Boxers To Contest Here Next Year in Nation-wide Meet

Tournament Will Serve as Preliminary Tryout For Olympic Ring Team Representing United States at Games

Penn State will act as host to college boxers from all over the country at the annual tournament of the National Collegiate Boxing association next year...

The decision to hold the tournament at State College was made at a meeting of the boxing rules committee of the N. C. A. A. Friday afternoon at Philadelphia...

No Date Set A definite date for the tournament has not yet been decided, but it will probably be held shortly after the Intercollegiate Boxing tournament next March...

College boxers from coast to coast will battle for two days at Penn State for the right to represent the United States in the Olympics at Los Angeles next summer...

Several sports promoters attempted to persuade the committee to stage the tournament in New York, but the group decided that it would be best to hold the tryouts under the auspices of a college...

DR. LUCCOCK ASKS ANSWER TO QUERY

Yale Professor Seeks Conception For Individual Life Living 20 Years in Future

"Will there be available to you at the age of forty, the resources of religion that have come into millions as the upholding and compelling power?" Dr. Halford E. Luccock, professor of homiletics at Yale university Divinity School, asked chapelgoers in the Auditorium Sunday morning.

"Everyone has the engagement to meet someone, no escape being possible, at the age of forty," Dr. Luccock explained. "To some this is an uncomfortable meeting and may prove to be the heaviest date that many will have in this life."

The only line on a person which is now available, in the mind of the Yale professor, is to follow out the lines of present day living into the future. This is guess work or an approximation, the speaker added.

SIGMA PI BREAKS GROUND FOR NEW CHAPTER HOUSE

Work was begun last week on a new chapter house for Sigma Pi, national social fraternity, at the southeast corner of Foster avenue and Thompson street. Present plans call for an L-shaped home of English type.

Although the architect's plans have not been completed, the structure will probably be of stone and brick. The contract for constructing the new house has not yet been let, but it is expected that the building will be ready for occupancy next November.

WINS PHOTOGRAPHY AWARD

Prof. David L. Markle of the electrical engineering department has been awarded a prize of \$20 in gold offered by the Holophane Co., Inc. for photographs of commercial and institutional interiors which would be judged suitable for use in their publications.

CHAIRMAN OBTAINS ACE BRIGADE BAND FOR JUNIOR PROM

14-Piece Orchestra Will Furnish Music with Guy Lombardo At Dance May 15

PANAS CANCELS OLIVER'S TEMPORARY AGREEMENT

Radio, Recording Artists Carry 58 Instruments To Offer Novel Entertainment

Ace Brigade and his Virginians, fourteen-piece orchestra, have been signed to play with Guy Lombardo and his Royal Canadians at Junior Prom May 15, William W. Panas '32, committee chairman, announced yesterday.

A tentative agreement with King Oliver and his Subjects of Jazz was canceled when the Prom committee learned that Ace Brigade's band was available. After considering a change, the committee decided to engage the Virginians, because they believed it to be the better dance orchestra.

Within two weeks of May 15, Ace Brigade and his orchestra will play for proms at Colgate, Syracuse, and Lehigh universities. He was engaged at Pitt and Ohio State universities in January, and last month at Purdue and Northwestern universities.

The orchestra recently celebrated its twelfth anniversary. They have been enjoying a national reputation in engagements at hotels, theatres, and parks in Chicago, Cleveland, Cincinnati, Philadelphia, Toronto, and New York.

Numerous recordings have been made by Ace Brigade's Virginians for Columbia, Edison, Cameo, Okeh, and Harmony companies, and at other stations WJAZ, at Cleveland, and other radio stations which feature his dance music are WJZ, KDKA, WBAL, WIP, WNYC, and WHN.

During the past three years, the personnel of his orchestra has been unchanged. It consists of three reeds, three brass, four strings, one xylophone, one piano, and a drummer. The fourteen men, who are capable of playing fifty-eight instruments, feature entertainment novelties in conjunction with dance music.

SPEAKERS TO SIGN FOR COMPETITION

Sophomore Contest Preliminaries Will Begin Thursday Night, With Finals Friday

With preliminaries scheduled for Thursday night, contestants in the annual sophomore extemporaneous speaking contest will register in Room 107 Main Engineering building at 7 o'clock tomorrow night.

Each contestant will be assigned to one of six sections and will select a topic on current campus or world interest at the meeting tomorrow night. On the following night one speaker from each group will be selected by a single faculty judge to compete in the finals. Speeches in the preliminaries are limited to five minutes.

New topics will be assigned to the finalists twenty-four hours in advance and they will be allotted ten minutes to speak in Schwab auditorium at 7 o'clock Friday night. Three faculty judges, selected by the department of public speaking, will name the winners. Prizes consist of \$50 made to first place winner by the College and \$25 given by the Forensic council to the runner-up.

COUNTY HIGH SCHOOL BOYS TO ATTEND 'Y' CONFERENCE

An annual older boys conference for high school boys of Centre county will be held at Andy Lytle cabin beginning next Friday and continuing until Sunday. This group meeting, which is sponsored by the Penn State Y.M.C.A., is under the direction of Kenneth S. Baul '32.

WILL ADDRESS ROTARY CLUB

At the invitation of James H. Coogan jr., '30, Dean Arthur R. Warnock will address the Rotary club of Berwick Friday, on "The Self-made Man." Coogan is the former editor of the COLLEGIAN and at the present time is connected with the Berwick Enterprise.

June 8 Selected As Date for Class Day

Class Day has been set tentatively for the morning of June 8, according to William B. Heilman '31, who was appointed last week to serve as chairman of the Class Day committee. Commencement exercises will be held in the afternoon of the following day.

The committee in charge of the program is made up of Miss Janet L. Brownback '31, Philip R. Kester '31, John M. Pushkar '31 and P. Kenneth Shoemaker '31. Senior honor men and women will be presented during the exercises, and speeches will be given by the valedictorian, salutatorian, and senior and junior class presidents. The speaker of the Day will be announced later.

DOTTERER TO GIVE L. A. TALK TONIGHT

Will Talk on "Shifting Basis of Morality" at 7 O'clock in 107 Main Engineering

Presenting the last lecture in the Liberal Arts series, Dr. Ray H. Dotterer, head of the department of philosophy, will speak on "The Shifting Basis of Morality" in Room 107 Main Engineering building at 7 o'clock tonight.

In his talk, Dr. Dotterer will discuss the traditional belief that religion and morality are synonymous and that conduct is governed by a set of divine and unchangeable commands. He will trace the present trend and chart the apparent breaking down by science of this belief today.

That the transition from old to new is likely to be accompanied by a measure of social disintegration, is the opinion of Dr. Dotterer which he will develop in the lecture. Believing that philosophy should serve as a clearing house for ideas from all sources and should culminate in a theory of values, Dr. Dotterer will explain the various ideas which are being advanced today on the subject, the authenticity of their sources, and the trends which may reveal the new conception of values.

Wrote Numerous Books Coming to the College in 1918, Dr. Dotterer served on the faculty since that time with the exception of a four year interval from 1926 to 1930 he was a professor of psychology at Franklin and Marshall college. During 1929 and 1930 he taught in the summer school conducted by Johns Hopkins university.

Dr. Dotterer received his doctor of philosophy from Franklin and Marshall college in 1906 and his master's degree four years later. In 1916 he earned a master of art degree from Johns Hopkins and in 1917 a Ph D from the same institution. Among his published works are "Beginnings Logic," "Philosophy by Way of the Sciences," and the articles which appear in magazines on technical subjects.

COLLEGE COMPTROLLER WILL VISIT IN ENGLAND

Raymond Smith To Inspect Colleges On Two-Week Trip Abroad

Raymond H. Smith, College comptroller, will leave State College today on the first leg of a trip through England. He returned Saturday from a two months stay in Miami, Fla., sailing from New York Friday. Mr. Smith will spend approximately two weeks visiting English colleges. Eton, Cambridge, and Oxford are among the schools which are included in his itinerary.

Granted a leave of absence by the Board of Trustees in January, the comptroller plans to return to his desk in August. Mr. Smith journeyed to Florida, but will not accompany her husband abroad.

DEAN ATTENDS CONFERENCE

Dean Will Grant Chambers of the School of Education was in New York last week attending the annual meeting of the inter-state conference of Common Problems of Teacher Education at Columbia university. Dean Chambers conducted a discussion on the subject of "Credit for Extension Work in Teacher Training," as part of the program.

WILL SPEAK ON VIOLET RAY

"Artificial Production of Ultra Violet Light," will be the subject of Dr. W. E. Forsythe, director of Nela Park research laboratories at Cleveland, Ohio, in an open meeting sponsored by Sigma Pi Sigma in the Chemistry amphitheatre at 8 o'clock tonight.

Men's Class Election Polls Open at 12:45 O'clock Today; Women Will Vote Tomorrow

Haller, Maxfield Compete for Leadership of 1932 Co-ed Student Government

SELECT GROUP OFFICERS AT McALLISTER LOBBY

Crowthers, Wilhelm Bear '33 Standards as Campaign Nears Completion

Final elections of women's class officers, in which M. Lydia Haller and Florence Maxfield are candidates for president of next year's senior class, will be held in McAllister hall lobby from 8 until 5 o'clock tomorrow.

As contestants for the office of next year's junior class president, Ruth Crowthers will oppose Virginia E. Wilhelm, while at the same election M. Harriet Allan and Virginia E. Springer are contenders for the executive position of the 1931 class.

Muriel E. Bowman and Mary B. Zahn are the nominees for vice-president of next year's senior class, with Eleanor M. Hill and Margaret E. Tschann candidates for the secretaryship. Miriam E. Gage and Ruth P. Meyer are slated for the office of treasurer, while M. Elizabeth Kinkpatrick will oppose Myrtle N. Webb for social chairman.

Name 1933 Candidates For the position of vice-president of next year's junior class, Helen I. Martin and A. Elizabeth Preston are contenders, as Maegan P. Howell with Susan B. Reeves compete for the office of class secretary. Jean E. Gillespie and Helen I. Pollock are nominees for class treasurer and Phyllis G. Beidler will oppose Marieetta Tregellas for social chairman.

Dotis M. Acker and Elizabeth L. Warner are candidates for vice-president of next year's sophomores, while Ethel H. Fibert and Raymond Kaines will seek the office of class secretary. Eva M. Bluchfeldt and K. Jane Lee are listed on the women's ballot as nominees for the treasurer's post and H. Grace Baer will oppose Betty B. Thompson for the social chairmanship at the women's election tomorrow.

INDUSTRIAL HEADS TO CONVENE HERE

Delegates Will Discuss Employing College Undergraduates in Conclude May 13-15

Discussing the employment of college undergraduates during vacation, as well as other meaning and present personnel of industry, the School of Engineering will sponsor the twelfth annual Industrial conference to be held here May 13-15.

With the new Nittany Lion Inn as headquarters, the conference will have for its general topic the "Stabilization of Technical Personnel in Industry." Forty or fifty representatives of educational and business organizations are expected to attend.

Among the speakers are Carl S. Coler, of the education department of the Westinghouse Electric company; E. W. Ebnach, of the American Telephone and Telegraph company; G. C. Foote, of the personnel department, E. I. DuPont de Nemours Incorporated; Dr. F. Alexander Magoun, Massachusetts Institute of Technology; and David L. Fiske, American Society of Refrigerating Engineers.

WILL ADDRESS GEOLOGISTS

M. Paul D. Torrey, a consulting geologist of Bradford, spoke on "The Geology of the Tioga County Gas Fields" Friday in Room 119 Mineral Industries building. Mr. Torrey has made a study of recent developments in the natural gas fields of Tioga county.

POSTPONE DIESEL LECTURE

The regularly scheduled Diesel talk, which was to be given Thursday by A. P. Petie of Baltimore, was postponed because of his illness. The talk will be given at a later date.

TORREY TO ATTEND DINNER

Paul D. Torrey, visiting consulting geologist, will be guest of honor at the monthly dinner of Sigma Gamma Epsilon, honorary mineral industries fraternity, at the Old Main sandwich shop tonight.

Crookston, Myers, Contend in Race for Senior Presidency—3 Day Balloting Period To End Thursday Noon

Climaxing a week of campaigning, polls in the class and Student Council elections will be opened in the lobby of Old Main at 12:45 o'clock today.

Balloting will continue throughout the afternoon until 5:15 o'clock and will be resumed tomorrow from 8 to 5 o'clock and on Thursday until 12 o'clock when the 1931 elections will be formally closed.

In the elections for next year's senior class officers, J. McLean Crookston will oppose Harold A. Myers for the presidency while Herman C. Weber and George H. Young will compete for the secretaryship.

For 1931 officers, C. Wilson Anderson and Harry H. Balthaser are named for the presidency with John F. Bechtold and James V. Ralston contending for the secretaryship. William J. Dailie and Jerome Parker are the nominees for treasurer.

To secure definite student opinion on sophomore class customs, voters will register their opinion of whether they should be retained or not. In addition to naming their choice for the class officers, voters in each school will select three elective members of the 1932 Council.

Presentation of second semester matriculation cards will be required as a prerequisite to voting and all names will be checked with lists of school enrollment compiled this week by the various deans. Senior members of Student Council will be in attendance at the ballot boxes at all times while campaigning has been in progress within a fifty foot radius of the ballot boxes.

Publish Results Friday Writing in names of students not appearing on the printed ballot will be sent the whole vote according to an election committee ruling. To simplify the voting, students may check individual choices or may vote a straight party ticket.

Results in the election will be computed immediately after the closing of the polls Thursday with members of the election committee counting the returns. The official results will be announced in Friday's Collegian. Two representatives from each party will be in attendance at the counting.

In the alignment by parties submitted to the election committee, the Campus organizations for the 1932 class candidates claim Alpha, Alpha Chi, Sigma Phi, Alpha Phi, Alpha Zeta, Chi Phi, Delta Tau Delta, Epsilon, Kappa Sigma, Phi Epsilon, Phi Gamma Delta, Phi Kappa, and Phi Kappa Nu.

Additional fraternities in that party are Phi Kappa Phi, Phi Kappa Sigma, Phi Kappa Tau, Phi Lambda Theta, Phi Mu Delta, Phi Sigma Delta, Phi Kappa Alpha, Phi Kappa Chi, Sigma Alpha Epsilon, Sigma Chi, Sigma Nu, Sigma Phi Alpha, Sigma Phi Epsilon, Sigma Tau Phi, Tau Sigma Phi, and Triangle.

The fraternities organized in the Locust Lane party for the next year's senior office holders include Alpha Chi Rho, Alpha Gamma Rho, Alpha Kappa Phi, Alpha Phi Sigma, Beta Kappa, Beta Sigma Rho, Chi Upsilon, and Phi Kappa Nu.

Additional fraternities in that party are Phi Kappa Phi, Phi Kappa Sigma, Phi Kappa Tau, Phi Lambda Theta, Phi Mu Delta, Phi Sigma Delta, Phi Kappa Alpha, Phi Kappa Chi, Sigma Alpha Epsilon, Sigma Chi, Sigma Nu, Sigma Phi Alpha, Sigma Phi Epsilon, Sigma Tau Phi, Tau Sigma Phi, and Triangle.

Y.W.C.A. LEADERS NAME 1932 CABINET OFFICERS

Retiring Heads Announce Committee Chairman for Next Year

The 1931-32 Y.W.C.A. cabinet of twelve members, including committee chairman and newly-elected officers of the association, was appointed Thursday by the retiring executive body.

Committee heads selected are Marie C. Fuchan '32, president, Elizabeth M. Kall '32, vice-president, Isabel I. McFarland '32, treasurer, and Margaret S. McMaster '32, secretary.

SELECT SHORT COURSE STAFF

Instructors for the annual short course to be given June 9-13 in industrial engineering to managers of industries were announced recently by Prof. Clarence E. Bullinger of the industrial engineering department. Aiding Professor Bullinger will be Prof. Samuel B. Colgate of the industrial engineering department and Prof. J. Ovis Keller of the department of engineering extension.

WILL ATTEND CONVENTION

Dr. Carl E. Marguardt, College examiner, left this week for Iowa City, Iowa, where he will attend the national convention of Phi Sigma Iota, honorary romance language fraternity, at the Old Main sandwich shop tonight.

Although a 1932 convention site was not selected, the twenty-fifth annual meeting will be held at either Bucknell or Franklin and Marshall. Delegates from six colleges attended this year's convocation.

'31 VALEDICTORIAN

Cutting Receives Salutatorian Honors for June Class Day Ceremonies

Harry W. Lightstone '31 was named valedictorian for the Class Day ceremonies to be held during Commencement week and Alan B. Cutting '31 was chosen salutatorian by an election committee Thursday.

Prof. John H. Fizzell, acting college chaplain and head of the public speaking department, Frank D. Rich, president of Interfraternity council, and David C. McLaughlin, senior class president, composed the committee.

The two seniors named for the highest class honor on the basis of scholarship and participation in extra-curricular activities held between them memberships in seven honorary fraternities of which six are different. Maintain High Averages

Lightstone is affiliated with Delta Sigma Rho, Phi Gamma Mu, and Phi Kappa Phi, forensic, social science, and scholastic honoraries, respectively. He is a member of Student Council and president of Student Religious council. In addition to serving on Forensic council, Lightstone was the sophomore extemporaneous speaking contest and was a member of the varsity debate team during the past two years. He holds an Honor Society Council medal and was a member of the Scholastic Ethics committee. Lightstone ranks scholastically second in his class with a 2.93 average.

Cutting holds membership in Phi Delta Epsilon, Phi Gamma Mu, Delta Sigma Phi, and Kappa Kappa Psi. He has been a member of the Blue Band during the past two years and is retiring business manager of the COLLEGIAN. For the first seven semesters he maintained a 2.11 scholastic average.

DRUIDS ELECT REAGAN SECRETARY-TREASURER

Franklin and Marshall Student Wins Post as National President

Robert R. Reagan '33 was elected national secretary-treasurer of Druids, honorary sophomore society, at the twenty-fourth annual convention of the organization held here Friday and Saturday.

W. Lester Osborn of Franklin and Marshall college was named national president of the group following an election of officers. As vice-president for next year, Noah B. Jones of Bucknell university succeeds George T. Lusch '32.

Although a 1932 convention site was not selected, the twenty-fifth annual meeting will be held at either Bucknell or Franklin and Marshall. Delegates from six colleges attended this year's convocation.
