

NETMEN TO PLAY 6 MATCHES; GOLFERS SCHEDULE 4 CONTESTS

LION TENNIS TEAM WILL OPEN SEASON

Faces Franklin and Marshall In First Game April 27 On Armory Courts

With six games scheduled for this year, the Penn State tennis team will open the season next Saturday afternoon when they meet the Franklin and Marshall racqueters on the Armory courts.

The second encounter will take place here on Saturday, May 4 against Georgetown, whose representatives trounced the Lion contingent last season. On the following Saturday, the Ursinus courtmen will play here in a dual match.

In the first game away, the Nittany courtmen will meet Gettysburg May 12. The team will journey to Annapolis, Md., the following week-end to face Navy.

Two Veterans Remain As the concluding contest of the season, Bucknell will play here June 8. Within the last two years, the Lions have won two encounters and tied a third, while the Nittany team has failed to win a single game.

Coach Stover will build his court squad around two veterans and several promising newcomers. Captain Ed Butler and Metzner are the two remaining members of last year's varsity.

Outstanding among the new candidates are Glenn Thompson, winner of last year's freshman tournament, Jack Barber and Bud Johnson. Other promising varsity material includes Tom Jones and Reed.

RAIN HALTS FINAL RELAY SELECTIONS

Trackmen Definitely Scheduled To Compete in 2 Relays, 4 Individual Events

Cold weather and rain have precluded final selection of Penn State's entries for the annual Penn Relays at Franklin field next Friday and Saturday. The Lion competitors will be chosen as soon as track conditions allow Coach Nate Cartmell to give the candidates a thorough trial.

While Coach Cartmell has entered men in the four-mile, distance medley, quarter-mile, and 800-yard relays and in several individual events, Nittany trackmen are sure to compete in the first two relays, javelin, discus and hammer throws and the 120-yard high hurdles. Whether or not there will be Lion representatives in the quarter and half-mile relays, pole vault, 400-meter hurdles and 3,000-meter steeplechase competitions will depend on the coming trials.

The four-mile relay team will be composed of Captain Bill Cox, George Offenhauser, and two men chosen from the trio of Meisinger, Detweiler, and Kikra. Cox and Offenhauser will lead in the mile and the three-quarter mile in the distance medley event, with Bekers running the half-mile and either Flenniken or Hiding in the 400-yard leg.

May Enter Steeplechase Mueser, who threw the javelin over 180 feet in freshman competition last year, will represent the Lions in the javelin throw along with Cal Shawley. Shawley will also compete in the discus throw and in the hammer event. Morrill tossing the hammer and McDowell in the hurdles complete the entries in the field competitions.

The quarter-mile relay team, if entered, will be selected from Stookey, Bowie, Stark, Fullerton and McDowell. Four of the same group, with the addition of Flenniken and Hiding, will compose the team for the 880-yard relay, should an entry be made in this event.

Brown, Marzucco and Fullerton in the 400-meter hurdles and Bass and Kesteloff in the steeplechase race complete the list of possible Lion competitors.

A. A. OFFICIALS AWARD LETTERS TO 8 BOXERS

Eight members of the championship boxing team were awarded letters by the Athletic association in recognition of their work during the past season.

Seven of the number were point winners in the intercollegiate and received the major "S." The eighth member of the group was awarded the regulation boxing letter.

Those receiving the major awards were Captain Allie Wolf, Steve Hamas, Stanley Kolakoski, Martin McAndrews, Jack Davis, Boni Casoni and Julius Epstein. Dick Geuder, student manager, also received the major "S." Bill Struble, who was a regular during the dual meet season, was voted the regulation boxing letter.

Colleges, R. O. T. C Aid In Polo's Popularity

"For the first time since Oriental potentates pursued a wooden ball about the plains of the East centuries ago, polo has been brought within the range of the man of moderate means," writes Albion Topcliffe Sawyer in the May *Collegiate Humor*. "It is no longer a pastime for the rich alone, but has gone democratic. For this happy state of affairs, thanks are due to the colleges and the United States Government.

"Polo has been played at a few American colleges and universities for ten years or more, but the game owes its recent rapid growth to the establishment of the Reserve Officers Training Corps units which are maintained at schools all over the country. The War Department furnishes to each unit an average of twenty or thirty riding horses, including horse equipment, and because of this fact it was possible for the regular army officers sent as instructors to these units after the war to start polo as a means of interesting undergraduates in military work and especially in riding.

NITA NEE DEFEATS CHI OMEGA SEXTET, 31-27

Defeating the Chi Omega's by a score of 31-to-27 in a hard-fought game, the Nita Nee's won the semi-finals of the women's intramural basketball tournament in the Armory Monday night.

At the end of the first quarter the Chi Omega's spurred on by the outstanding playing of Kathryn Fasnacht, led by three points. From the beginning of the second quarter till the finish the score was close, the Nita Nee's through unusual team co-operation and the point-scoring activities of Edmayne Chapman and Esther Frank, forging ahead to win the game by a margin of four points.

The line-up was as follows:
Nita-Nee: Chapman, Fasnacht, Frank, Meyer, Toewe, Lee, Preston, S.C., Bachman, Motter, G., Herman, Chambers, O., Wenner

MUSICAL GROUPS DANCE

A joint dance for the members of the four campus musical societies will be held at the Delta Sigma Phi house tonight. The Campus Owls will play for the dance, which is the first of a series to be given annually by the Louise Homer club, Kappa Gamma Psi, Phi Mu Alpha and Kappa Kappa Psi.

LINKSMEN OPPOSE LAFAYETTE MAY 11

Encounter Swarthmore, Penn Squads May 24, 25 on Philadelphia Trip

Matching strokes with the Lafayette foursome, the Nittany golf team will open the current season here on May 11, according to the schedule released by manager William S. Turner yesterday.

Following the meet with the Eastonians, the linksmen will travel to Philadelphia where they will meet Swarthmore and Penn May 24 and 25. The varsity foursome will encounter Swarthmore on May 24, and meet the Penn squad on the last day of its trip. Final play of the season will be at the intercollegiate matches to be held at the Hollywood Country club, Deal, N. J., June 24 to 28.

The match with Swarthmore will be the first time in history that Lion linksmen face Swarthmore foes. The last encounter with Penn was in 1925, when the Philadelphia foursome conquered Penn State 5-to-1. Lafayette emerged victorious after the fray in Easton last year, winning by the same score, 5-to-1.

To Play Freshmen A series of informal practice matches has been arranged for the varsity candidates to begin with a round against the freshman linksmen at 1:30 tomorrow afternoon.

The golfers will journey to Centre Hills for an informal match on April 27, while the Centre Hills team will play a return game here on May 3. Clinton Country club of Lock Haven will meet the varsity squad here on May 18. Negotiations are under way to complete the informal matches with a meet against the Williamsport Country club on June 1.

Although practice has been held when weather permitted for the past several weeks, the first active competition will be staged with the freshman linksmen tomorrow. Coach Bob Rutherford will select a tentative squad of eight or twelve men to represent the varsity. Leading aspirants are Captain Fritchman, Bunting, captain last year, and Panacion, who also earned a letter on the links last year.

Leonard, Jackson and Murray finished near the top in the all-College tournament last fall and will probably see action in the meet tomorrow. Stoddard, Teas and Day are scheduled to receive the call from Coach Rutherford if he decides to use more than eight men.

Fred Brand, Jr. is the leading golfer among the yearlings. He led the varsity candidates by winning the tourney last fall. Hugo F. Bezdek, Jr. who finished close to the tournament leaders, and Bruce B. Young and Edgar C. Weichel, Jr. will also swing their clubs for the cub linksmen.

LIONS TO OPPOSE JUNIATA BATSMEN

(Continued from first page)

ers to start the game will lie between Fry, Lockard and Stokes with the probability that all three will see service before the close of the contest.

Due to weather conditions practices on New Beaver field have been impossible. Coach Bezdek confined his charges to light workouts in Recreation Hall during the past week.

MORRISON GIVES TALK

Prof. Frank B. Morrison, head of the animal husbandry department of Cornell university, spoke on "Bridging the Gap Between Fundamental Research and Farm Practice" in the seventh lecture of a series arranged by the research staff of the School of Agriculture yesterday.

During the day Professor Morrison conferred with members of the Agriculture faculty concerning their research programs.

Company's Survey Shows Advantage Of High Averages

The boy who graduates from college with high marks is more than twice as likely to acquire a private office and a five figure salary as the chap who skins through down at the foot, according to a nation-wide survey recently completed by the Bell Telephone company.

Investigation was undertaken by the corporation to determine whether high scholarship has a direct relation to business success. The records of 3,800 men scattered through the United States in Bell system offices were the basis of the study.

Of the group whose records were studied, 1600 were less than five years out of college and the remainder were from five to thirty years out. Their records were obtained from 104 colleges and universities throughout the country.

Marks and Salaries

"It is clear," said Mr. Walter S. Gifford, president of the American Telephone and Telegraph company, "that in the Bell system, on the average, men who were good students have done better than those who were not.

"There are of course, exceptions—men who were poor students and are succeeding well and men who were good students succeeding less well—

but on the whole the evidence is very striking that there is a direct relation between high marks in college and salaries afterwards in the Bell system.

"Men who were in the first third of their college classes are most likely to be found in the highest third of their group in salary," he stated. "Those in the middle third in scholarship usually are in the middle third in salary, and those in the lowest third scholastically are in the lowest third in salary."

The results of the two-year investigation of the company's 3,800 college-graduate employees is reviewed by Mr. Gifford in an article entitled,

"Does Business Want Scholars?" appearing in the current issue of *Harpers Magazine*.
