

Soccermen Hold Indoor Practice

Forwards Debonis, Dutton, and Goalie McKune Return For Workouts

Resorting to the first indoor drill of the season because of inclement weather, Coach Jeffrey's drive to whip the varsity booters into shape for the opening game with Haverford on October 19 progressed slowly this week.

Abstaining from work-outs and lengthy scrimmages temporarily, the Lion soccermen skipped rope and went through a mock scrimmage on the gym floor pending dry grounds.

With the return of Dutton and DeLams, experienced forwards, and McKune, former plebe goalie, the squad was organized in definite eleven comprised of leading candidates.

Full backs Harvey, Allen, and Hutchinson are battling for berth with Henszey constantly threatening to break into the opening line-up.

Lions to Oppose Valley Gridders

Penn State machine The tackle berth will probably be occupied by McMillan and Reiker, while Cal Shawley will probably break into the line-up for the first time this year before the close of the contest.

Tom Curtis and John Zorella will start at the guard posts for the Becklams with Marty McAndrews at the pivot position.

Yutz Diederich and Jack Livercy will fill the halfback positions for the Lion attack with Judy Lisch filling signals from his fullback assignment. Cooper French has been shifted to a halfback post and will probably be sent into the line-up before the closing gun.

Varsity and reserve teams have been waging hectic battles during scrimmages and it is possible that still further shifting of the line-up may occur before the teams go into action tomorrow.

Lebanon Valley Line-Up The three-year men in the Annville combination will be a veteran one. Captain Zappia, Albright, and Nye, all experienced ball carriers, have returned to

Old Gold tobaccos are naturally good...they do not require "artificial treatment". When meat or fish or fowl has to be made good by artificial flavoring or sauces, let your stomach beware! Beware, also, of tobaccos that have to rely on "artificial treatment." OLD GOLD tobaccos are naturally good; made honey-smooth and free of "throat scratch" by Mother Nature herself. By the "violet rays" of natural sunshine... not by artificial treatment. More than three million smokers have changed to this smoother and better cigarette. No other cigarette ever won so great a fan-family in so short a space of time. Try a package... and you'll know why. Better Tobacco make them smoother and better... with "not a cough in a carload".
