

**32 APPOINTED TO COLLEGE FACULTY**

(Continued from first page)

Literature, September 1, 1931, to June 30, 1932—to take up graduate work at Columbia University.

A. L. Wright, assistant professor of mathematics, continuation of leave during the academic year beginning September 1, 1931, to June 30, 1932—to take graduate work at Harvard University. Gerald J. Stout, instructor in vegetable gardening, from November 1, 1931, to August 31, 1932. Lee O. Overholt, professor of botany, August 1 to September 30, 1931, and from February 1 to April 30, 1932—special work in the office of Forest Pathology, Bureau of Plant Industry of the U. S. Department of Agriculture, Washington, D. C.

According to an announcement from the President's office yesterday, the following are the new appointments to the College faculty for the 1931-1932 term:

Theodore R. Bassett, instructor in English composition; Robert G. Bernreuter, assistant professor of education and psychology; Arthur W. Clyde, associate professor of agricultural engineering; Elwood C. Davis, professor of physical education; R. M. Decker, instructor in agricultural extension.

George H. Fancher, assistant professor of petroleum research; Rowland C. Gerson, instructor in engineering drawing; Edward R. Hawkins, instructor in economics; Percival P. Henshall, assistant professor of industrial engineering.

Clifford B. Holt Jr., instructor of electrical engineering; Joseph O. P. Hummel, instructor of industrial engineering; Clarence H. Kent, associate professor of mechanical engineering; Franklin B. Krauss, associate professor of education; Frank H. Koons, professor of educational administration, and assistant director of correspondence instruction in School of Education.

Willard P. Lewis, College Librarian; Wilbert B. McCluer, research assistant in petroleum research; Grover I. Mitchell, assistant professor of mechanical engineering; Raymond E. Murphy, assistant professor of economic geography; John S. Naylor, instructor in English composition; William H. Peters, instructor of mechanical engineering.

Martha Pilger, instructor in German; Alfred G. Pinedt, instructor in history; Philip X. Rice, assistant professor of electrical engineering; R. R. Rosenkrans, instructor in mineralogy; Arthur Rose, assistant professor of chemistry; Merit Scott, instructor of physics; Clayton H. Schug, instructor in public speaking; Willard Waller, associate professor of sociology; Willa C. P. Williamson, assistant professor of music; Charles S. Wyand, instructor of economics, and Fidelity Weaver, assistant professor of economics.

The Board committee will meet sometime in October in order to consider further changes in the personnel of the College staff, and advancements in rank for present faculty members.
