LACROSSE TWELVE TO ENGAGE ARMY TEAM TOMORROW

Lion Stickmen Will Encounter Cadets at 4 O'clock on New Beaver Field

WEST POINTERS' RECORD SHOWS SINGLE SETBACK

Nittany Offensive Improves as Ken Shaffer Returns to Attack Position

Heralded as one of the country's outstanding lacrosse teams, Army's formidable stickmen will invade a territory unfrequented by Cadet warriors when they encounter the Nittany twelve on New Beaver field at 4 o'clock tomorrow afternoon.

Victorious in all but one engagement, Army will endeavor to continue its winning streak at the expense of the Paul-coached outfit, while a decision over the Cadets will brighten the Lions' record considerably. A veteran University of Maryland twelve conquered the academy team 6-to-2 to register the Cadets' only loss.

Dartmouth, humbled by Penn State 7-to-5 crumpled under the Army attack, 11-to-1. Hobart, conqueror of Cornell, was downed 10-to-0 while Colgate fell 6-to-0. Unable to stem the onrush of the Cadets' powerful scoring machine, Swarthmore's stick welders fell, 8-to-2.

Practically the same team that lost to Cornell in last Saturday's upset will endeavor to redeem itself tomorrow. Ken Shaffer, who was injured in the contest with Western Maryland, will strengthen the Lion offense at the first attack position, which he relinquished three weeks ago.

Chick Lee or Bud Kaiser will defend the Nittany goal, with Steve Hamas at point. The cover-point assignment remains a toss-up between Fred Perella, Tiny Cranmer, and Miller Johnny Priser and Brown are fighting it out for the first defense assignment, while Skip Stahley will start at second.

Army Attack Powerful

Either Koth or Saremski will play third defense while Joe Weber will fill his regular center position on the Nittany machine. Antonson and Koth are the two third attack possibilities. Anderson or Antonson will be available if Shaffer cannot start at his first attack post. Ray Carlson at second attack, Shaffer or Ken Kaiser, out-home, and Captain Ted Torok at in-home complete the Nittany line-up.

Goldberg, veteran Cadet stickman, will start at goal for Army in tomorrow's battle, with Hammack, stellar wrestler, at point Zimmerman will occupy the cover-point assignment.

Sundt will oppose Weber at center, while Ayre and Vanderhoef will join with Sluden, at the attack positions, in threatening the Lion goal. Draper and O'Keefe will be paired at out and in-home posts respectively. In the contest with Swarthmore both scored three goals.

Tomorrow will be the first time Army lacrosse men have ever played at State College and the second encounter between twelve representing Army and Penn State. Led by Captain Harry Wilson, former Lion luminary, the Cadets swept to a decisive 8-to-2 victory over the Nittany twelve last year.

With wins over Western Maryland and Dartmouth balancing losses suffered at the hands of Navy and Cornell, the result of the battle will determine the season's standing in intercollegiate contests. The last game of the season will be played with the Onondaga Indians June 15.

SENIORS COMPLETE GRADUATION PLANS

Rev. Edward A. Steiner To Give Baccalaureate Sermon in Schwab Auditorium

Complete plans for Penn State's sixty-ninth annual Commencement Week from June 14 to 18 were announced in a statement issued from the President's office Wednesday afternoon.

Activities for the first two days of the five-day program relate largely to the undergraduate student body. From Sunday until the end of the observance special arrangements have been made for entertainment of returning alumni and former students.

Further expansion of the College will be discussed at the annual meeting of the Board of Trustees in the President's office Saturday afternoon. At the same time election of Trustees for next year will be held.

The curtain will close on the week's events with Commencement exercises in Recreation Hall at 10 o'clock Tuesday morning. The Hon. John A. Keith, superintendent of public instruction for the State, will address the graduating class.

Formal dances at various fraternities houses Friday night will open the week-end program of events. Fraternity social functions will continue on Saturday and close with informal dances at the houses that night.

Baccalaureate services will be observed Sunday at a special chapel service in Schwab auditorium. The Rev. Edward A. Steiner of Grinnell college, Iowa, will give the sermon. Special music will be arranged by Director Richard W. Grant of the music department.

Blue Band To Play

Class reunions will be held Sunday and Monday, while the senior class day exercises will be conducted in Schwab auditorium at 9 o'clock Monday morning. The parade of classes to New Beaver field and class stunts will be given in the afternoon.

Alumnae of the College will hold a luncheon in University club Saturday noon, while alumni are competing in a golf tournament on the College course. A special reunion for the class of '11 will begin that morning with a parade around town.

The lacrosse team will end its season Saturday afternoon when it faces the Onondaga Indians on New Beaver field. "H. M. S. Pamore," Gilbert and Sullivan operetta, will be produced by the Thespians and the combined glee clubs in the Auditorium that night.

Sunday's events will include the baccalaureate service, band concert, vesper service, and special music. The Blue Band will play in the afternoon, while the vesper service will be conducted by the religious organizations at 6:30 o'clock. A meeting of the Alumni association will be held in Old Chapel Monday morning, followed by a luncheon on the campus for alumni, faculty, graduates, and visitors. The sports program will close with a baseball game in the afternoon between two alumni teams.

Social activities will close with the Commencement reception and dance that night. Previous to these events, the Players will stage their annual graduation show in Schwab auditorium.

The class of more than 600 students who expect to graduate, is one of the largest groups to complete four years of undergraduate work at Penn State and receive degrees. Officials expect to entertain more parents and alumni than ever before in the history of the College.

1932 MEN TO PAY FOR MAY 1 DAMAGE CLAIMS

The Student Board, executive body of the Student Council, authorized payment of bills for damage done on the night of May 1, during a student demonstration, in a letter to Neil M. Fleming, graduate manager of athletics.

The total sum amounting to \$295.57, will be deducted from the R. O. F. C. uniform fund of the class of 1932, the letter revealed.

11 LION TRACKMEN ENTER 7 EVENTS IN IC-4A CONTEST

Compete Against 600 Entrants On Franklin Field Today And Tomorrow

COX, OFFENHAUSER RUN LAST RACE FOR COLLEGE

Experts Favor Offenhauser in Mile-Cox Threat for 2-Mile Title

Eleven Lions will represent Penn State in seven events at the fifty-third annual Intercollegiate track championships on Franklin field today and tomorrow in the final competition of the season.

The trackmen will vie with more than six hundred runners from thirty-one of the leading colleges and universities of the East and West. Four champions are scheduled to defend their crowns in five events. Kronz of Stanford in the shot put and discus, Nichols of Stanford in the high hurdles, Edwards of N. Y. U. in the half-mile, and Kieselhorst of Yale in the low hurdles event will attempt to repeat last year's victories.

Captain Bill Cox will lead the squad into action for the last time. The Lion leader was formerly indoor and outdoor mile titleholder, as well as possessor of two consecutive cross country crowns.

Offenhauser Enters 2 Events

Bill will stage a determined campaign to recover his honors in the mile and 2-mile events tomorrow. He is regarded as one of the favorites in the longer run, and is a strong possibility to finish in one of the five scoring places in the mile. Over the 2-mile distance he will again meet Montgomery of Penn. Best of Harvard, last year's outdoor champion, and Hagan of Columbia, indoor titleholder, old rivals of the cross country course.

George Offenhauser, who will also represent Penn State for the last time, is the strongest individual Nittany threat. Coach Cartmel has entered Offenhauser in the half-mile and mile runs. George is the outstanding favorite in the mile and is expected to furnish the greatest obstacle to Phil Edwards, successful defense of his crown in the 880.

At the meet last year, Offenhauser placed second to Edwards in the half mile. In the indoor meet this winter he finished third in the mile. George has improved steadily and is at present displaying the best form of his career.

Messenger Enters 2-Mile

In registering a 4:16 1-5 mile in the Syracuse dual meet Saturday, Offenhauser tied in the fourth fastest time ever recorded by collegiate trackman. On the basis of this performance, he appears to be at least three seconds faster than any of the other entrants. His principal opposition will come from Bill Cox, Hickey of N. Y. U., indoor champion, Carter of California, and McKinnon of Stanford.

Chick Messenger, lengthy two-miler, is another potential scolar for Coach Cartmel. Messenger crossed the line in third position in the indoor IC-4A.

Dr. Z. B. Phillips, rector of the church of Epiphany, Washington, D. C., who had been secured to deliver the regular address, has declined because of ill health.

BATTERS OPPOSE OWLS TOMORROW

Encounter Temple Machine in Season's Final Game on New Beaver Field

Intent upon closing the home season with a victory, the Nittany baseball team will oppose Temple batsmen on New Beaver field at 2 o'clock tomorrow afternoon.

With but three defeats registered against them this year the Owl machine should offer strong opposition to Coach Bezek's team. Lafayette, Tufts, and Bucknell have defeated the Philadelphia team. Dickinson, Dartmouth, Muhlenberg, Quantico Marines, Georgetown, Hampden-Sidney, Schuylkill, and the Penn Athletic club have fallen before the Owl attack. The 7-to-2 victory over Dartmouth was one of the two defeats which the Big Green team has suffered this year.

Bonner will probably play first base for the visitors with Rowan at the keystone sack. Captain Pete Leanness will perform at the third base post with Rambone at short stop. Shultz behind the bat will complete the Owl inner defense.

Godfrey will perform in left field with Wearning in center and Young in the right garden. Bob Cooper, Temple ace, will probably face Lion batters from the mound.

Lion Team

Coach Bezek will start the same line-up against the Owl batters that was successful against Muhlenberg last week. Young will be on first with Jack Livezey at second and French and Wolf at short and third respectively. Salzman will be behind the bat. Delp, Singley, and Dietrich in the outfield. Fly, Lockard, and Stokes will be ready for the twinning assignment with the probability that Fly will be chosen for duty.

The game with Temple tomorrow will mark the last home appearance of Captain George Delp, Gene Singley, Allie Wolf, and Bill Dobbela in Lion uniforms. The season will French and Wolf at short and third respectively. Salzman will be behind the bat. Delp, Singley, and Dietrich in the outfield. Fly, Lockard, and Stokes will be ready for the twinning assignment with the probability that Fly will be chosen for duty.

The part of the villain, General Northrup, will be taken by Jesse McKnight '31, who appeared last as "Hap" Huxley in "Is Zat So?" Howard Cashdollar '30, another member of the cast, previously appeared in "A. J. P." as did Robert E. Muller '31 and Philip Epstein '32.

BOARD VOTES FOR DISCONTINUANCE OF ANNUAL 'Y' COURSE

Decrease in Student Interest Causes Action, States Mr. Seamans

EXECUTIVES TO INSTALL FULL-TIME SECRETARY

Directors Elect Ralph L. Watts President, Prof. Keller Vice-President

Discontinuation of the annual Y. M. C. A. winter entertainment course was decided upon by the Penn State Y. M. C. A. board Monday afternoon.

The action was a result of the apparent lack of interest in supporting the course on the part of the student body, according to Mr. Harry W. Seamans, secretary of the board. The resolution was made in the form of a joint recommendation by the board and the student cabinet.

Y. M. C. A. officials hope to bring several special entertainment numbers to Penn State next winter in place of the annual course. It is hoped that numbers of general interest to students may be secured. No season tickets will be sold.

Elect Directors

The board decided also to install a full-time associate secretary for the Penn State "Y." The new official is to have full charge of the freshmen and sophomore cabinets. No action has as yet been taken to secure a man to fill the position.

Election of members for the Board of Directors was also held. Prof. Russell B. Neglist, Mr. Adrian C. Morse, Prof. Chesleigh A. Bonne, Prof. Carroll D. Champlin, Prof. Julius E. Kauffuss, Prof. William V. Dennis, Prof. Harold S. Newsins, and Mr. Harry W. Seamans are newly chosen members of the Board.

Dean Ralph L. Watts, Dr. Stevenson W. Fletcher, Prof. J. Orvis Keller, and Dr. Irving L. Foster were re-elected to membership. Dean Watts was chosen president of the body with Prof. Keller vice-president and chairman of the finance committee. Mr. Seamans was elected secretary of the group while Dr. Foster was chosen treasurer and Dr. Fletcher assistant treasurer.

An effort is being made to increase the membership of the board. Three students will be added to the board upon nomination by the senior council of the Y. M. C. A.

GRANGE ARRANGES DORM DEDICATION

State Organization Will Celebrate Completion of New Building For Women in August

Dedication of the New Grange Memorial Dormitory for women will be held in August, according to information received from Mrs. William D. Phillips, a member of the board of trustees.

Ms. Phillips, who is a member of the Home Economics Committee of the State Grange, has worked throughout the State in obtaining funds for the building. It is largely through her efforts that many women's clubs and Grange organizations contributed to the dormitory fund. Mrs. Phillips broke ground for the building during Farmers' Week last June.

Of the one hundred and two students who will be housed in the building, the majority will be upperclassmen. Selection of rooms was made Tuesday night, senior and junior women being given first choice. Sophomores will find homes in Women's building and freshmen will be assigned to McAllister hall.

The corner stone of the building was laid recently without ceremony.

INDUSTRIES GRANT COLLEGE \$16,000 FOR FELLOWSHIPS

3 Concerns Donate Annual Sum To Maintain Chemistry, Physics Research

DR. FRANK C. WHITMORE WILL DIRECT PROGRAMS

New Dean Plans Establishment Of Organic Chemicals Laboratory

Fellowships amounting to more than \$16,000 annually have been granted to the School of Chemistry and Physics for research work, by various industrial concerns.

Dr. Frank C. Whitmore of Northwestern university, who will assume duties of dean in the school next semester, will direct the program. The true co-operation of Johnsburg has established a fellowship in the physics department for investigation of radio reception and the scientific principles governing the design of radio tubes.

College trustees have appointed Mr. Harry L. VanVelzer to this position. Mr. VanVelzer came to Penn State in 1926 following a period of research work in the laboratories of the General Electric company. He received his B. S. degree from the University of Kansas in 1920 and his M. S. degree here last June.

Establishes Special Fellowship

The Inflowax corporation of New York City has established a fellowship in the department of chemistry for the study of organic chemical materials. The fellowship was formerly at Northwestern university, and its holder is being transferred to Penn State. He is Mr. Robert W. Beattie who received his B. S. and M. S. degrees from Queens university of Toronto, Canada.

In addition to these fellowships, the Rhem and Haas company of Philadelphia has established a special research fund for the support of a number of researches under the direction of Dean Whitmore. Four research chemists have been appointed by College trustees to carry out this work.

Dr. Ralph W. McGrew, who received his B. S. and M. S. degrees at the University of Nebraska and his Ph. D. degree at Northwestern university, will direct the work in this post. Three assistants, Mr. M. S. Layton, Mr. D. H. McQueen and Mr. John D. Pickens, graduates of West Virginia university, will aid him.

Dean Whitmore plans to establish a laboratory for the manufacture of organic chemicals which will be needed in his research work. These are required by research men in other universities but because of their cost are not commercially available.

A staff of advanced students and chemists will be employed to manufacture these compounds which will be sold to other universities at cost. The expenses of this laboratory have been undertaken by the Research Corporation of New York City.

With the granting of these fellowships, College officials foresee one of the finest and most modernly equipped laboratories in the East for Penn State. Attempts will be made to improve the status by interesting other concerns in the work.
