

FRESHMEN ENGAGE ACADEMY ELEVEN

Conover Shifts Lineup for Tilt Against Bellefonte Team Tomorrow Morning

Seeking its first victory of the season, a revamped freshman football eleven will meet Bellefonte Academy's strong team at 10 o'clock tomorrow morning on New Beaver field.

The Blue and White team which takes the field against the neighboring prep school tomorrow will be far different from the eleven which faced Pitt in the last freshman game here two weeks ago, for Coach Larry Conover has made a radical shakeup in the team's personnel in an effort to hang up a victory over the Academy team.

On the forward wall, Kreizman at right tackle and Elbert Johnson at right guard are the only linemen who faced the Panthers to get the call for tomorrow. Conover has shifted Webb from his former position at left tackle to left end, and replaced McCabe at the other terminal. Fletcher will take McLaren's place in tomorrow's starting lineup.

Sigel Will Play

Lou Allen, who showed up well defensively against the Pitt yealings, has been converted from an end to a guard by the plebe mentors and will start, together with Johnson, at the guard posts. Hayward replaces Woolbert, who is suffering from a dislocated shoulder since the Pitt game, at center, and Paik pairs with Kreizman as a starting tackle.

Although still feeling the effects of a leg injury suffered against the Blue and Gold eleven, Harry Sigel will take his usual halfback position in the starting backfield. By replacing Taylor at the other halfback post, Douglas becomes the third Bellefonte Academy graduate to face his old teammates in the starting Nittany lineup.

Mikelonis retains his usual position at quarterback in the lineup which will take the field for the freshmen tomorrow, but Skemp will be replaced by Boring at fullback. The Scottsdale plunger will probably see service before the game is ended, however.

Have Mediocre Record

As his second string lineup, Conover has named McCabe and McLaren at the ends, Hannah and Anderson at tackles, Kessler and Niemi as guards, and Woolbert in the snapper-back position. The reserve backfield includes Hunter, Taylor, Delaberto, and Skemp.

The visiting team made its best showing of the year when it held the strong Western Maryland freshman eleven to a 7-to-0 score at Bellefonte Saturday. Its first three games of the year resulted in ties with Wyoming Seminary, Keystone Academy, and the Duquesne freshmen. In the only other game they played, the Academy gridders took a 26-to-0 defeat at the hands of the West Virginia yealings.

Coach Cartmell's History Discloses Athletic Prowess

Intercollegiate champion in two events for three consecutive years and holder of a world's record are listed among the accomplishments of Nate Cartmell, Nittany track and field coach and producer of four intercollegiate championship cross-country teams.

Coach Cartmell first became prominent in athletics at DuPont Manual Training School in Louisville, Ky., where he was a member of the track and football teams. Entering the University of Pennsylvania, the southern athlete embarked on an unusually successful athletic career.

In 1901 Olympics, Nate gained his first national recognition when he placed second in the 100 and 200 meter dashes. In 1907 he won intercollegiate championships in the 100 and 200 yard dashes and retained these titles in 1908 and 1909. In addition he finished third in the 200 meters and fourth in the 100 meters at the 1908 Olympics.

Turning professional in the same year, Cartmell broke the world's record for the 220 by running the distance in twenty-one and a half seconds. This title was still held by Coach Cartmell when he officially retired a few years later.

CHI UPSILON WINS I. M. CROSS-COUNTRY TITLE

Secures 70 Points as Kappa Sigma Places Second With 71

With a total of seventy points, Chi Upsilon won the intercollegiate cross-country run Wednesday afternoon. Kappa Sigma placed second with seventy-four and Phi Kappa Sigma was third with eighty-three points.

Completing the one and three-quarter mile course in nine minutes and fifty-five seconds Dunaway, representing Kappa Sigma, won the meet. Hughes, Watts hall entrant, finished second, while Masters, of Delta Sigma Phi, finished third.

One hundred and sixteen runners representing eighteen groups entered the meet. This is the largest number of individuals ever to be entered in the meet, which is an annual affair.

HARRIERS TO MEET ORANGE TOMORROW

Lions Will Engage Undeclared Hillmen in Contest Over Syracuse Course

Two undefeated and potential intercollegiate championship teams will meet tomorrow when the Nittany harriers engage the Orange runners over the difficult Syracuse cross-country course.

Syracuse has a perfect record of three consecutive victories for the season. In their first meet the Hillmen registered a perfect score against Hobart. Following the Hobart meet the Syracuse hill and daleers journeyed to Pittsburgh where the Panthers were set down 19-to-76. Last week the Colgate runners were defeated in a dual meet at Syracuse, 19-to-76.

Breaks Reker's Record

Captain Larry Belanger is the outstanding runner on the Orange team. Belanger has finished first in each of the three Hill meets and is one of the favorites to win the intercollegiate title this year. In the Colgate meet the Syracuse captain broke the course record, formerly held by Paul Reker, when he negotiated the course in twenty-nine minutes and twenty-nine seconds.

In all probability the same team will face the Syracuse runners tomorrow that met the Pitt team Saturday. In addition to Captain Glassburn, England, King, Gunninger, Ryshel, Spence and Van Cise will make the trip to Syracuse. The two teams will run over the Dumlins course.

Captain Belanger, Sergeant, Bateman, Harrison, Johnson, Councen and Streeter are Coach Keane's choice to face the Blue and White. The Syracuse meet will be the last for the Lions until the intercollegiate at Van Cortlandt Park, New York City, November 16.

Our Opponents

Lafayette-Rutgers

With Jack Grossman, who has been one-tenth of the Scarlet offense his year, out of the game, the Rutgers try tomorrow should serve as no more than a breather for Lafayette before meeting the Lions next week. We predict a Maroon victory by a margin of at least three or four touchdowns.

W Virginia-W Virginia Wesleyan West Virginia meets a future in the Bobcats, who held Navy to a scoreless tie last week, even though many of their stars were out of the game because of eligibility rulings. With Cliff Battles running wild again, they should defeat the Mountaineers by a close score.

Lehigh-Princeton

The Brown and White is out to repeat last year's victory over old Nassau, and, after their great exhibition of all-around play against Muhlenberg last week, would seem to have an excellent chance of doing so. We have a hunch, though, that when the smoke of battle has cleared, the Tigers will be holding a very close margin of victory.

Waynesburg-Geneva

If the same Waynesburg team which faced State in the opening game of the season here were able to play, we would be tempted to call this one a Yellow Jacket victory. However, the majority of the first-string lineup is suffering from injuries, and consequently the Covenanters seem to have a pretty big edge.

Temple-Villanova

A real battle ensues when these two rivals hold their annual grid battle, and, on the strength of their fight in recent games, we give a slight edge to the Wildcats over the Owls.

Trophies Will Leave Varsity Hall Cases

Penn State's sports trophies will be moved from Varsity hall to display cases in Recreation hall, Dean Hugo Bezdek, of the Physical Education School, announced yesterday. The cups will be arranged on shelves to be built soon in the hall of the building, he said.

"With the passing of Varsity hall as the home of Penn State athletes, trophies won by our teams no longer rightfully belong there," Dean Bezdek said. "Their presence in Recreation hall will put them before the eyes of students and, at the same time, will add to the appearance of the building."
