

BOOTERS DEFEAT SYRACUSE 4-TO-0, TIE CORNELL, 1-1

Second String Forwards Prove Able Scorers in Orange Contest Friday

TRAVIS DEADLOCKS REDS IN THIRD PERIOD RALLY

Fast Ithacan Linesmen Battle Tight Nittany Backfield For Stalemate

Flashing offensive strength to tally 4 goals against a scoreless Syracuse eleven, and showing an almost impregnable defense to a threestring Cornell forward line in a 1-to-1 stalemate, the Lion booters added 3 points to their league total in the season's first soccer trip Friday and Saturday. Debonis accounted for two marks in the Orange battle, while Meuselmann and Masters each scored once. Debonis booted a corner dive to open activities in the first quarter and headed the sphere into the net for another count in the third period.

Meuselmann caught a rebounding ball with an accurate toe in the second quarter after Lutz drove one to the Hill goal. Masters' marker in the last period was another headed from a short distance in front of the goal. Coach Jeffrey kept Anderson, Giamma and Travis from the line in the opening play, while Veebeis replaced Edgerton and Hutchison played for Allen in the backfield.

Face Flashy Forward Wall

Skinnell and Tyson also saw service in the Orange encounter and Grupp substituted for Strubin in the last quarter. Tyson, the sophomore line-man, performed creditably in his first varsity contest. Debonis tallied twice on passes from the second-string forward.

Using the strongest eleven available for the Beas battle, Coach Jeffrey started the soccermen that faced Havard. Early in the third period, Brown, outleft broke the scoreless deadlock. Travis scored the Nittany goal in a rapid comeback a few minutes later on a kick across the field from Anderson.

Although devoid of scores the remainder of the game was close and exciting. The Bears' forward wall proved to be the finest offense to face the booters in the past two campaigns, and on many occasions a string duel arose between the Nittany defense and the flashy forwards.

Fay, the Cornell outright who is a star from Siam, Hall, South African center forward, who learned soccer at Rugby college in England, Cayalho, clever Spanish inleft, as well as Captain Bessmer at inright contributed to the rapid forward advances.

In spite of the snappy Beas line drives, the Nittany forwards kept the ball in Cornell territory a large part of the time. Harvey and Allen gained ground in exchanges to send the sphere deep into Red ground.

HOPE TO PROMOTE CHEERING

Believing that there should be more cheering and less gossip at football games, authorities at Ohio university, Cambridge, Mass., have decreed that the men and women no longer may sit in the same stands. An occasional wave of the hand or shout will be the only means of greeting after the two groups have assembled at the game.

STUDENTS CARRY WAY FROM GRIDIRON IN 1917

Charlie Way, star Nittany back in 1917, was the last football player to be carried from Beaver field for sensational playing before Yutz Diedrich and Coop Fieneh completed their spectacular lateral pass Saturday, in the memoir of Neil H Fleming, graduate manager of athletics.

Way, by completing a thirty-yard run for a touchdown in the last minute of the game with West Virginia Wesleyan in 1917, defeated that team by the score of 8-to-7.

DIEDRICH STARS IN GRIDIRON VICTORY

(Continued from first page)

After several attempts to gain ground through the Nittany forward wall had failed, Cook dropped back from his position at right tackle for a placement kick. His toe sent the ball twirling through the goal posts from the Penn State 35-yard mark.

Neither team was able to gain consistently through the opposing line. The Lafayette team never threatened the Nittany goal line, their closest approach being made in the first quarter when Captain Sherwood recovered Judy Lasch's fumble on the 19-yard marker. The fumble placed the Maroon team in position for Cook's placement kick. Although unable to penetrate the Lion defense for more than a single first down in the opening half, the onslaught of the Maroon backs accounted for six first downs in the second.

Lion Drive Fails

The Nittany backs outgamed the Lafayette ball-carriers in the first half but failed to hold their lead in the second period. Seven first downs were registered by each team during the contest.

Only once during the game did the Lion backs carry the ball without scoring distance. A drive in the last quarter carried the pigskin from their own 34-yard stripe to the Maroon 13-yard stripe. A successful pass from Diedrich to Fieneh over the goal line was disallowed when the officials ruled that Diedrich had tossed the pigskin when less than five yards behind the line of scrimmage. The play gave Lafayette the ball on downs.

The Nittany team completed three forward passes out of eleven attempted throws. Three tosses were made by the Easton array none of which were successful. For the first time this season the Penn State team completed the game without a substitution. An Alumni Day crowd of 15,000 witnessed the gridiron contest.

HERMANN NAMES YEARLING VARSITY

Freshman Mentor Picks Plehe Team Following Lengthy Training Season

Following one of the longest training seasons a freshman grid squad has ever undergone, Coach Dutch Heermann selected the yearling varsity at the conclusion of practice Friday.

Hook, Sharpville high, and Meredith, Wyoming seminary, have won the end assignments. Shields, Bethlehem high school and Guelch of James Madison high, Brooklyn, N. Y. are the first-string tackles with Hattley, Elkland high, and Flood, Athens luminary, holding down the guard posts.

To Play Third Team

Grimshaw, Staunton Military academy completes the prospective forward wall. In the backfield, Ott, Kivki, is quarterback while Hogue, speedy back from National Farm school, will take care of the fullback assignment. Nebel, of McKinley Tech in Washington, D. C. will pair with Smith, Clayton high, or Irwin, Lafayette, at the halfback positions.

PRINCETON PLEBES PREFER LETTER TO PHI BETA KAPPA

More than half of the freshman class at Princeton university this year prefer a varsity letter to a Phi Beta Kappa key, according to the results of the annual questionnaire given to yearlings at that institution.

A majority of the freshmen do not smoke or drink, the results prove.

'FINAL PLAY UNIQUE,' SAYS COACH BEZDEK

"I have never before seen or heard of a lateral pass being made on a punt and I believe that the play will go down in the books," Coach Hugo Bezdek, Penn State football mentor, remarked while commenting on the successful pass to Diedrich executed by Coop Fieneh which allowed Diedrich to make his sensational sixty yard run with the winning score Saturday.

"Several such passes have been successful on the kick-off, however," the coach continued. He described such a pass completed between himself and Walter Eckersoll while the two luminaries were playing for the University of Chicago.

SOPHOMORE GIRLS WIN CO-ED HOCKEY CONTEST

Defeating the seniors 1-to-0 in a hotly contested game, the sophomore girls won the first game of the women's interclass tournament on Helmes field Thursday afternoon.

Both teams fought hard from beginning to end, the single point scoring being made in the second half by Marie E. McMahon, sophomore left wing. The seniors came within scoring distance several times but the latter were successfully combated by the sophomore goal guard, Josephine T. Lees was the outstanding player for the seniors, her defensive work being an important factor in stopping the advance of the sophomores.

ZUPPKE DENIES RUMOR WILSON SCOUTS ILLINI

Brands 'Ridiculous' Charge Former Lion Spies From Plane

Coach Bob Zuppke, of the University of Illinois, branded as ridiculous the rumor that Lighthorse Harry Wilson, former Penn State and Army luminary, had been assigned to the Chamute flying field as a flying officer to scout Illinois practice sessions from his plane.

Zuppke contended that the Army or any other opponent would not attempt such an unethical stunt even if it were practical. He stated in this connection:

"I regret very much that some newspaper man who relished a sensation more than facts cooked up this one. It is a false rumor and should be spiked."
