

# Gridmen Oppose Niagara In Opening Engagement

## Untried Nittany Eleven To Battle Visitors At 3:00 O'clock

(Continued from first page)

A flashy backfield combination will face the Niagara gridmen with Coop French at quarterback, Yutz Dieckrich and Jack Liverey at the halfback posts and Lasech at fullback. French's timely return to the squad during the early part of this week has added experience and speed to the array of ball carriers.

Lasech has developed rapidly during the pre-season drills and has become one of the best punks in totes on the squad. His plunging ability has been especially pronounced in scrimmages this week.

Niagara Line-up  
Dieckrich and Liverey have been performing in satisfactory fashion during the practice scraps, both displaying speed and elusiveness. The quartet of ball carriers are all proficient in both passing and kicking as well as carrying the ball.

Coach Bezek has a wealth of material with which to supplant the first string line. Eschbach, Venecoso, Panna, McMillen, Saltzman, and Matz are all ready to step into the line-up in case they are needed. Cal Shawley will not be in shape to take part in Saturday's game.

Snyder, Thomas, Hayes, Evans, and Captain Jack Martin will be ready to answer a call to fill one of the backfield posts. Martin has been filling the second team fullback position with ability and probably will see service in the encounter with the Purple aggregation.

With a trio of backfield veterans as the nucleus for the Niagara attack, Coach Hockett is reported to have developed an exceptionally fast team. Besides the three ball carriers, seven veterans have reported to the squad for the first drills.

Lipan and Labonte will play the wing posts for the New York army. Labonte was a member of the championship 1928 eleven, while Lipan has come to the varsity from last year's freshman team.

Bernardo and Griffin will receive the call for the first string tackle positions, while Walsh and Ryan will hold down the guard posts. McCarthy

McCarthy, Griffin, and Walsh are they will be at the center assignment experienced linemen.

Captain Quigley has been assigned to the quarterback position with Collins and Corrado at the left and right halfback posts, while Sneider will handle the fullback berth when the opening gun barks. Captain Quigley, Collins, and Corrado have seen service on former Niagara gridiron machines and Sneider came to the varsity from last year's plebe eleven.

White jerseys with blue numbers on front and back will distinguish the Nittany gridmen when they step upon the field for the first time tomorrow. Brown headgear will be used.

It is planned to use blue pants during the season although the mole-skirts have not arrived in sufficient numbers to warrant their use in tomorrow's game. White and blue jerseys will be used to contrast jerseys of the opposing team. The purple uniform of the Niagara team necessitates the use of white garments by the Penn State team tomorrow.

## PENN VARSITY DEFEATS RESERVES IN PRACTICE

Defending its goal line from repeated scrub team attacks, Penn's varsity punks today displayed remarkable defensive ability in a practice scrap on Plum field yesterday.

Rosenbloom, plunging back of last year's eleven, was the only reserve ball carrier to penetrate the varsity defense. He repeatedly dove through the line for short gains and scored the scrub's only touchdown.

## MAROON AND ORANGE TO PLAY HERE IN 1930

Colgate and Syracuse will be the major home games of the 1930 football season with Bucknell, Lafayette, Pennsylvania, and Pittsburgh being met on foreign gridirons, according to a tentative schedule released by Neil M. Fleming, graduate manager of athletics, yesterday.

Penn will be met in Philadelphia November 25, while Colgate will be played on the home field October 25. The game with Bucknell will be the first game with the Lewisburg team which the Lion gridgers have played away from home.

## HARRIERS TO RUN TRIANGULAR RACE

15 Candidates Report for Workouts On Course—20 Plebes Fight For Yearling Team

Lehigh harriers will join the Lions and the New York University squad in a triangular meet over the Van Cortlandt Park course in New York City October 19, Coach Nate Cartmell announced yesterday.

The meet had originally been planned as a dual match between the Nittany and Violet runners on either October 19 or 26. Since less than a month remains before the meet, the opening contest of the season for the Nittany runners, Coach Cartmell expects the regular course to be shortened to about four and a half miles.

Freshmen Report  
Fifteen varsity candidates are engaging in the light workouts over the freshman course. Among these are Captain Ratcliffe, Chuck Meisinger, Dick Detwiler, Paul Rekers, Luke Connor, and Ralph Robinson, all of last year's squad.

A squad of approximately twenty plebes has reported to Coach Cartmell. Two engagements have been scheduled for the 1933 team.

In the first of these the Lion cubs will clash with Pitt here November 9, while the second is the championship meet over the Van Cortlandt Park course.

## SOCCERMEN START DAILY SCRIMMAGE

Varsity Booters Begin Pre-Season Drills—Freshmen Respond to Coach Jeffrey's Call

Holding their first scrimmage session, the varsity soccer squad swung into active pre-season drills on the College links practice field Tuesday night.

Although the opening practice scrap was of only fifteen minutes duration, the scrimmage was lengthened to forty-five minutes on Wednesday and last night. Inexperienced booters were kept at fundamental drills for the greater part of the sessions.

Aiming to perfect ball control by his veterans, Coach Jeffrey emphasized dribbling together with other advanced drills for his veterans. The booters' mentor devised a system of stakes which were used to represent opposing lines and backfield.

Freshmen's response to Jeffrey's call for candidates yesterday forecasts a wealth of material available for future varsity-plebe scrimmages.

## VETERANS TO PLAY ON VALLEY GRID MACHINE

Although Lebanon Valley has never been able to record a victory over Penn State in thirteen previous meetings and has scored in only three of these games, Coach Bezek's eleven may look for no "set-up" from the Annville team next Saturday. Last season Coach "Hooks" Myhn's

team was made up largely of freshmen, and only four seniors were graduated last June. With seven of his starters still available, it is probable that Myhn will place a strong team in the field.

## BEGINS NIGHT DRILLS

In order to put finishing touches on the Syracuse grid team for the initial scrap with Hobart, prepara-

tions have been made for night practice with the installation of floodlight overlooking the practice field. The Orange machine has been showing marked improvement in recent practices and Coach Lew Andrews hopes to have the team rounded into perfect shape for the 1929 opener.
