

# Lions Defeat Lebanon Valley Gridmen, 15-0; Boxers Announce 1930 Schedule

## CROSS LINE TWICE DURING FIRST HALF

### Anville Wall Stops Penn State Advance in Final Period Of Annual Game

Twice repelled on the verge of touchdowns in the second half, Penn State's football team won a meagre 15-to-0 victory over Lebanon Valley's grid machine in a hotly-contested encounter on New Beaver field Saturday afternoon.

A pair of touchdowns in the first half and a safety in the second accounted for the Lion score. Plunging through center with the ball on the 2-yard line, Judy Lasch pushed the first counter across Lebanon Valley's scoring mark while brilliant brother scoring running by Coop French after receiving a pass from Yutz Dieckrich.

The Lebanon Valley team threatened to score only in the third quarter when a determined drive brought the Anville machine to Penn State's 20 yard stripe. The Valley team lost possession of the ball, however, when three successive forward passes were grounded by Lion gridmen.

Though unable to score in the second half, the Nittany team made repeated drives down the field only to lose the ball when the Lebanon Valley line stiffened and held the Berkeleians to downs. Twice the Lions carried the ball within the Anville 5-yard line but lacked the punch to place the oval past the scoring stripe.

Although he failed to cross the goal line Yutz Dieckrich was Penn State's most consistent ground runner. He repeatedly broke through the Lebanon Valley line for long gain. Johnny Zorella's consistent playing made the speedy guard the majority of the Penn State forward wall. Smashing through the opposing line, he several times broke up Lebanon Valley plays, throwing Anville back for losses.

A powerful forward passing attack marked the attempts of the Anville gridmen to cross the Penn State goal line, their most consistent gains however, being made on straight line plunges. Daub, Light, and Boyer were the most powerful of the Anville ball carriers. Daub showed on both offensive and defensive plays. The Albright-to-Swope forward passing combination proved one of the visitors' most dangerous threats.

Receiving the ball on their own 15-yard line in the first quarter, the Nittany team began its first scoring drive. With Dieckrich, Lasch, and Lively carrying the ball the Penn State machine swept down the field to Lebanon Valley's 2-yard mark from which Lasch tore through the line for the first score. Yutz Dieckrich made the score 7-to-0 by booting the ball between the goal posts for the extra point.

Dating through the Anville secondary defense in the second quarter, Coop French brought Penn State its

## FORMER Lion Gridman Luminary Shines in Sunday's Contest

HARRY WILSON

Harry Wilson, former Penn State football luminary, was the outstanding ground-gainer in the 57-to-0 victory of the Amber Collegians over the Olympian A. of Philadelphia Sunday afternoon.

Wilson scored two touchdowns and two goals after touchdown. After leaving Penn State, he played for the Army, receiving all-American mention several times during his eight-year grid career.

The Lions received the ball on their own 45-yard line but failed to penetrate the Lebanon Valley defense in several attempts. After replacing Jack Lively at the halfback post Coop nabbed a pass from Dieckrich and ran across the goal line to bring the score to 14-to-0. Dieckrich missed the punt.

The final Nittany score came in the third quarter after a determined offensive had carried the oval to within one foot of the goal where the Anville defense tightened and held the Lion gridmen for downs. Bowman's luck from behind the goal line was blocked by Johnny Zorella, the ball rolling out of bounds after Bowman had made an unsuccessful attempt to recapture the elusive oval, adding two points to the Penn State total to bring the final score to 15-to-0.

With but one 15-yard penalty and two 5-yard penalties chalked up against them, the Lion team displayed coordination vastly improved over the form shown in the encounter with Niagara last Saturday.

## RINGMEN TO MEET NAVY HERE MAR. 1

### Engage Georgetown in Opening Contest—Face N. Carolina Mitt Team Feb. 22

For the first time since 1925, a Navy boxing team will appear for dual meet competition in a Nittany Ring Match 1, according to the boxing schedule released from the Athletic association office yesterday.

If Penn State succeeds in founding the Navy crew this year, it will be the first time in the boxing history of the Academy that this feat has been accomplished. Three ties one with the Lion mitt team and two with Yale, are the only blemishes on an otherwise perfect record.

Georgetown is slated to open the boxing season here January 28. In the meet at Georgetown last year the Blue and White ringmen were victorious by a 4-to-1 score.

To Meet North Carolina Away Dick Harlow's Western Maryland squad is scheduled to appear in the Recreation Hall ring February 15. Penn State's matadors emerged on the long end of a 4-to-3 count when they opposed the Green Terrors last year.

As their first meet away from home Harlow's battlers will oppose the University of North Carolina February 22. This will be the first time Penn State has ever faced North Carolina in athletic competition.

The University of Pennsylvania squad which was defeated by the Lions, 5-to-2, last year will provide opposition in the Palestra at Philadelphia March 8. Syracuse also one of the Nittany victims of the past season will be met at Syracuse in the last dual meet of the year March 15.

To climax the season the Blue and White ringmen will journey to Philadelphia to participate in the annual Intercollegiate tournament March 21. Held here last year the Intercollegiate title was won by the Nittany leather pushers with Navy the runner-up.

## NITTANY HARRIERS ENGAGE IN TEST

### Rekers Leads Varsity Runners Over Short Course—Coach To Hold Meet Trials

After two weeks of jogging and general conditioning work, Coach Nate Cutnell sent his cross country squad through their first test of the season Saturday afternoon. Paul Rekers led the varsity harriers, while Groninger outdistanced the other pluckers.

Rekers, who has been showing marked improvement over his last year's form, topped over the 4 1/2-mile course in 25 minutes 41 seconds. About 130 yards behind came Dick Detweiler, followed in turn by Homer, Captain Ratchliffe, Robinson, Wolf, and Coach.

Chief Messenger, Jan! Lear who finished eleventh in last year's championship, was on the hospital list with a game leg. Chick will probably be in line (training today).

Final trials for the triangular meet with N. Y. U. and Lehigh at New York October 19 will be held Saturday afternoon. Coach Cutnell will probably select his team from the first seven men to cross the finish line.

In registering 15 minutes 51 seconds for the 3-mile freshman course, Groninger turned in a fine early season run. Napoleon, Van Cise, Rymer, Space, and Teroull followed across in good time.

**Turn the light on the Truth!**

It's just naturally good tobacco—not "artificial treatment" that makes OLD GOLD gentle to the throat and better to the taste.

No one cigarette-maker has any monopoly on the heat-treatment of cigarette tobaccos.

For heat-treating is neither new nor exclusive. It has been used for years by practically all cigarette-makers to "set" and sterilize their tobacco.

But OLD GOLD'S goodness does not depend on artificial treatment. It is the product of naturally good tobaccos... carefully selected for mildness, smoothness and flavor. Tobaccos made free of "throat scratch" by Mother Nature herself.

Try a package. You'll immediately get the thrill of this smoother and better cigarette. And you'll know then why OLD GOLD'S sales are ALREADY THREE TIMES GREATER than the combined growth of three leading cigarette brands during a like period of their existence.
