

BEZDEK OUTLINES SYSTEM OF AWARD

Athletic Director Makes Known Basic Plans for Judging Intramural Units

A basic system for judging winners of the Bezdek intramural sports trophy was announced yesterday by George J. Smart '32, chairman of the intramural sports committee. The system, as outlined on a score chart to be sent to fraternities and groups, was drawn up by Dean Bezdek with the assistance of intramural tournament managers.

Included on the chart is the basis for awarding an individual's cup, offered by the intramural sports committee to the person who best carries out the principles by which the Bezdek trophy winners will be selected. Both honors will be awarded in June, probably as a part of Commencement Day exercises, Smart reveals.

According to the system, five points will be credited each group upon entrance in a tournament. Five more points will be awarded for each event won, except in cross country, wrestling, boxing, and track, for which the basis of award will be individual scorings. Points for championship teams vary with the particular sport; football tournaments netting 100 points, forfeits merit 5 points in all sports.

Forfeitures Reduce Total Intramural tournament managers, varsity lettermen, and varsity sports managers each gain for their groups as many points as any organization can win in that sport. First assistant managers and associate managers net their units ten less than the maximum number of points possible, while second assistant managers and varsity squad players are rated fifteen less than the maximum.

For the individual's cup, each person scores five points upon entrance of his team and five additional points for each game won by his group. In cross country, wrestling, boxing, and track, the individual is credited for entrance and all the points he scores in the meet. Organization managers receive the same number of points as any member of their team.

More than twenty-five percent forfeitures of scheduled events by a group automatically cancels all points in that sport for that group and its members. The Bezdek trophy is for "the fraternity or unit doing most for Penn State athletics, both intramural and intercollegiate, and at the same time maintaining satisfactory scholarship."

Stoop To Lead 1932 Nittany Ring Team

David A. Stoop '32 was elected captain of the 1932 boxing team at a meeting of the lettermen last Tuesday.

Stoop was intercollegiate champion in the 115-pound class last year, and runner-up for the 125-pound title this year. During the dual season, the Lion featherweight won four bouts, and drew with Fitzgerald, of Navy, and Werthemer, of Syracuse. After defeating Sigdel, of Penn, in the semi-finals, Stoop lost a close decision to Werthemer for the 125-pound title.

Cancel Scheduled Games With Georgetown, Maryland as Rain Stops Contests

In the only contest it was able to play on its southern trip last week, Penn State's varsity baseball team lost to Duke, 6-to-5, at Durham, North Carolina, Friday. Wet grounds and rain caused cancellation of games with Georgetown and Maryland scheduled for Saturday and Monday.

Klare's two-base hit in the eighth inning scoring Robertshaw and Rockafelle gave the Blue Devils the victory after the Lions had led in the fifth, 5-to-3. The game was featured by the fine fielding of Regin Smith and Jack Lavezy, Nittany shortstop and second baseman, who handled nine and eight chances, respectively without an error.

Duke Evans Count Penn State opened the scoring in the first inning when it counted a tally on Duke errors and added another run in the fourth on three singles. Nittany batsmen made their final three runs in the fifth on three safeties and two bases on balls. The Blue Devils evened the count

THERE'S nothing better than a bowl of delicious Kellogg's Corn Flakes and milk. So easy to digest, it invites sound sleep. Dietitians advise it. How much more healthful than hot, heavy foods.

So order Kellogg's when you drop in at the campus restaurant tonight. Enjoy with canned peaches, or sweeten with honey for an extra treat. Good . . . and good for you!

Kellogg's CORN FLAKES

The most popular cereals served in the dining-rooms of American colleges, eating clubs and fraternities are made by Kellogg in Battle Creek. They include ALL-BRAN, PEP Bran Flakes, Rice Krispies, Wheat Krumbles, and Kellogg's WHOLE WHEAT Biscuit. Also Kaffee Hag Coffee—the coffee that lets you sleep.

You'll enjoy Kellogg's Slumber Music, broadcast over WJL and associated stations of the N. B. C. every Sunday evening at 10:30 E. S. T. Also KFI Los Angeles, KQHO Seattle at 10:00, and KOA Denver at 10:30.

Cool All the Way Down

If YOU inhale, you can quickly tell the difference between fresh and stale cigarettes. A Camel, protected by the Humidor Pack, retains its natural moisture, and gives you a cool mild smoke. But when you draw in the smoke from dried-

out stale tobacco, it's hot and irritating to the throat.

If you haven't discovered this difference, we suggest you switch to Camels for just one day. Then leave them tomorrow, if you can.
