According to Philadelphia sport writers, only Lafayette's superior reserve power enabled the Mount to overcome Lehigh Saturday. The victors were unable to equal the Bethlehem eleven's early lead until late in the third quarter, when they scored the first of their two tallies against their weakened opponents.

Penn State has weakened sufficiently in the last quarter of each of its past three football engagements to allow the opposing eleven to score thirteen points. In Saturday's contest with West Virginia, the Lions were bettered by only one touchdown until after the third period.

Notre Dame's three-year gridiron reign was not the only one brought to a close Saturday. While the Irish dropped their first game in twenty-six to the University of Southern California, 16-to-11, Hobart won its first game in twenty-seven against 115 by topping Rochester, 13-to-7.

"Whitey" Horn, who played goalie on the Nittany soccer team in 1926 and 1927, is expected to return to school next year. Although he took part in only a few games in 1926, Horn was named all-American for his brilliant defense work. He left College after his junior year.

In an interview with Director Hugo Bezdek of the Physical Education School which appeared in a Philadelphia newspaper Sunday, the former Lion coach is quoted as praising Bob Higgins for "doing a fine piece of work under circumstances that would make almost any one else throw up his hands and quit."

Booters Close Undefeated Season Downing Owls, 4-0

Temple Falls Prey to Last Half Rally Saturday

The Penn State soccer team closed its fourth undefeated season in six years by winning over Temple University, 4-to-0, in a last half rally Saturday afternoon.

Having coached unbeaten teams in 1926, 1928, and 1929, Coach Bill Jeffrey led the Nittany booters to another record year this season. The well-coached Lion teams have suffered only two defeats since 1926, establishing the best defensive record in eastern collegiate soccer.

Lacking direction in their kicks, the Blue and White players were unable to score in the first half. However, they managed to break loose from the Owls in the third quarter and tally three one-pointers, followed by a goal in the last period.

Edwards, Bradford Score
The first score was made on a pass by Chuck Musser to Shifty Edwards, who kicked the ball into the corner of the net early in the third period. A few minutes later, Bradford skated around the left side of a Temple fullback and sent an oblique shot into the goal.

In the middle of the fourth setto, the final score was made on a perfect cross by Dutch Miller to Bradford, who drove the ball right out of the air into the net. Bradford was the star of the game in his speedy passing and scoring style, while Miller and Masters displayed excellent play-form in their last collegiate soccer game.

West Virginia Mountaineers before a small homecoming crowd at the Mountaineer Field on Saturday by a 19-to-0 score.

Except for a forty-eight yard run for touchdown by Leo Dotson, the Lions battled the Mountaineers evenly during the first three quarters. Patriot, who had replaced Captain Dove at quarterback, enabled the Mountaineers to score two more touchdowns by his accurate passing.

To show how the Mountaineers outclassed the Lions the following statistics will suffice. The Nittany eleven gained 52 yards against 290 and completed no forward passes, while the Mountaineers netted 68 yards through the air.

The department of play in which the Mountaineers really excelled was in the return of punts. John Doyle, who ran back one of Conn's punt-seventy yards for a touchdown only to have the play called back because an official detected holding on the part of a Mountaineer back, returned seven punts for eighty-seven yards, as Snyder ran back three for sixteen yards.

I. M. TEAMS REACH SEMI-FINAL STAGE

Play-off of Final Game Scheduled For Saturday Following Vacation Recess

Semi-finalists in the intramural football tourney who were to meet last night are Phi Sigma Kappa versus Chi Upsilon, and Sigma Nu opposing Kappa Sigma. The final game will be played Saturday afternoon following Thanksgiving vacation.

Phi Sigma Kappa advanced to the semi-finals Thursday night by downing Alpha Chi Sigma, last year's tournament winner, eleven first downs to three. Off-tackle plays, in which fullback Travers was a consistent game, featured the winners' play.

Chi Upsilon, through sweeping end runs and off-tackle slants, defeated Phi Kappa Sigma, 7-to-0. The losers' heavy line was unable to check their opponents' advance. Kappa Sigma,

on Friday night, overcame Phi Kappa by an 18-to-0 score. Two touchdowns resulted from tackle plays and the third through an end run.

Mixing aerial and line attacks, Sigma Nu downed Delta Sigma Phi, 6-to-0. The tally came on a thirty-five yard run after White, halfback, had caught a long pass.

An all-intramural team is being selected and will be announced after the final games, according to Francis E Schill '32, tourney head.

WHY do more and more smokers say:
"I've changed to Chesterfield"
BECAUSE...
THEY'RE MILDER. It's the tobacco! The mildest that money can buy. Ripened and sweetened in the sunshine... cured by the farmer... then aged for two years in wooden hogheads.
THEY TASTE BETTER. These tobaccos are put together right. Rich aroma of Turkish and mellow sweetness of Domestic, blended and cross-blended to Chesterfield's own BETTER TASTE.
THEY'RE PURE. Everything that goes into Chesterfield is tested by expert chemists. The purest cigarette paper made, tasteless, odorless. Sanitary manufacture... no hands touch your Chesterfields. They're as pure as the water you drink!
THEY SATISFY. You break open a clean, tight-sealed package. You light up a well-filled cigarette. Yes, sir... you're going to like this cigarette! And right there is where many a smoker changes to Chesterfield. They Satisfy!
