4 O'Clock Classes Fewer, Bissey Says

(Continued from page one)

each year in College, Mr. Bissey revealed. Only 2.5 percent of the freshman classes are scheduled for four o'clock hours while 12.7 percent of the present senior group take classes at this hour. The increase is due to the wide variety of elective courses permitted the student as he advances each year, according to the scheduling officer.

LEWIS TO LEAD DISCUSSION

Speaking on "Books in College," Willard P. Lewis, College librarian, will lead the third of a series of discussions sponsored by the Penn State Christian association in the Hugh Beaver lounge in Old Main at 7 o'clock tomorrow night.

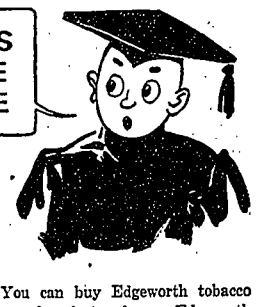
HOW TO AVOID BONERS



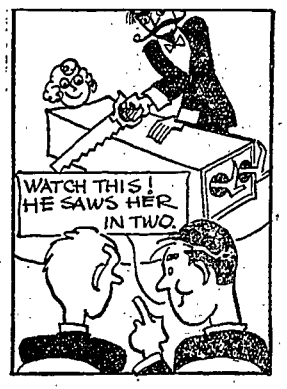
POOR BILL BONER—he just can't think straight. He thinks a person is safe from contagious disease if he is intoxicated!

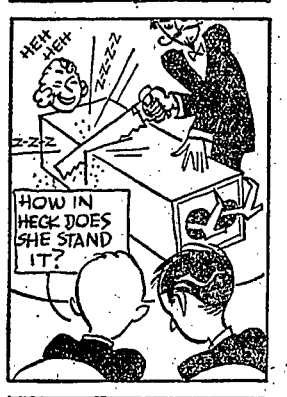
But no college man ever pulls boners with a good pipe between his teeth. There's something about a pipe and tobacco that soothes a man, helps him think straight. That is, of course, if he uses the right tobacco. *A recent investigation showed Edgeworth to be the favorite tobacco at 42 out of 54 leading colleges.*

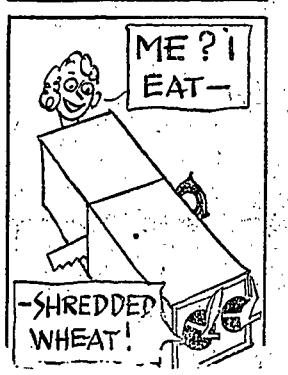
If you're not already an Edgeworth smoker, there's new smoking satisfaction waiting for you. Edgeworth's blend of fine old burleys is distinctive, *different*. You'll *know*—after the first puff.

You can buy Edgeworth tobacco anywhere in two forms—Edgeworth Ready-Rubbed and Edgeworth Plug Slice. All sizes—15¢ pocket package to pound humidor tin. Or, if you would like to try before you buy, write for a *free* sample packet. Address Larus & Bro. Company, 120 S. 22d St., Richmond, Va.

EDGEWORTH SMOKING TOBACCO







EVERYTHING'S under control when you eat Nature's own energy food, 100% whole wheat (Shredded Wheat for short!) Launch two big biscuits into a bowl of milk or cream and hop to it. And *get this!* ALL the energy-building elements that Nature put into wheat are right here in these golden-brown biscuits.

So call the waiter! Tell him you've decided to double up on energy! Tell him you want to put spring in your step and fire in your eye. Tell him you want Shredded Wheat!

When you see Niagara Falls on the package, you KNOW you have Shredded Wheat.
