

Varsity Nine Plays Muhlenburg Tomorrow; Runners Engage Syracuse, Colgate

DEFEATS BUCKNELL DIAMONDMEN, 8-7

Lions Score 3 Successive Home Runs—DeBomis Shares Hill Duty With Stokes

After defeating Bucknell tossers Wednesday 8-to-7, in a game featured by heavy hitting on the part of Penn State's batsmen, the Lion nine will endeavor to continue its winning streak against Muhlenburg at 2 o'clock tomorrow afternoon on the New Beaver field diamond.

The Nittany team will probably encounter stubborn opposition in tomorrow's engagement. The Muhlenburg nine has been the only team this year to turn back the powerful Gettysburg aggregation. Captain Red Fry will probably be Coach Bezdlek's choice on the mound.

Since the recent change in the batting order has proved successful in the last two contests, Bezdlek will probably continue the present line-up. Moving Dan Musser from sixth place up to the clean-up position was the principal change. In Wednesday's game Musser was credited with a home run, a single, and a sacrifice in four trips to the plate.

Stokes Replaces DeBomis.

Three home runs in succession from powerfully welded bats of Jack Livezey, Yutz Diedrich, and Dan Musser brought the Lions from behind and gave them a two run lead in the third inning of the Bison encounter. With two down Livezey hit for the clutch to deep left field. Diedrich followed with a homer over the center fielder's head, and Musser garnered the third four-bagger of the inning by sending one of Steve Trudnak's fast ones under the right field stands.

Al DeBomis was assigned hill duty against the Lewisburg nine. Although he held the Bisons to six hits in five and one-third innings, DeBomis issued six free passes, and was relieved in the sixth frame by Hal Stokes. The second Lion twirler held Bucknell without a hit until Lobel's two-bagger in the last session.

Penn State went into the lead in the second inning. Musser, Saltzman, and Drill singled in succession, and these hits together with home playing in the outfield on the part of the Bucknell center fielder, netted the Lions two runs.

The Bisons scored three times in the third, and once in the fourth and fifth, while Penn State added a run in each of the fifth, sixth, and seventh innings. With the score 8-to-5 against them Coach Snaveley's team rallied in the ninth and two runners crossed the plate. When Clark Hinkle grounded out at first base, the tying run was left on the keystone sack.

WINS CO-ED HOCKEY GAME

Chi Omega's hockey team scored a 2-to-0 victory over Sigma Chi in the third game of the women's inter-club spring hockey tournament played on Holmes field Wednesday afternoon. The game was closely fought, with the first goal scored during the last part of the first half by Mildred Worts '31, and the other one by Marie McMahon '22 near the end of the game.

PLEBES ENTER NET TOURNAMENT

Sixty-four entrants in the annual freshman tennis tournament will play off the first round of the contest on the regular courts before Monday noon. The remaining six rounds of the tournament are scheduled to be played off before final examinations.

GOLFERS OPOSE PENN TOMORROW

Pannacion, Brand, Murray, Bezdlek Will Encounter Quaker Foe At Philadelphia

Four varsity linksmen left for Philadelphia this morning to engage the Quaker team in the last collegiate match of the season on the Manufacturers' Country club course at 9:30 o'clock tomorrow morning.

Coach Rutherford's foursome will line up the same as in the Colgate match. Captain Toots Pannacion, Freddy Brand, Johnny Murray, and Hugo Bezdlek jr. were selected to make the trip.

Following the tilt in the morning, the Lion varsity will meet Penn State alumni of Philadelphia in an informal match during the afternoon. Although the graduate foursome has not been selected, it is expected that it will be comprised of several former veterans.

The Quakers have had a successful season, but received a set back when Yale defeated them last week. Lion golfers have also had a good record, downing Swarthmore 5-to-1 and the Colgate foursome 4-to-2. Cente Hills country club was defeated twice, while the Williamsport country club match resulted in an easy victory for Penn State.

Next Saturday Nittany linksmen will meet Clinton County club players at Lock Haven. Coach Rutherford expects to take twelve men.

RACE AT NIGHT IN TRIANGULAR MEET

Lion Cindermen Will Encounter Strong New York Teams Under Floodlights

Twenty-four Nittany track and field representatives will leave this afternoon for Syracuse, N. Y., to oppose Colgate and Orange cindermen in a triangular engagement at Archbold stadium tomorrow night.

Seeking victory in the first contest ever held with Colgate's runners, the Lions, at the same time, hope to avenge the defeat administered by Syracuse on New Beaver field last year. The meet is to be held under floodlights and will be the first time that a Penn State track team has competed outdoors at night.

Captain George Mobley and his teammates face no easy task, for both New York teams will present strong combinations. Although Syracuse has the more impressive record, the Maroon runners are expected to furnish plenty of opposition.

Rekers to Run Mile

Coach Nate Cartmell is counting on points in the distance runs and hammer throw to offset his opponent's superiority in the shorter races. Rekers will not compete in the two-mile race in order to match strides with Hamm in the mile against Goodello and Schwartz, Syracuse entries who have been timed under 4:30 this year.

Captain St. Clair, Orange sprinter, and Whitnev, of Colgate, are favorites in the furlong and 140-yard dashes. In the hurdles, Stollweck, Maroon captain, is expected to add to his team's total on the basis of fast times turned in against N. Y. U and Army.

Messenger and Detwiler, Nittany distance luminaries, are counted upon to lead the way in the two-mile, while Morrill should have little trouble winning the hammer throw.

Seconds, and thirds scored in the other track and field events will decide the outcome of the meet, Cartmell believes. The Lion mentor expects a close contest with all three teams having an equal chance for victory.

Hobbs Strikes Out, Scores Winning Run

Reorganized Twelve Will Meet Cadets on West Point Field Tomorrow

In the seventh inning of the Lion-Bison baseball contest Wednesday, Chuck Hobbs, after striking out, completely encircled the bases and scored a run resulting in Penn State's margin of victory over Bucknell. Hobbs crossed the plate before the Lewisburg pitcher had delivered the ball to the next batter.

Shaw, Bucknell catcher, dropped the ball after Steve Trudnak had caused Hobbs to miss the third strike. The Lion outfielder reached third when Shaw overthrew the initial sack, and was waived in by Umpire McNally because of Trudnak's balk.

NETMEN TO MEET ORANGE, MAROON

Oppose Syracuse Today—Will Engage Colgate Tomorrow in Last Invasion of Season

Completing the sports triangle which exists between Penn State, Colgate and Syracuse, Nittany courtmen will wield their racquets against the Orangemen today and the Maroon racquetists tomorrow afternoon on the last trip of the season.

Nine matches, six singles, and three doubles contests, will be played with each team. Coach Dink Stover stated that although no definite selections have been made for the matches, the men who played in the Georgetown and Navy meets will probably be chosen to play on this trip.

In the singles matches Paul Barber will hold the number one position with Captain Wolfe as number two and Johnny Metzner filling the third assignment. Ed Butler, Robinson and Glen Thomson will complete the lineup in the singles engagements.

Butler and Wolfe will be paired together in the first doubles match while Metzner and Butler will make up the second duo. In the last match Robinson and Thomson probably will be the candidates.

The matches on Friday and Saturday will mark the first net engagement between the Lion courtmen and the Colgate and Syracuse racquetists in a period of over six years.

NITTANY STICKMEN TO BATTLE ARMY

Reorganized Twelve Will Meet Cadets on West Point Field Tomorrow

Striving to atone for last week's defeat, the Nittany lacrosse team will enter a reorganized line-up against the West Point Cadets at 2 o'clock tomorrow afternoon on the Army field.

Coach Eric Paul has not yet decided upon a definite line-up but will name his team immediately before the contest. Ken Kaiser and Andy Anderson will remain in their attack berths. New attack material will probably consist of Don Lewis, at in-home and Croome, sophomore stock-welder, as first attack.

Lehfeldt, Army third defense who has shown ability to run the ball through every opposing team met by the Cadets, will offer the hardest opposition to these men. He incorporates a crashing hard running style with individual playing.

Army Attack Strong

The center position will be a toss-up between Seubel and Weber. If Weber continues at the center berth Seubel will be shifted to third attack. Otherwise Edwards will receive the most prizes and McMillan will continue to fill the first defense and point berths, while Coach Paul will choose between Kaplan and Miller for cover point and place Stahley or Reuley at second defense.

Brady, left handed in home will lead the nucleus of the Army attack from the in-home position. He has been successful in scoring against nearly every goalie this season. Army stickmen are noted for individualism in their playing. Their style has proved a success against every team except the St. John's twelve and the Oxford-Cambridge stock-welders.

The West Pointers have been undefeated in every contest with Penn State. They overcame the Nittany team in the last half of a hard fought game last year to win by a 2-to-1 score. They downed the Lions 7-to-1 the previous year.

Coach Paul expects the hardest contest of the season but feels confident of a good game. He will pit a well balanced twelve against an organization composed of individual stars who depend upon their own efforts and do not resort to teamwork.

French, Batting .420, Leads Nittany Team

Seniors Play Plebe Nine in Interclass Game Today

Cooper French, batting .420 in eleven games, now leads the Lion nine in hitting. Hal Stokes has moved up to second place with an average of .412, while Yutz Diedrich is third on the list with .407.

Diedrich is still the leader in runs scored with twenty counters to his credit, while Jack Livezey has crossed the plate sixteen times to take second place. Fifteen home runs have been made by the Nittany nine. Diedrich and Musser both have four Ruthian clouts to lead the team in four-base blows. The Lion team has averaged exactly ten runs a game, and have a team batting average of .318.

WYOMING BATTERS FACE LION PLEBES TOMORROW

Winn To Hit for Cubs on Yearling Diamond at 12 O'clock

Taking the home field again after an unsuccessful foreign invasion, the Penn State freshmen baseball team will meet Wyoming on the freshman diamond at 12 o'clock noon tomorrow.

Paul Winn, yearling moundsmen who has as yet to see inter-collegiate service, will start on the hill tomorrow for the Lion Cubs. Houck will cover point and place Stahley or Reuley at second defense.

In an endeavor to bolster the hitting power of the freshmen nine and tighten the fielding of the team, the plebe mentor may start Weber and Gaumer in outfield positions and use Fluvio at short stop.

SENIORS PLAY PLEBE NINE IN INTERCLASS GAME TODAY

An undefeated senior nine will meet a winning freshman team in the interclass baseball tournament at 4 o'clock this afternoon.

This game will conclude the interclass series. The seniors met the sophomore team yesterday afternoon. Players who have served on the diamond for two of the interclass games will receive numerical awards. Those who competed in the freshman-sophomore baseball scrap will also merit numerals.
