

NITTANY RUNNERS WILL OPPOSE PITT

Lion Team Seeks To Avenge '29 Defeat—High Schools Vie Here Tomorrow

In their only home contest on the 1930 schedule, Penn State's varsity and yearling trackmen will clash with traditional rivals when they engage the University of Pittsburgh runners on New Beaver field at 1:30 o'clock tomorrow afternoon.

The Lions are out to avenge the defeat administered last year by the Panthers in their meet at Pittsburgh. It will be no easy task, however, for the two teams appear evenly matched and there is every indication that track devotees will witness an exciting contest.

Coach Nate Cattmell will send practically the same team against Pitt that lost to the University of North Carolina before Easter. The Lions, however, have improved in the past few weeks and Nate expects them to turn back the Panthers by a close score.

Paul Reber, holder of the indoor 100-150 yard record, will race outdoors in his favorite event for the first time this season. Paul competed in the mile and 880 yard run in the Tai Heel meet. The Penn State coach is counting on places in the distance events to swell the Blue and White total.

Inter-scholastic Meet

Twenty-four panthers have been entered in the varsity meet by Coach Frank Shen. Captain Bowen in the dashes, Utterback in the field events, and Knobloch in the hurdles are his outstanding performers.

It is in the sprint and hurdle events that the strength of the team from the Smoky City lies. Bowen is considered one of the best sprinters in the East this year and Knobloch has turned in some creditable victories.

The Lion freshmen will present a well-balanced team and Cattmell expects them to make a good showing against the Panther cubs. The Pitt yearlings dropped their opening meet with Kiski by a score of 53-54 to 63-1-6 Wednesday afternoon.

Diedrich Bats .437 To Lead Baseball Team in 7 Games

Yutz Diedrich, sturdy center fielder, leads Penn State's baseball team with a batting average of .437 for the first seven games.

Jack Livezey and Diedrich are tied in the number of runs scored for seven games with eleven apiece. The leaders are closely pressed by Musser, who has tallied nine runs. Young and French have both crossed the plate eight times. Livezey has scored in every game except in the second contest with Pennsylvania.

The Lion team has batted out eight home runs in games to date. Diedrich and Musser have hit for the circuit on two occasions, while Hobbs, Fry, Drill, and Saltzman each have four-batters to their credit. In addition to his four-base clouts, Diedrich has a triple and three doubles to lead the batsmen in extra-base hits.

Coach Beziel's team, in winning four of its seven starts, has averaged nearly ten runs a game, while the batting average for the entire line is .314.

Inter-scholastic meet, more than twenty preparatory and high school teams will compete in the twenty-first annual inter-scholastic track meet on New Beaver field, beginning at 9:30 o'clock tomorrow morning.

Lion Team Will Attempt Comeback After Last Week's Defeat

Attempting a comeback after its defeat at the hands of Buchnell last week, the plebe Lion baseball team will meet Kiski Prep on the varsity diamond at 2 o'clock tomorrow afternoon.

Although satisfied with the showing of the plebes in their first intercollegiate workout and confident that mere "mental errors" caused the defeat, Coach Leo Houck will alter his original line-up for tomorrow's contest.

In an endeavor to work out a more effective infield combination, George Chorbis will replace Fulvio at second base, and Wallus, Steinfield, and Snyder will alternate at the short stop position.

Houck will start either Al Hogues or Paul Wynn on the mound, and will return Ben Minton, who pitched Saturday's contest, as a reserve. To correct the outfield errors of last week, the club mentor will place Weber and Dacor in garden positions.

BUILDINGS
in Which
You Take Pride
ON THE CAMPUS, where class buildings and memorial structures are so often distinguished by their noble form, floodlighting equipment serves to prolong the enjoyment of their beauty and to enhance pride in the institution. » » Such an application is made for the new 165-foot campanile at South Dakota State—magnificent gift of an alumnus. Electrically operated chimes sound the hours and are heard in concerts. At night, shafts of light from General Electric floodlighting projectors effect a picture of superb beauty done in the school colors and white. From the air, the tower is identified by the beam from a G-E airway beacon surmounting the floodlighted dome. » » Thus, G-E equipment plays its part in promoting progress and fine appreciation. Back of every G-E product is an organization in which college-trained men are largely responsible for the planning, production, and distribution.
