

Nittany Batters Vanquish Orange 7-1, 3-0; Trackmen Trounce Bucknellians

PERFECT FIELDING AIDS IN LION WINS

Fry Checks Orangemen Friday While Lockard, Stokes Repeat Saturday

By faultless fielding the Penn State baseball team earned victories over a Syracuse ball outfit in two games 7-1 and 3-0 on New Beaver field Friday and Saturday afternoons.

Fry pitched the entire game Friday afternoon holding the Orange team scoreless until the sixth inning while his mates gathered makers in the first, third, fourth, and eighth frames. Lockard and Stokes combined to hold the Hill team scoreless in the second contest on the following day, while Nittany runs were scored in the second and fifth frames.

The Lions outdid the Syracuse machine in both contests gathering ten hits in the first game and six in the second while the Orange team was securing six and five safeties, respectively. Lockard and Allen assumed mound duty for the visitors in the first game. Baisley pitched the entire contest for the New Yorkers Saturday.

Lions Win First Game

The Bezdokians started scoring in the first game when a double and three singles by Delp, Dobbelaar, Wolf, and Singley resulted in two Lion tallies in the opening frame. Both teams went scoreless until the third frame when Lockard lost control and walked three successive Penn State batters and allowed Singley to sacrifice bringing in Dobbelaar for the third Lion tally.

Two more runs were added to the Nittany total in the fourth period when Fry doubled and French singled, the pitcher scoring on French's blow. Dobbelaar's sacrifice fly to left field allowed French to cross the plate safely.

The Hill team scored in the sixth when Stoneberg walked and Horowitz and Stevens hit safely, Stevens' blow going for three bases, and scoring Stoneberg and Horowitz. The New Yorkers counted again in the eighth when Stoneberg went to first on an error and scored on Horowitz's one base hit after going to second on the error and stealing third.

Penn State ended scoring in the second half of the eighth. Singley opened for the Lions with a single and stole second and third, scoring when the catcher threw to first to catch Young after Diedrich had walked. Saltzman's one base run allowed the right fielder to count for the final marker of the game.

Second Game

Neither team threatened in the first frame of Saturday's contest, although the Lions pushed over two tallies in the second. An overthrow by Stevens, Hill short stop, allowed Singley to reach second in the last of the inning while Diedrich was passed and Singley stole third. A passed ball by Deming, visiting catcher, allowed Singley to score while Diedrich went to third. Young and Saltzman failed to hit and with Lockard at bat the Nittany right fielder stole home for the second tally.

No scoring was done in the third or fourth frames. Lockard, first man up for the home team in the fifth, connected with one of Baisley's fast balls for four bases the ball rolling under the score board in right field.

Stokes relieved Lockard in the first of the seventh after three men had reached base safely with none out. The new twirler forced Titmas and Baisley to hit to Wolf on third base who threw Stevens and Deming out at home. Hayman fanned to retire the side.

The Syracuse batsmen did not threaten at any time after the seventh while the best the Blue and White could do was a single by Gene Singley, the center fielder going to third on a stolen base and a sacrifice bunt by Diedrich.

GOLFERS CONQUER LOCAL CLUB 34 1/2-0	
Cold Weather, Strong Breeze Keep Scores High During Match on College Course Friday	

Cold weather and high winds kept scoring high as the Nittany golf squad defeated Centre Hills Country club 34 1/2-0, on the College links Friday afternoon.

The lowest score of the afternoon was made by Hugo Bezdok, who made the eighteen holes in 79 strokes. Fred Brand followed with a score of 80. Captain Vern Fitchman remained among the leaders by making his round in 82 strokes.

H L Stuart was leading scorer for the Centre Hills linksmen. His card showed 80 strokes for the eighteen holes.

Ten foursomes competed in the match which was the second engagement with the clubmen. The first encounter was captured by the Lion varsity 22-23, on the Centre Hills Country club links last Saturday.

The Lion linksmen will meet the Lafayette golfers on the College course Saturday for the first inter-collegiate match of the season. Coach Rutherford will be confronted with the necessity of selecting his varsity foursome before that time, for their initial encounter. The three contests held this year were all informal frays, and several foursomes were used in each.

The Syracuse batsmen did not threaten at any time after the seventh while the best the Blue and White could do was a single by Gene Singley, the center fielder going to third on a stolen base and a sacrifice bunt by Diedrich.

TRACK TEAM WINS DUAL MEET 119-16

Runners Take First 3 Places in 7 Events—Musser Heaves Javelin to Record

Winning fourteen out of fifteen events, the Nittany track and field squad overwhelmed their Bucknell opponents in the first dual meet of the season on New Beaver field Saturday afternoon by a score of 119-to-16.

Lion runners took all three places in seven events, first and second in five, first and third in one and first in another. The lone Bison victory came in the high jump.

Shawley and Mobley each registered eleven points to lead in scoring activities. Offenhauser and Bowie followed with ten each. Mackie was the leader for the Bisons with a total of eight markers. Bowie and Offenhauser were the only double winners of the day.

Musser Smashes Record

hurling the spear 187 feet 1 inch through the air, Dan Musser smashed a College record of eight years' standing in the javelin competition. His toss bettered the old mark set by F. N. Emory in 1921 by more than five feet. Steve Hamas was runner-up, with Gittens of Bucknell third.

As in past years, the distance runs yielded many points to the Cartmell-coached runners. George Offenhauser, who has been turning in consistently fast times this year, broke the tape seven yards in front of Chuck Messinger in the mile run in 4:25 2.5. Paul Rekers finished third. In the half-mile, George took the lead at the start and with the exception of a momentary spurt by Bachman, was never headed. He crossed the line in 2:02 2-5 seconds followed by Bachman and King.

Bowie Wins Sprints

Captain Bill Cox outclassed the field in the 2-mile run. He negotiated the distance in the fast time of 9:41 1-5, finishing 110 yards ahead of Detwiler and lapping two men.

Bowie sprinted the century in ten and a fifth seconds. Six feet behind were Stookey, Fullerton and Stark, who sped across the line in that order. Bowie also won the 220 by the same margin, Hidingier taking second and Simpson of Bucknell third. First place in the quarter-mile went to Hidingier, the other positions being awarded to Flemken and Simpson of the Bisons. Hidingier led all the way around the oval to break the tape in 51 seconds.

Morrill Wins Hammer

In the first event of the meet, Mobley topped the high hurdles in 17 3-5 seconds. Stoddard came in three yards behind the leader, with Abernatha of the Lewisburg institution four yards to his rear. Marzucco, Browne and Fullerton recorded a clean sweep in the low hurdles, speeding past the judges 26 seconds after the starting shot.

Red Morrill won the hammer throw with a distance of 148 and a half feet. Cal Shawley gained the runner-up berth with Wadsworth of the Blue and Gold third. Cal heaved the discus further than Geiger and Wadsworth.

SOPHOMORE RUNNERS MEET PLEBE SQUAD

Plebe trackmen will meet their traditional enemies in the annual Freshman-sophomore scrap on New Beaver field at 4 o'clock this afternoon. Class numerals will be awarded to competitors scoring ten or more points.

All 1931 track aspirants are urged to enter, since Coach Cartmell will select his team for the meet with the Pitt cubs Saturday on the basis of today's competition.

of the Bisons, in addition to placing behind Steve Hamas in the shot put Steve tossed the ball 40 feet 1 1-2 inches, while Fisher took the remaining place.

Triple Tie for Pole Vault
Mackie registered the Blue and Gold's only triumph in the high jump with a leap of 5 feet 7 inches. Mobley tied with Ely of Bucknell for second with a height of five and a half feet.

Three Nittany Jumpers, Mobley, La Costa and Osbeck, tied for first in the pole vault, clearing the bar at ten and a half feet. In the broad jump, Blowne led with a distance of 21 feet 5 1-4 inches, Mackie of Bucknell and Mobley gaining the other places.

Freshman and varsity teams will encounter Pitt trackmen at Pittsburgh Saturday. Although defeated by Ohio State, the Panthers will present a strong team for the first time in several years. Coach Cartmell expects a very close meet, with the final result hinging on second and third places.

SENIOR WOMEN SELECT CLASS DAY HONOR GIRLS

Six honor girls, outstanding in student activities, have been chosen by the women of the senior class to participate in the Class Day program to be held in the Schwab auditorium June 17.

Highest honor as bow girl has been awarded to Miss Martha M. Keck who will be given a bow-shaped pin. Miss Helen J. Boyle, slipper girl, will receive a pin the shape of a slipper, while Miss Evelyn A. Stum as fan girl will be presented with a fan-shaped pin.

Miss Agnes E. Geary, class poet, will compose and deliver the class poem. The class song, "Miss Margaret P. Keller," will introduce the other honor girls, telling of their various college activities. Miss Margaret E. Herman was elected mirror girl and will look into the traditional mirror giving the four-year history of the class of 1925.

TRACKMEN ENTER SCHOOLBOY MEET

College Admits 27 Preparatory And High School Teams To Annual Event

With entries from twenty-seven high and preparatory schools already received, prospects seem promising for the largest field ever entered in the interscholastic track meet to be held here on May 18, officials of the affair declared today.

Several changes have been made in the conduct of the meet for this year. The contesting teams will be divided into two classes, Class A for preparatory schools, and Class B for high schools. Previously all teams entered in one class.

The two-mile run has been dropped from the list of events. The record for this event is held by Bill Co., who set the mark when representing Rochester Tech in 1925.

Entries have been received from numerous high schools within the State, including Fifth Avenue of Pittsburgh, Mount Union, Fendale of Johnstown, Berwick, and Ridgway. The high school at Schenectady, N. Y., has also entered the meet.

Six preparatory and special schools have signed for the event. Included in this class will be Kiskiminetas Prep, Wyoming seminary, Shady Side academy of Pittsburgh, and Friends Select school.

TRIO OF WOMEN STUDENTS RANK HIGH SCHOLASTICALLY

Three women rank among the ten highest Penn State students in scholastic standing for the first semester, according to reports from the registrar's office.

Miss Helen L. Geer leads the senior class with an average of 2.95, while the junior class is headed by Miss Florence V. Kraft. Miss Marjorie Hathaway, with an average of 2.8, is third in the class of 1931 and first among the girls of the class. Miss Jean E. Simmons, the highest of the freshman girls, is fourth in her class.

RAIN CANCELS MATCH WITH HOYA COURTMEN

The tennis match with Georgetown, scheduled to be played here last Saturday afternoon, was called off Friday night because of wet courts.

Georgetown netmen arrived in State College Friday, but returned to Washington, D. C., the following morning. This week-end the Nittany netmen will meet Ustinus on the Army courts.

FRATERNITY GOLF TOURNAMENT STARTS

9 Teams Begin Annual Competition For I. F. Trophy on College Links This Afternoon

Nine fraternities will compete for the interfraternity golf trophy offered to the winner of the annual tournament which begins on the College course this afternoon.

In the opening round, Sigma Nu will match strokes with Tau Kappa Epsilon, Phi Kappa Sigma will face Theta Chi, Beta Theta Pi will oppose Chi Phi, and Delta Upsilon will encounter Kappa Sigma. Sigma Alpha Epsilon drew a bye.

The first round must be completed by Friday, the tournament manager announced. Each fraternity will be represented by one foursome which may be changed at the discretion of the captain. No varsity men are eligible for competition.

MANDOLIN CLUB JOINS ORCHESTRA IN CONCERT

A joint concert by the Penn State Symphony orchestra and the College Mandolin club will be presented in Schwab auditorium near the end of May, officials of the organizations revealed yesterday.

Bandmaster Wilfred O. Thompson will conduct the orchestra, while the Mandolin club will be directed by William Simon J. '29, president of the group.

Piper Green Discovers Superior Smoke

Baltimore, Md., Aug. 31, 1928 Larus & Brother Co., Richmond, Va.

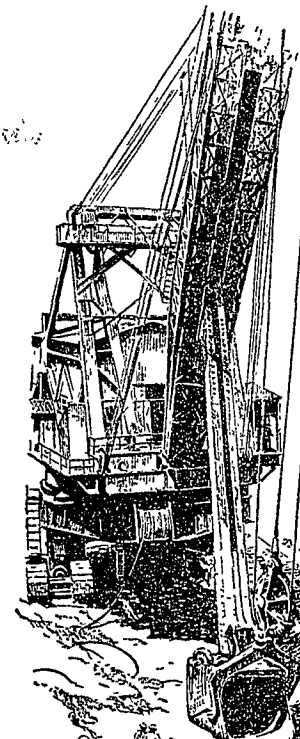

Dear Sirs:
I have used one small box of your extra High Grade Plug Slice Tobacco, and as I have had in my entire seven years of experience as a tobacco user, I find your High Grade Edgeworth to be superior to all others.

There is extra enjoyment in the use of it, which I will make known to my friends and continue the pleasure myself.
Yours,
(Signed) P. F. Green

Edgeworth Extra High Grade Smoking Tobacco

ELECTRICITY—

the modern prospector

A STOUT heart; a burro laden with pick, shovel, and the bare necessities of life; and the prospector was ready for the gold rush—Sutter's Mill, the Pike's Peak country, Cripple Creek, Klondyke. A scattered trail of half-worked claims marked his sacrifices.

To-day mining is a business, with electricity replacing wasteful brawn in mine and mill.

The deep mine, with electric lights, hoists, and locomotives; the surface mine with huge electric shovels scooping up tons of ore in a single bite; the concentrating mill with its batteries of electrically driven machines; the steel mill with its constant electric heat—here are but a few of electricity's contributions to the mineral industries.

So in every industry, electricity increases production and cuts costs. It is the modern prospector, leading the way into wider fields and tapping undeveloped resources—that we may enjoy a finer civilization and a richer, fuller life.

You will find this monogram on powerful motors that drive heavy mining machinery and on tiny motors that drive sewing machines. Both in industry and in the home it is the mark of an organization that is dedicated to electrical progress.
