

1931 Baseball, Track Schedules Released

Lion Batsmen Will Play 18 Games—Runners Open Feb. 7

A baseball schedule of eighteen games for the 1931 season was submitted last week to the faculty committee on athletics and awaits the final action of that group for official sanction. Winter and spring track schedules were announced by Neil M. Fleming, graduate manager of athletics.

After a year's lapse, the batsmen will renew the custom of opening the season with a southern trip. Beginning April 1, the team will meet Elon, North Carolina State, Duke, Georgetown, and University of Maryland, before returning home for games with Gettysburg and Dickinson.

Two northern trips have also been arranged for the Lion nine. During the first part of May the team will meet Syracuse and Colgate away, followed by a journey to New Brunswick and West Point for engagements with Rutgers and Army. From the middle of May until June 6, the batsmen will play seven games, all at State College, with Juniata, Muhlenberg, Susquehanna, Bucknell, Villanova, Colgate, and Temple.

With the Millrose games in New York city February 7, opening their indoor season, picked Lion runners will compete in four invitation meets next month. Penn State will send representatives to the Meadowbrook games in Philadelphia February 12 and the New York A. C. meet on February 16.

Permission to compete in the University of West Virginia indoor meet February 11 has also been tentatively granted. The winter season will close March 7 with the indoor championship.

College To Grant No Deferment of Fees

That no deferment of fees will be granted to students when they register for the second semester, was announced by College Treasurer William G. Mutoiff yesterday. Notwithstanding the present business depression and an anticipated number of students who hope for deferred payment, Mr. Mutoiff claims that the College Administration believes it best not to divert from the past policy.

The Pennsylvania Interscholastic meet will be held in conjunction with the Temple contest.

cision from Stephenson, Phi Kappa Alpha, to annex the 115-pound title. Phi Epsilon Pi gained its only first place winner when Phil Epstein defeated Harry Ruthrauff, Phi Kappa Alpha, in the final of the 125-pound class.

After a close fight in the 135-pound class, Paul Peters, non-Fraternity, secured the victory, over Harry Zimmerman, Phi Sigma Kappa. In an all-Phi Kappa Sigma final Bill Henszey defeated his fraternity brother, Bill Deppen, to win the 115-pound title. Tom Slusser, Delta Tau Delta, nearly scored a knockout victory over Phil Moonves, Phi Epsilon Pi, in the most exciting bout of the afternoon, to gain first place in the 160-pound class.

Johnny Guelfi, Delta Upsilon, used his height and reach to advantage to defeat Yatz, Dierich, Phi Delta Theta, in a slugfest for the 175-pound crown. Scoring the only knockout of the finals, Bill McMillen, Sigma Nu, finished Buck Kider, Beta Theta Pi, near the end of the first round, to win the heavyweight title.

son form. The Mountaineer grapplers have already competed in four dual meets, two contests with Wayneburg, both of which the West Virginia team won by large margins. As their first major match of the season, the Mountaineers met the University of Michigan's team and last Thursday they engaged the matmen from the University of Indiana.

Reports indicate that Coach Steve Harriek has a veteran team of grapplers for Saturday's duel and should the Lions prove victors, they will have a comparatively easy time in their next three engagements against Chicago, Syracuse, and Puncheon.

how to avoid being SWAMPED!
Eat wrong and you're sunk. And that applies to studies as well as to swimming or water polo. Eat food that's easy to digest, yet plenty nourishing, and even the dreariest prof sounds interesting. Work is done in half the time, and you get twice the enjoyment from your leisure hours. Shredded Wheat will do it whether you eat it for breakfast, lunch or mid-night supper. Easy to digest, packed with nourishment, and containing all the bran of the whole wheat, it's a natural food for college men. Two biscuits a day, in good rich milk, will do the trick nicely. Try it!
