In twelve previous gridiron encounters Penn State has lost only three times to the Lafayette Leopards. When the Eastonites defeated the Lions two seasons ago, it was the first Maroon victory over Penn State for thirty-one years. The Nittany team has collected 245 points to 72 for Lafayette.

Next to the State-Lafayette contest, the interest of Lion followers will be centered on the Pitt-Syracuse contest tomorrow. In this encounter, two undefeated and unscathed-upon teams will collide together. Pitt, undefeated in eastern competition for several years, will meet a severe test against the Orange.

Bucknell will attempt a comeback against St. Thomas, who barely lost to Lafayette several weeks ago, 7-to-0. The Colgate eleven will test their mettle against Michigan State, while Iowa will endeavor to come out of their slump against George Washington.

Chel. Meehan, New York university football coach, predicted the scores for the radio for twenty-one of the big games throughout the country. Among his prophecies are Penn State 21, Lafayette 7; Army 21, Harvard 14; Carnegie Tech 14, Notre Dame 7; Colgate 14, Michigan State 0; Cornell 14, Princeton 7; Dartmouth 28, Columbia 7; Pennsylvania 20, Wisconsin 7; Pittsburgh 14, Syracuse 13, and Yale 11, Brown 7.

We are inclined to disagree in several instances. For example, Army 20, Harvard 0; Notre Dame 19, Carnegie Tech 0; Colgate 27, Michigan State 0; Cornell 19, Princeton 0; Wisconsin 13, Penn 0; Pittsburgh 13, Syracuse 0.

The Lehigh university soccer team elected Warren H. Schaub captain for the coming season to fill a vacancy created when Mort Strauss left college recently. Schaub is goal-tender on the Bethlehem eleven and is captain elect of the basketball team.

Lion Scrubs Score 4 Times In Scrimmage With Varsity

Snyder, Batdorf Gain At Will Through First Team

(Continued from first page) vascity during the past week has been unimpressive. In a lengthy scrimmage Tuesday the team that will probably start against Lafayette was pitted against the strongest possible scrub combination. Kane, varsity center, blocked a punt early in the contest which led to a score by

Diedrich. But this was the only score made by the first team during the workout. Snyder, Batdorf, Yost, and Lavezzay, the second string combination, succeeded in scoring four touchdowns against a crumpled varsity defense. Snyder crossed the goal line three times, once after intercepting French's pass. Batdorf tallied the other six-pointer after a run of 25 yards behind perfect interference.

Diedrich back in lineup. For two days Coach Higgins has directed the varsity in dummy scrimmages with special emphasis placed upon weak points in the Lion defense noted in Tuesday's practice game. Because of the apparent slump of the Blue and White eleven the coaches feel that there is no reason for overconfidence, but every effort has been made to get the team on edge for the Leopard contest.

The return of Captain Frank Diedrich to the Nittany lineup has greatly strengthened the morale of the team. Diedrich participated in a scrimmage Tuesday afternoon for the first time since the Lebanon Valley game and appeared in good condition.

With Cooper French calling signals, and Lasech at fullback, Diedrich and Hoguet will probably complete the Lion backfield quartet, although Red Evans may be a last minute choice for one of the halfback posts.

The Penn State forward wall may line up the same as in the Marshall game, with Kaplan and Edwards, ends; Shawley and McMullen, tackles; Curry and Zarella, guards; and Kane, center. However, the strength of the second team line during recent practice games may cause Coach Higgins to instigate a last minute shift.

SOCCERMEN OPEN WITH HAVERFORD

Bud Anderson To Play Forward On Nittany Machine in Game Tomorrow

With practically the same lineup that entered the practice game Saturday, Coach Bill Jeffrey will endeavor to break Haverford's record of no defeats for the season when the Lion soccer team opens against the Man Line on the Haverford field tomorrow afternoon.

Coach Jeffrey places his hopes of running up a score against the Scarlet and Black on a clever attack led by Bud Anderson, center forward. Anderson proved high scorer for the varsity in the pick-up contest, but will face stiff opposition in leading the attack against Haverford.

Masser Will Start. The goal position will be defended by Bob McKune, experienced defense man. Matching McKune in the opposing goal, Katz will prove stiff opposition to the Penn State booters. Backing him from the full post, Willis and Hoag, who was recently changed from the Haverford attack, make up a trio of hard fighting soccermen. Tyson and Mussa on the left attack, and Masters and Shephard on the

The tournament is being sponsored by the Athletic Association and a cup will be presented to the winning team. Head football coach "Bob" Higgins is supporting the competition in hopes of uncovering some raw material for the squad especially among the freshmen.

Any organized group may enter the tournament. Managers of all teams should communicate with Lee

D. Carter, 512 W. College Avenue as soon as possible so that the drawings may be held this week. Individual boarding houses, or houses in a certain locality may combine in entering a team to compete with the dormitories and fraternities.

I. F. C. HOLDS TOURNAMENT

"ATHLETE'S FOOT"
.... says U. S. report

YOU may call it toe itch, golf itch—the "doe" may call it ringworm—millions of people who catch it, call it "Athlete's Foot"—but all of them are the same. A ringworm parasite, *tinea trichophyton* by name, causes that redness between the toes with i-t-c-h-i-n-g. Tiny blisters or a thick, moist skin condition may be another symptom. Again dryness, with little scales, is a signal.

Absorbine Jr. kills the germ of "ATHLETE'S FOOT"

Tests in a famous New York "lab" have revealed that Absorbine Jr. penetrates flesh-like tissues deeply and that wherever it penetrates, it **KILLS** the ringworm germ.

It might not be a bad idea to examine your feet tonight. At the first sign of the symptoms mentioned here, douse on Absorbine Jr. And keep a bottle handy in your locker as a preventive. Use it after every exposure of bare feet on damp floors. At all druggists—\$1.25. W. F. Young, Inc., Springfield, Massachusetts.

It lurks in the very places where we all go for cleanliness and health—on the edges of swimming pools and showers—in gymnasiums—on locker and dressing-room floors. In spite of modern sanitation (you have to boil socks 15 minutes to kill it)

STEPPING INTO A MODERN WORLD

Scientist and Salesman

THE MODERN PARTNERSHIP

Like every other modern industry, the Bell System requires the combined effort of scientist and salesman. The commercial man has again and again shown the public how to use new products of the telephone laboratory, and how to make new uses of existing apparatus.

Transmitting pictures and typewritten mes-

sages over telephone wires are services right now being actively promoted. Scientific selling by long distance is among many ideas originated to increase the telephone's usefulness.

In short telephony is a business, with problems that stimulate commercially minded men and a breadth of opportunity in step with the fast moving world of industry today.
