Patch and Captain W. C. Louisell, both of the 12th infan-try. Captain S. M. Karrick exam-ined the engineering unit. Both an administrative and tactical inspection was carried on by the War Department inspectors. Careful ex-amination of the College facilities, supplies and equipment, and an ob-servation of regular class work were included in the inspection.

Weather conditions prevented the brigade review which was scheduled for Monday afternoon.

"The unit is very good and the in-spection was highly successful," Cap-tain Karrick asserted while comment-

Decorations for the Druid-Friar dance will be arranged with the aid of any members of the freshman class who may be found at large tonight, Meyer A. Kaplan, chairman of the committee in charge of the affair an-nounced yesterday. Draperies, borrowed from the Penn State Thespians, will be used in the decoration of the Armory for the dance to be held there tomorrow night. The Blue and White orchestra, a group of College musicians, has been engaged to furnish music for the an-nual all-College function. Passing the House of Representatives without a dissipating vote, three Col-lege appropriation bills are now await-ing consideration by Governor John S. Fisher at Harrisburg. The bills had proviously been passed by the State Senate.
