other divisions of the College; but it was still uncertain whether these could be filled with the sum appropriated for the coming biennium.

"While the new funds will not permit great expansion in the work of the institution," continued the executive, "it will go a long way toward strengthening our organization, renewing our equipment, and bettering and somewhat extending our physical plant."

"Certainly," President Hezel concluded, "the buildings to go up during the coming two-year period will add tremendously to the physical plant and make a great advance to the realization of a beautiful campus."

TRACKMEN ENGAGE PANTHERS AT PITT

turned in a quarter-mile under 49 seconds in the Ohio State meet. He is a strong favorite to turn in three wins tomorrow.

Bowie, Stookey, and Fullerton will compete against him in the 100-yard dash, while the first two men and Hiding will run in the 220. Hiding and Flenniken will enter the quarter-mile.

The Lions have a strong chance to repeat last year's clean sweep in the 800-yards, mile, and two-mile. Offenhauser in the half-mile and Coy in the two-mile are favored to break the tape. Bachman in the half, Rekers in the half and one mile, Meisinger in the mile, and Detwiler and Bass in the two-mile complete the Nittany entries in the distance runs.

Knobloch of Pitt has been running the high hurdles consistently under sixteen seconds. McDowell, who has recovered from his back injury, Mobley, and Stoddard will start for Penn State, while in the low hurdles Marzocco, Biowne, and Fullerton will compete.

Experts concede both the pole vault and hammer throw to Pittsburgh. Vic Pickard, Canadian Olympic team member, has vaulted over thirteen feet, while Don Gwinn has tossed the hammer more than 160 feet. For the pole vault Coach Cartmell has Mobley, La Costa and Osbeck and for the hammer Red Morril, Shawley, and Herr.

Dan Musser should have little difficulty in annexing the javelin throw. He will compete with Shawley and Hamas against the Pitt representatives. Shawley is also scheduled for the discus while Hamas and Herr will put the shot. Fisher in the shot put, Mobley and La Costa in the high jump, and Mobley, Browne, and Fullerton in the broad jump complete the Nittany entry list.

Different and better Bran Flakes

That's what you'll say when you taste Kellogg's Pep Bran Flakes. More appetizing crispness plus the famous flavor which only PEP can give.

Just the cereal to keep you fit for study and college life. You get the nourishing elements of the wheat. Just enough bran to be mildly laxative. Ask for them to be served at your fraternity house or campus restaurant.
