

YEARLING GRIDMEN LOSE OPENER, 19-7

Dickinson Seminary Defeats '35 Football Team in Initial Game of Season

Yielding to a determined second-half rally after holding a 7-to-0 advantage at the half, Penn State's freshman football team bowed to a superior Dickinson Seminary eleven, 19-to-7 in the plebes' opening game of the season Saturday on New Beaver Field.

In winning its fourth victory in as many starts, the big Orange team from Williamsport swept down the field for five first downs in the second half as it held the Lions to one late in the fourth quarter. First half statistics gave the Conover-coached eleven a four to three advantage over their opponents.

For the most part, it was the shattering of the Nittany defense which led to the Seminary victory. Having once picked out weak spots in the line, Martin, Smith, and Freed, a powerful ball-carrying trio, smashed through for repeated gains. This weakness in the freshman line was perhaps most glaring when Painton spun through tackle from the twenty yard line for the final Orange touchdown after intercepting a Lion forward pass.

Freshmen Score Early
On the defense, the Lions never did get going. Bottled up by the Seminary forwards, Sigel was able to exhibit only one outstanding run as a sample of his ball-carrying ability. Skemp's plunging helped materially in securing the Lion touchdown, but he too was held in check most of the game. However, even in defeat, the freshman backfield showed evidences of promise which may be more apparent Saturday.

State's score came at the beginning of the second quarter. Following Downs' poor punt to the thirty yard line, Skemp's line plunging gave the Nittany eleven a first down on the fifteen yard marker. Dickinson rushed in almost a whole new team, but they were unable to stop the Lion fullback, and, carrying the ball three out of four times, he drove his way to another first down on the five yard line. Sigel gained a yard and Douglas scored on a reverse. Douglas also kicked the point.

With the ball on the State sixteen yard line as a result of Sigel's kick against the wind, the visitors found themselves in a scoring position early in the third quarter after having lost an excellent chance in the second quarter through a severe penalty. The Nittany wall held Freed for a yard gain, but Martin made the touchdown in four rushes through the line. Scott missed the point.

Our Opponents

Syracuse-Florida
The Orange found little trouble with the 'Gators and were on the long end of a 33-to-12 score when the whistle blew to end the game Saturday. Joe Moran, who boxed in the intercollegiate here last March, scored two of the Hill touchdowns, while Paschal was also prominent in the Syracuse triumph.

Pitt-Western Reserve
Joek Sutherland sent the Panther second team against the Clevelanders, and the reserves piled up a 25-to-0 score in three quarters. The varsity limbered up in the final period and added seven points to the Blue and Gold total. Pittsburgh took no chances at not being in good condition for Notre Dame Saturday.

Colgate-Manhattan
Manhattan put up a much stiffer fight than most of the experts expected, but the result was an almost inevitable Maroon triumph. The score was 33-to-0, all of which proved again that the Hamilton eleven is still one of the East's strongest and the Houseparty crowd will witness a smash-working machine with a baffling aerial attack when the Kerrmen appear here two weeks from Saturday.

Lafayette-St. John's
One of Saturday's minor surprises was the strong showing the Annapolis team made against an undeniably powerful Easton eleven. The final score was 22-to-0, and Lafayette fought all of the way for it. The Leopards unleashed a new sophomore scoring threat in Harry Wright, whose sensational runs scored two of the Maroon's three touchdowns.

West Virginia-Washington and Lee
West Virginia proved itself more of a dilemma than ever by coming back from its 34-to-0 trouncing at the hands of Pitt last week to decavely defeat Washington and Lee's Generals 19-to-0. There was never any doubt of the Mountaineer supremacy. They rang up fourteen first downs to the Generals' two, and their goal line was never in danger.

Temple-Bucknell
As expected, the Owl-Bison game was close, so close that neither team was able to score, and the game ended without any question of supremacy decided. Temple carried off what glory there was in the first half.

Dickinson Seminary scored again a short while later when they received the ball on the fifteen yard marker because of another bad kick. In five rushes, Martin again plunged through and Scott kicked the point.

Phi Gamma Delta and Delta Sigma Phi No. 1, Theta Kappa Phi No. 1, and Sigma Chi No. 1, and Lambda Chi Alpha and Kappa Sigma are the other pairings. let's all go to

TURKEY

Eastward ho! Four thousand miles nearer the rising sun—let's go! To the land of mosques and minarets—so different from our skyscrapers, stacks and steeples. Let's see this strange, strange country. Let's see the land where the tobacco* grows in small leaves on slender stalks—to be tenderly picked, leaf by leaf, hung in long fragrant strings, shelter-dried and blanket-cured. Precious stuff! Let's taste that delicate aromatic flavor—that subtle difference that makes a cigarette!

XANTHI . . CAVALLA . . SMYRNA . . SAMSOON . . famous tobaccos!

*Turkish tobacco is to cigarettes what seasoning is to food—the "spice," the "sauce"—or what rich, sweet cream is to coffee! You can taste the Turkish in Chesterfield—there's enough of it, that's why. Chesterfield has not been stingy with this important addition to good taste and aroma; four famous kinds of Turkish leaf—Xanthi, Cavalla, Samsoun and Smyrna—go into the smooth, "spicy" Chesterfield blend. This is just one more reason for Chesterfield's better taste. Tobaccos from far and near, the best of their several kinds—and the right kinds. And pure, tasteless cigarette paper, the purest made. The many requisites of a milder, better smoke, complete! That's why they're GOOD—they've got to be and they are.
