The plain fact is that among the hundred leading American colleges, each having 1,700 or more students registered, more Sheaffer's are bought than any other make. That's understandable enough, once you're acquainted with Sheaffer's four advantages: (1) individualized pen points, (2) the Balance° design that makes for easier, speedier writing, (3) the modern beauty of the Balance° contour, (4) the Lifetime° guarantee of satisfactory service.

Since all that comes with Sheaffer's Balance° Lifetimes°, why be content with less?

*A recent survey made by a disinterested organization showed Sheaffer's first in fountain pen sales among the 100 leading American colleges having registration of 1,700 or more students. Documents covering this survey are available to anyone.
