STUDENT WELFARE GROUP SANCTIONS WOMEN'S VISITING

Upholds Petition of Fraternity Presidents, W. S. G. A. at Meeting Wednesday

RULE SETS DEADLINE AS 10 O'CLOCK ON WEEKENDS

Senior Co-eds Permitted Extra Half Hour—Organizations Pledge Enforcement

Following the petition of the Fraternity Presidents' committee and W. S. G. A., the Senate Committee on Student Welfare approved Wednesday the recommendations under discussion concerning the presence of unchaperoned women in fraternity houses.

Originally presented by the Fraternity Presidents' committee, the new ruling permits unchaperoned women to visit fraternity houses until 10 o'clock on Friday, Saturday, and Sunday nights, provided that a minimum of three couples is present. Senior women are allowed to be in a house until 10:30. Sustained by the W. S. G. A. Senate, the petition was presented to the Student Welfare committee for its approval Wednesday.

The committee believes that this action will correct unsatisfactory conditions, since the student organizations have pledged themselves to enforce the regulations. Any fraternity which fails to uphold the terms of the agreement shall forfeit the granted privileges, and shall not be allowed to entertain unchaperoned women as guests in its house.

Dean Explains Action

When questioned concerning the action of the committee, Dean of Men Arthur R. Warnock explained, "We have approved the recommendation with the understanding that unchaperoned women shall be in fraternity houses during the scheduled hours only. The action of the committee is to be regarded as a restriction rather than a permission."

The committee on Student Welfare is composed of Arthur R. Warnock, Dean of Men, as chairman, Miss Charlotte E. Ray, Dean of Women, Prof. Lucretia V. T. Symmons of the German department, Col. William B. McCaskey of the department of military science and tactics, and Dr. Joseph P. Ritner, College physician.

LEWIS GAINS A. A. PRESIDENTIAL POST IN SECOND BALLOT

Polls 390 To Defeat Stempeck By 4-Vote Margin for 1932 Leadership

STUDENTS APPROVE ALL CONSTITUTIONAL CHANGES

Stoop Attains Secretaryship on First Tabulation, Winning Plurality of 322

A margin of four votes gave Alfred E. Lewis '32 the presidency of the Athletic association over Stanley C. Stempeck '32. Lewis carried Agriculture, Education, and Liberal Arts Schools to win by 390-386.

The second ballot was necessitated because of the failure of any of the six presidential candidates to poll a majority in the first day's voting on Tuesday. David A. Stoop '32 defeated Jack C. Meyers '32 497-467 for the secretaryship on the first ballot.

All three amendments to the association constitution were unanimously approved by the 576 students voting in this division of the ballot.

Lewis and Stempeck received the highest totals in the initial voting, with 212 and 193 respectively. Other candidates who followed the leaders were William W. McMullen 124, George T. Lasech 112, Fred C. Brand Jr. 102, and William V. Matz 61.

Amendments to the cheerleading system included the ruling that there should be three senior leaders, one head, and two associates. The new amendment provided that there shall also be three junior assistants and any number of sophomore candidates for the junior positions.

To Give Gym Team Leader

The head cheerleader is to be elected by a committee of six, the director of athletics, football coach, director of music, president of the athletic association, and head cheerleader. This committee, in collaboration with the junior assistants, will choose the incoming junior group.

Under the new ruling, sophomore candidates are to be called out in the fall, and act as assistants until the end of the winter sports season, when the junior elections will take place.

The amendment also provides that the senior cheerleaders will wear a uniform of a white, round-necked sweater with a two-inch band of blue around the neck, and white flannel trousers.

Junior assistants are to be given class numerals, while the two senior associates will receive a four and one-fourth inch circle "S." The head cheerleader is to be awarded a black letter "S" of the same size.

Members of the gymnasium team who have competed in half of the meets, provided four are scheduled, will be eligible for the four and one-fourth inch block letter "S." The same award is to be given members of the varsity wrestling team who take part in at least four intercollegiate meets or who score in the Eastern Wrestling Intercollegiate.
