They win on flavor

FLAVOR? You can't beat the flavor of Kellogg's Pep Bran Flakes. The crunchy crispness. The good-to-the-last-spoonful deliciousness. You'll say they're the best bran flakes you ever ate.

The most popular ready-to-eat cereals served in the dining-rooms of American colleges, eating clubs and fraternities are made by Kellogg in Battle Creek. They include ALL-BRAN, Corn Flakes, Rice Krispies, Wheat Krumbles and Kellogg's Shredded Whole Wheat Biscuit. Also Kaffee Hag Coffee—the coffee that lets you sleep

Try them. Full of whole-wheat nourishment plus extra bran to be mildly laxative. Great for breakfast—for late suppers. Ask to have them served at your fraternity or campus restaurant.

ANNOUNCEMENT

On May 27th I sold my entire interests in the Cathaum and Nittany Theatres at State College and they have now become units in the vast theatre enterprises operated by Warner Bros.

I therefore wish to take this opportunity to express to the people of State College, the surrounding community and to the students of The Pennsylvania State College my sincere thanks for the support they have given me in making these theatres popular and successful.

While I have had opportunity to sell to other firms, I sold my interests to Warner Bros. in the firm belief that they will render you the best possible service. I respectfully ask that the same kind support and understanding that you have given me in the past be extended to them.

I will completely retire from the management and operation of the Nittany and Cathaum Theatres but my former organization will be retained.

The direct management of these theatres will be in the hands of Mr. George Sullivan and I know your wishes will continue to dictate the policies of these theatres just as YOUR wishes and desires have guided me in my years of business dealings with you.

George Sullivan
