AERO CLUB BEGINS WORK ON FUSELAGE OF METAL GLIDER

The Penn State Aero Club announced yesterday that the work on an all-metal glider has been started. The work is to be done entirely by members of the club.

Penn State is the first college in the country actually to build a glider, although many institutions have kept pace with the college, in offering courses in aeronautics to senior engineers.

Girls vote for PIPES (for men!)

ASK any girl you know to name her favorite smoke—for men! Ten to one she'll say a pipe!

She's discovered—trust her bright little eyes—that it's the BIG men, on the campus and off, who welcome the mental stimulation and relaxation they get from this real man's smoke.

And if she's very wise in the ways of smokers, she'll go one better than that. She'll tell you the men who know, smoke Edgeworth!

No two ways about it, you do get a doubly satisfying smoke when you fill your pipe with this famous old blend. It's a happy combination of choice burleys—cut long to give you a cool, slow-burning smoke.

And its mellow flavor and rich aromahavemade Edgeworth the favorite pipe tobacco on 42 out of 50 campuses.

Help yourself to a pipeful next time someone pulls Edgeworth out of his pocket. Pick up the familiar blue tin yourself at any good tobacco stand. Or for a special free sample packet write to Larus & Bro. Co., 105 S. 22d St., Richmond, Va.

EDGEWORTH SMOKING TOBACCO

Edgeworth is a blend of fine old burleys, with its natural savor enhanced by Edgeworth's distinctive and exclusive eleven-step process. Buy Edgeworth anywhere in two forms—Edgeworth Ready Rubbed and Edgeworth Plug Slice. All sizes, 15¢ per package to \$1.50 per pound humid tin.
