

Nittany Batsmen Oppose Colgate Today; Trackmen To Compete in IC-4A Meet

ENGAGE SYRACUSE AWAY TOMORROW

Captain Fry May Pitch Maroon Contest—Hoopes Replaces Musser at Third

Determined to erase the sting of a defeat from Colgate two weeks ago, the Lion baseball squad left for Hamilton, N. Y., yesterday morning to engage the Maroon team today. Coach Bezdok's nine will attempt to coach the powerful Syracuse aggregation at Syracuse, N. Y., tomorrow afternoon.

Captain Rod Fry will probably be pitted against the Colgate batters, while Hal Stokes may receive the mound duty in the Orange encounter. Fry has not worked since the St. Vincent game and should be in excellent condition in case either he or Stokes should falter. Al DeBonis will be ready to assume the responsibility of keeping the Lion team in the running for the "three-cornered" league championship.

Orange Record Impressive

Cliff Slought, who proved a nemesis to the Lions in the last Colgate game, will probably face Penn State again this afternoon in the first contest between the Maroon and the Blue and White. Slought entered the game in the eighth inning with three Lions pitched on bases. He succeeded in relieving the side and holding the Penn State team scoreless in the ninth. Colgate won the game, 9-to-8. Syracuse will face the Lion batsmen with an impressive record. Although a few of the leading hitters on the Penn State team have suffered batting slumps in the last two games, the team as a whole has improved its average. In the twelve games played to date the Lions have batted .325, and have scored 116 runs for an average of nearly 10 runs a game.

Will Oppose Penn

Diedrich has regained his lead over the Nittany hitters, with an average of .392, while Musser is not far behind with .390. French has batted .382; Hobbs, .340, and Saltzman and Livezey are both batting .327. Diedrich has scored twenty-one runs this season, while Livezey, with sixteen, is next highest on the list. Penn State has won eight of the twelve games played to date, and five more still remain on the schedule. Returning from the Colgate and Syracuse contests, the diamondmen will oppose Temple here on Wednesday. Friday the squad will journey to Philadelphia and engage Pennsylvania in the third game between the Lions and the Quakers this season, and the last contest with Penn in any sport for an indefinite period. Syracuse will come here for the final game of the season on Alumni Day, June 9.

STICKMEN TO FACE TORONTO TUESDAY

Lions Will Play Canadian Team Here—Encounter Onondaga Indians Saturday

With two contests yet to be played, the Lion lacrosse team will engage Toronto university here at 1:30 o'clock Tuesday afternoon and the Onondaga Indian twelve Saturday afternoon on New Beaver field.

The Canadian team will engage New York university and Crescent Athletic club of New York before meeting the Penn State team. The results of these games will influence Coach Ernie Paul in the selection of a line-up to meet the Toronto stickmen.

After the good showing made by the reorganized line-up in the West Point contest last week Coach Paul will probably continue with the same men. The defense machine will engage in an extensive training program to combat the individual method of attack used by the Canadians. These players use individual stickwork in preference to team plays.

The attack boths are placed in the hands of Antonson, Anderson, and Koth with the probable substitution of Seubel if his shoulder improves. Kaiser and Lewis will hold down the home berth, Joe Weber and Karl Kaiser in the center and goal positions respectively, complete the twelve.

Regardless of the record of Toronto university in encounters with Penn State, the Nittany team hopes to bring victory home for the first time against Canadian invaders. In 1921 and 1923 they succeeded in defeating Penn State 7-to-1.

REKERS WILL RACE FOR 2-MILE TITLE

Penn State Undermen Enter Intercollegiate Contests At Harvard Today

Pitted against the premier track and field luminaries of the nation, nine Lion undermen will compete today and tomorrow in the fifty-fourth annual IC-4A championships to be held in Harvard stadium at Cambridge, Mass.

Captain Mobley, Rekers, Messinger, Detwiler, Merrill, Musser, King, Bachman, and Palmer are the Penn State entries. With Cox and Offenhausser lost by graduation, Chick Messinger is the only man left on the squad who competed in last year's meet.

While no certain team is expected to place better than third in the intercollegiate, Penn State, with Paul Rekers in form, has a good chance of winning the two-mile race and capturing one of the three individual titles conceded in the East.

Rekers Has Best Record Although the Nittany distance ace has completed outdoors in his favorite event only once this spring and then under wraps, his indoor IC-4A record of 9:22 established at the indoor championships in March is the best individual performance of the year.

If Chick Messinger is at his best, he will give the leaders plenty of opposition. Detwiler and Messinger have crossed the finish line together ahead of their rivals in both dual meets this spring. Unless the field moves unusually fast they have a chance of winning a place at Cambridge. Hagen, runner up to Rekers in the indoor meet, Patterson, Ranney, and Leveing of Cornell, Estes of Harvard, and Mossman of California are the other outstanding two-mile entries from the University of Maine are also expected to give a good account of themselves.

Dan Musser in the javelin, and Red Merrill in the hammer throw are other possible Lion point winners.

Underclasses To Vie In Lacrosse Contest

Freshman lacrosse men will play the sophomore team to decide the class championship this afternoon on the practice field.

Both teams have won one game each in the interclass contest. The sophomores downed the yearling twelve 5-to-1 in an extra period contest last week while the plebes won the second game of the series 4-to-1. Those playing in the class games will be rewarded with run-outs.

LION GOLFERS END SEASON TOMORROW

Will Engage Clinton Country Club Players in Informal Tilt At Lock Haven

Playing in his last dual match of college golf, Captain Toot Panaccione will lead Penn State's undefeated linksmen against Clinton Country club players on the Lock Haven course at 1:30 o'clock tomorrow afternoon.

Coach Rutherford will take sixteen golfers to compete in last match this season. Panaccione, Brand, Murray, of season Panaccione, Brand, Murray, and Bezdok are Rutherford's choice for the first two matches. In the next two he has selected Jackson, Cott, Smith and Stoddard to represent the Lions.

Six varsity golfers will enter the qualifying round of the Intercollegiate to be held at the Oatmont Country club, Pittsburgh from June 23 until 28. The four best scores turned in by the Penn State representatives will decide the four-some to battle for the title.

COURTMEN MEET BISONS TOMORROW

To Face Bucknell in Last Game of Season—Second String Men May Play Doubles

Playing their last match of the season, Penn State's tennis team will wield its racquets against Bucknell on the Varsity courts at 2 o'clock tomorrow afternoon.

Five singles matches and two doubles contests probably will be played, although one of the singles engagements may be eliminated. Paul Barber will occupy the number one position with Captain Ted Wolfe as the second man. Johnny Metzner will be in his usual place for the third singles while Robinson and Glenn Thomson will complete the line-up.

Coach Dink Stover declared that if the Lion courtmen win the singles contests, he will use all second string men in the doubles matches. In this case Glenn Thomson will be the regular who will see service in the dual engagements.

The Nittany courtmen should have little difficulty in downing the Bisons. Bucknell met Gettysburg several weeks ago and lost 6-to-1. Penn State's racqueters played Gettysburg the next week and defeated the Bisons by the same score.
