

NITTANY BOOTERS TO OPEN SEASON TOMORROW

LIONS WILL MEET LAFAYETTE HERE

Game With Easton Soccermen Scheduled for Football Practice Field

By WILLIAM B. PROTHERO '31
Another season without a defeat will be the objective of Captain Al Daykin and his Nittany booters when they meet Lafayette on the football practice field at 1 o'clock tomorrow afternoon in the opening match of their 1932 card.

Reports from Easton indicate that the Lion soccermen will have to take a vigorous offensive if they are to duplicate their victory of last year over the Leopards. In the 1931 match, played on October 31, after the Lions had defeated their first two opponents and tied a third, the Jeffrey-coached aggregation amassed four goals and held the Easton team scoreless.

Tully To Play Goal
Frank Tully will start as goalkeeper, with Dick Sigel and Hank Hartzler playing right and left fullbacks respectively. Captain Daykin will fill his old post at center. Both Bob Young, who played against Lafayette last year, and Bob Graham will probably have a try at right halfback, and Frank Evans, varsity letterman, will occupy left half.

Shorty Edwards, Eddie Knecht, and Chick Musser are the lettermen scheduled for offensive posts in tomorrow's game. Edwards will play outside right, Knecht probably center forward, and Musser inside left. Eddie Finzel will be awarded inside right and Herm Casterline outside left. Edwards, playing outside left, col-

Lion Cross Country Runners To Seek Permanent Possession of IC-4A Cup

When Lion harriers enter the IC-4A meet in New York November 14, they will be seeking their fifth championship, and permanent possession of the association cup, valued at \$1,000.

In 1926, Bill Cox, after entering the 1924 Olympics, captured first place in the run, as Nittany runners gained their first leg on the trophy. It was the same Bill Cox who came back in 1927 to lead the pack and the Penn State cross country team to its second victory.

1928 saw Cox capture third place in the annual race, and the Lion hill and dalers their third championship. But the next year a green Lion team failed in its quest of the fourth successive crown, bowing to Penn, and it remained for Detwiler, Meisinger, and Rekers to regain the diadem in one of the most brilliant races in the association's history.

With Penn and Cornell tied with three of the four points in last year's Lafayette match. Half a dozen other members of the squad who also were in action are looking forward to another encounter with the Leopard eleven.

"Nature in the Raw" is seldom MILD

OUTLAW OF THE JUNGLE

"Nature in the Raw"—as portrayed by the great animal painter, Paul Bransom... inspired by the leopard's fierce fighting power and relentless hunt for prey which makes him the terror of every beast of the African jungle.

—and raw tobaccos have no place in cigarettes

They are not present in Luckies... the mildest cigarette you ever smoked

WE buy the finest, the very finest tobaccos in all the world—but that does not explain why folks everywhere regard Lucky Strike as the mildest cigarette. The fact is, we never overlook the truth that "Nature in the Raw is Seldom Mild"—so

these fine tobaccos, after proper aging and mellowing, are then given the benefit of that Lucky Strike purifying process, described by the words—"It's toasted". That's why folks in every city, town and hamlet say that Luckies are such mild cigarettes.

"It's toasted"
That package of mild Luckies

"If a man write a better book, preach a better sermon, or make a better mousetrap than his neighbor, tho he build his house in the woods, the world will make a beaten path to his door."—RALPH WALDO EMERSON.
Does not this explain the world-wide acceptance and approval of Lucky Strike?
