

INTRAMURAL FIVES REACH 2ND ROUND

60 Basketball Teams Play Off Matches in 5 Leagues Of Tournament

As the first round of the intramural basketball tournament swings to a close, sixty teams are getting ready to play their second or third games in the five leagues.

Monday night saw Phi Gamma Delta defeat the Sigma Chis, 28-to-14, Theta Chi downed Alpha Chi Sigma, 17-to-9, a strong Phi Kappa Sigma quintet scored a 25-to-10 victory over Theta Nu Epsilon, Beta Kappa took Tau Phi Delta across by 18-to-9, and the Ducks five went down before Lambda Chi Alpha, 20-to-12.

Sigma Phi Epsilon found little trouble with Phi Mu Delta on Tuesday night, winning 26-to-6. Other games that night were Tau Sigma Phi, Phi Epsilon Pi, in which the former emerged victor by 21-to-12, Theta Upsilon Omega defeated Phi Lambda Theta, 17-to-12, Chi Upsilon was high scorer for the night with a 30-to-15 win over Rho Dammitt Rho; and Sigma Phi Sigma downed the Ilugh Beaver club, 18-to-12.

No Games Friday, Saturday
Some high scores were recorded on Wednesday night. Beta Theta E bowled over Delta Tau Delta, 21-to-16, Alpha Chi Rho took a 36-to-18 game from the Five Aces, Phi Kappa Psi took out a 17-to-15 victory over Delta Theta Sigma, Phi Kappa Alpha was defeated by Kappa Sigma, 25-to-13, Alpha Gamma Rho was snowed under by Commons club, 45-to-11.

Because of the dance and athletic meets in the Recreation hall, there will be no contests Friday and Saturday. Fifteen games, however, are scheduled for Sunday afternoon and night. At 2 o'clock Phi Kappa Tau, Phi Mu Delta, Tau Sigma Phi, Phi Lambda Theta, and Commons club-Sigma Phi Epsilon are to be played. Phi Epsilon Pi-Theta Upsilon Omega, Rho Dammitt Rho-Sigma Phi Sigma, and Chi Upsilon-Illugh Beaver club will play at 3 o'clock. At 1 o'clock games are to take place between Phi Gamma Delta-Theta Chi, Sigma Chi-Alpha Chi Sigma, and Kappa Delta Rho-Theta Nu Epsilon fives. Three games are to be played at 7:30 o'clock, Phi Kappa Sigma-Theta Kappa Phi, Tau Phi Delta-Lambda Chi Alpha, and Ducks Five-Beta Kappa being the competitors. At 8:30 three contests will wind up the evening with Delta Theta Sigma-Beta Theta Pi, Alpha Chi Rho-WFSC, and Delta Tau Delta-Phi Kappa Psi furnishing the competition.

Penn State Called Logical Place for School Tourney

Lewistown Editor Describes Central Location of College as Attractive to Crowds

Sounding the first note in the COLLEGIAN'S state-wide campaign to bring the annual interscholastic basketball tournament back to Penn State, Richard S. Ruble, sports editor of the Lewistown Sentinel, expresses the opinion that "the Pennsylvania State College is the logical place for the games, both geographically and for its accommodations."

Mr. Ruble says in part that the question is one that should find support among all the leading high schools of the State. He feels that with a conflict of dates such as caused the change in location of the tournament in 1929 removed, there is no reason why the games should not be played here.

"From experience, I can say that it is more satisfactory," the Lewistown sports editor reveals. "For instance, in 1928 when Lewistown High played Hazleton High in the finals, the largest crowds in several years attended. If a Western school had had Lewistown's place and the game had been played in Pittsburgh such an arrangement would have been far from satisfactory." It is logic that even the dullest grammar boy can understand to say that State College, because of its central location, is the most satisfactory of all sites.

In concluding, Mr. Ruble presents

TRACKMEN TO COMPETE IN ALL-COLLEGE MEET

Divide Runners Into 2 Classes For Contest Tomorrow Afternoon

Trackmen will have their first try on the boards this year when they will participate in an all-college track meet to be held at 3 o'clock tomorrow afternoon on the football practice field. The entire contest will be held on the new board track.

The runners will be divided into two classes, the varsity composing one group and freshmen and others composing the second. Competition will be held in the 70, 220, and 410 yard dashes, in addition to the half mile and mile runs. Hurdles will also have their chance in the 70 yard high hurdles.

Because this is not an interclass meet, points scored tomorrow will not count towards numerical awards. Coach Nate Catmell will be in charge of the contest.

his assurance that the efforts to have the annual games again played here, where they were staged until 1929, can be sure of "healthy support in this quarter." This support, he indicates, must be a logical conclusion from the belief that games are played for the basketball fandom as well as to determine a champion.

Mr. Ruble's statements on the question are the first of a series of sports editors' throughout the State, to be published. The COLLEGIAN is feeling out sentiment on having the games played here again because of a belief that there is a widespread desire throughout the State for the tournament's return to State College.

CO-EDS CONDUCT RIFLE MATCH BY TELEGRAPH

Varsity Squad Engages Washington, Massachusetts State Teams

The women's rifle team held a telegraphic match with the University of Washington, at Seattle, Washington, and the Massachusetts State College, at Amherst, Massachusetts, on Wednesday afternoon.

On Monday the State squad will shoot against the University of South Dakota and the State University of Iowa. Later matches will be held with the Universities of Wyoming and Oklahoma, with Cornell University, Kansas State College, DePaul University, the University of Maryland, the Universities of Pennsylvania and Michigan, Carnegie-Institute of Technology, Louisiana State University, and Dixiel College.

Members of the local squad are M. Elise Culbertson '33, Helen A. Hoover '31, Nancy B. Sankey '33, Margaret C. Smith '33, Marjorie S. Stevens '33, Charlotte L. Summers '33, Natalie A. Skolowski '31, F. Louise Adams '35, Elsie M. Douthett '35, Sarah A. McKee '35, Frances T. Paschall '35, Anna C. Strong '35, Edith M. Tay '35.

50 INTRAMURAL BOXERS REGISTER FOR TOURNEY

Houck To Instruct Entrants Before Bout—16 Fraternities Enter

Eighty men, comprising sixteen fraternity and non-fraternity units, have already entered the intramural boxing tournaments.

Because of the length to which the basketball tournament will have to run, the mittmen will not begin actual competition until about February 15, according to John A. Wood '33, manager. Practices for entrants will take place every Monday, Wednesday, and Friday from noon until 1 o'clock, under the supervision of Coach Leo Houck.

Fraternity teams desiring to enter the tournament should report to Wood at the Phi Pi Phi house, while individuals who expect to compete are requested to register at the Student Union office in Old Main.

INTERCLASS BOXING TOURNEY BEGINS TUESDAY AFTERNOON

Eliminations in the interclass boxing tournament will begin Tuesday afternoon according to Leo Houck, boxing mentor.

Over 130 freshmen have been working out in practice sessions in the past week. Sixty sophomores and about thirty juniors and seniors are also entered in the competition.

But the telephone conversation must not freeze

A sudden cold snap might seriously interfere with long distance telephone service were it not for the studies made by Bell System engineers. They found that temperature variations within 24 hours may make a ten-thousandfold difference in the amount of electrical energy transmitted over a New York-Chicago cable circuit! On such long circuits initial energy is normally maintained by repeaters or amplifiers, installed at regular intervals. So the engineers devised a regulator—operated by weather conditions—which automatically controls these repeaters, keeping current always at exactly the right strength for proper voice transmission. This example is typical of the interesting problems that go to make up telephone work.

BELL SYSTEM
