

## Sidelines

Steve Hamas '29, former Lion football, boxing and basketball star, has continued his professional ring career on the West coast. Steve has yet to be defeated in the pro arena. He has scored nine knockouts and two decisions in eleven fights under the management of Mike Hamas '28, his brother. Two younger brothers in the Hamas family, John and George, have matriculated at Westminster college where they already have indicated that they also possess athletic prowess of the first water.

Sol Saltzman will play in his fifth varsity soccer game of the season tomorrow afternoon. Soccer is the fourth varsity sport in which Sol has participated while at Penn State. He is captain of the basketball team, catcher on the baseball nine, and was for two years a member of the football squad.

Of the seventeen players who have taken part in varsity soccer games this season, eight are sophomores, five are juniors, and four are seniors. These players should furnish Bill Jeffrey with championship material for next year.

The Lion football players should be in topnotch physical condition for the Pitt game. After a rest tomorrow and Sunday the Nittany team should begin the week of final preparation with all members of the squad present on the field and ready for scrimmage play. This has not been the case since early in the year.

Rog Mahoney, former Lion center and now engaged in professional play, was a spectator at football practice Wednesday afternoon. He was accompanied by Bill Havens, ex-Western Maryland player and former manager of the Southern's boxing team.

Although many teams are idle tomorrow because of Thanksgiving Day contests, there are quite a few important engagements on the grid said. We are listing the most important encounters, with our choice in italics. *Fordham vs. Bucknell, Carnegie Tech vs. Temple, Georgetown vs. Villanova, Yale vs. Harvard, Lafayette vs. Lehigh, Navy vs. Maryland, Michigan State vs. Detroit, N. Y. U. vs. Rutgers, Notre Dame vs. Northwestern, Ohio State vs. Illinois, Purdue vs. Indiana, Stanford vs. California, Nebraska vs. Iowa University, Michigan vs. Chicago, Missouri vs. Kansas, Wisconsin vs. Minnesota, W. & J. vs. West-Virginia.*

Fordham's defeat by St. Mary's of California left Dick Harlow's Western Maryland team as the East's lone undefeated and untied eleven. However, both Dartmouth and Army can't have a right to claim part of the honor acquired by the Maryland team. The Big Green and the Cadets have not been defeated this season, although both have been tied once during the progress of extremely difficult schedules.

Western Maryland's team can also claim the record of having the least points scored against it. The opponents of the Green Terror's have been able to acquire only seven points. Colgate, with 349 points, is the highest scoring eleven in the East.

## NITTANY GRIDMEN PREPARE FOR PITT

Zorella, Edwards To Hold Down  
First String Posts in  
Panther Game

Undaunted by past defeats, Penn State's gridmen are engaging in long workouts daily on New Beaver field in preparation for the season's finale with the University of Pittsburgh on Thanksgiving Day.

Possibility that the Lions will present their full strength against the Panthers seemed likely when both Edwards and Zorella appeared on the field in uniform this week and took part in several scrimmages against the second team.

Coach Higgins has apparently decided upon his backfield quartet. For two weeks the combination of French, Diedrich, Evans, and Lusch has constituted the Nittany first string, and these players will almost certainly get the call for the Turkey Day encounter.

**Held Long Scrimmage**  
A large part of the practice sessions during the past week has consisted of defensive work against Panther plays executed by the third team. The coaches lost no time after the return from Iowa in beginning preparation for the Thanksgiving Day battle. Monday afternoon the Lions were on New Beaver field running through signals and developing a defense for Panther formations.

A lengthy scrimmage against the second varsity took place Wednesday afternoon, and for the first time in several weeks the first team gave indications of real offensive power. With French and Lusch gaining at will through the line and round ends, the varsity covered the length of the field three times on unbroken matches and scored after every drive.

With Kaplan and Edwards holding down the end posts again, and Zorella and Curry taking care of the guards, the Lion forward wall is considerably strengthened. McMillen has not participated in several practice sessions this week because of a minor injury, but is expected to resume his old place as Cal Shawley's running mate at tackle. DeCindes and Dauman have alternated as the first string center.

**MOORE ATTENDS CONCLAVE**  
Dr. Bruce V. Moore, professor of psychology, attended the ninth annual autumn conference of the personal research federation held last week in New York city.

Western Maryland's team can also claim the record of having the least points scored against it. The opponents of the Green Terror's have been able to acquire only seven points. Colgate, with 349 points, is the highest scoring eleven in the East.

## HARRIERS REGISTER BRILLIANT VICTORY

Record Lowest Score in Years  
To Regain Title—Detwiler  
Takes Second Place

When the Nittany cross-countrymen jumped over the rain-swept Van Cortlandt Park course to regain the IC-IA title Monday afternoon, they scored the most brilliant team victory in the recent annals of intercollegiate distance racing.

Although it fell the lot of Clark Chamberlain, Michigan State's lone entrant, to capture individual honors, Penn State's low score of 29 points was the outstanding feature of the race. Not since pre-war days, when Cornell led by John Paul Jones, dominated the hill and dale classics, has any team so far outclassed the field as did the Lion runners Monday.

With Dick Detwiler, in second position, Check Meninger, third, Captain Paul Rekers, fifth, Charlie King, ninth, and Bill Space, fifteenth, Coach Nate Catmell's well-balanced quintet surpassed the expectations of even its most optimistic followers in triumphing over the nation's premier distance men.

## LION SOCCERMEN TO FACE TERRORS

Booters Will Close Season With  
Western Maryland Team  
Here Tomorrow

With the return of Bud Anderson, out left, Coach Bill Jeffrey will place his regular soccer combination on the field against Western Maryland college booters at 2 o'clock tomorrow afternoon on New Beaver practice field.

An injury received in the Swarthmore contest forced Anderson to a strained ankle early in the week. Meiselman, right halfback, who was injured in the Lafayette tilt also will see service tomorrow.

Terrors, Love to Navy, Penn, Miller serving from center forward, Masters and Daykin inside attack and Tyson filling the right wing post, together with Anderson form the Nittany scoring threat. The defense, excepting the goal keeper, continues as in previous games. Tully may alternate with Bob McKune from the goal.

position. Captain Bill Hutchinson and Bill Hensley lead the powerful defensive with Meiselman, Saltzman and Evans holding the half backs.

Western Maryland suffered a rout in a battle with Penn's eleven aggregation Saturday. This defeat is the second in six contests played this season. The Green Terrors dropped a close game to the Midshipmen.

The Southern's under the leadership of Captain Noble went into a strict scrimmage schedule early in the week where they stressed defensive tactics. Hastings and Martin,

Terrier halfbacks, show promise of giving the Nittany forward wall the stiffest opposition in tomorrow's tilt. Routson, George, and Cross will probably complete the Western Maryland defense.

## STEPPING INTO A MODERN WORLD

## It looms up large in their lives

The telephone has a big place in the daily lives of most people today, but its place will be even bigger tomorrow.

Its importance has been fostered by the work of men in all phases of the telephone business and no little part has been taken by those engaged in selling. They have helped to effect an increase of more than three and a half mil-

lion Bell telephones in the last five years. In the same period they have been instrumental in making the public realize more completely the telephone's usefulness. Result: an increase from 49,000,000 calls per day to 65,000,000.

For men with a leaning toward sales promotion, the opportunity is there!
