the affair. With Ted Brownagle's band furnishing the music, the Commencement dance will start immediately after the reception and will last until 2 o'clock. As a measure of economy, the customary invitations to seniors have been dispensed with this year. There will be no assessment for admission to the dance, which is open to everyone.

An extensive program has been arranged for Saturday, which has been designated as Alumni Day. The annual alumni golf tournament and an alumni-varsity lacrosse game are scheduled for the morning together with meetings of the Alumni council and election of trustees. A meeting of the College Board of Trustees will be held in the afternoon.

# Do you inhale?

Almost an "untouchable" subject in cigarette advertising

...yet 7 out of 10 smokers inhale knowingly—and the other 3 inhale unknowingly!

REALLY now—how often have you wondered why the subject of inhaling has been generally avoided in cigarette advertising? Why the silence? We all inhale—knowingly or unknowingly! Each and every one of us breathes in some part of the smoke from our cigarette. Luckies assure you the clean, pure cigarette you want . . . because certain impurities concealed in even the finest, mildest tobacco leaves are removed by Luckies' famous purifying process. Luckies created that process. Only Luckies have it! "Fifty million smokers can't be wrong!"

Do you inhale? Lucky Strike has dared to bring up this vital question—for Luckies have the answer!
