

HARRIERS MEET ORANGE; YEARLING GRIDMEN FACE PITT

40 UNITS TO PLAY TOUCH FOOTBALL

Intramural Tourney Will Begin Monday Night on Beaver Practice Field

Forty groups have entered the intramural touch football tournament which will begin Monday, according to William H. Crown jr '34, manager. Pi Kappa Phi will meet Phi Epsilon Pi in the first game at 6:30 o'clock Monday night, while the Phi Kappa team will play Delta Theta Sigma immediately following the first contest at 7:45 o'clock. All games will be played on the football practice field.

Only two games will be scheduled for each night, each game being postponed to the following night in the event of inclement weather. Brackets for Tuesday's games call for contests between Associated Commons Club and Kappa Sigma at 6:30 o'clock, and between Tau Sigma Phi and Phi Delta Theta at 7:45 o'clock.

Changes Listed At a meeting of the group managers Wednesday night changes of existing rules were made by the touch football manager. Touching the ball carrier by two hands of an opposing player was the major change agreed upon by the group representatives.

Another change decided upon was the abolition of first downs. Each side is given six downs in which to advance the ball from any part of the field to a touchdown. Upon failure to make touchdown the ball goes to the opposing side, which has six downs to carry the ball toward the other goal.

Forward and lateral passes may be made only from back of the line of scrimmage, with no penalties for two or more incompletes passes.

16 Alumni Soccer Stars To Engage Lions Tomorrow

Slated to meet an aggregation boasting three captains, three all-American stars, and a noted European luminary, the Lion varsity soccer team will have to use their entire bag of tricks to take over the Alumni team in their annual contest on Beaver Field at 12:30 o'clock tomorrow.

With Coach Bill Jeffrey 'turning traitor' and playing center forward on the opposing side, the varsity booters' going will be doubly hard. The all-Americans on the alumni eleven include Sis Edgerton '29 at center halfback, Bill Lutz '29, two year all-American at outside right, and Dick Marshall '28, captain in his senior year.

FAVORED IN RACE AGAINST SYRACUSE

Cartmell Enters King, Napoleon, Grenninger, Harvey, Space, England, Van Cise

For six years Lion cross country runners have handed set-backs to Syracuse harriers, and after tomorrow's meet the Orange will probably need seven victories to square accounts.

Weakened by the loss of only one letter winner from last year's squad, Penn State runners will be favorites when they open up against the Syracuse team on New Beaver Field during the second quarter of the grid game tomorrow.

7 Lion Runners Entered In two years of varsity competition Captain Charlie King has led Bill Streeter, leader of the Hill school team this year, to the tape in two Lion-Orange contests, and will be out to repeat this year. Curt Grenninger, also serving his third year on the varsity, and George Harvey, Nittany freshman star last year will attempt to be among the first to finish between the halves of the football contest.

Kenny England, Bill Space, and Bill Van Cise, all veterans, and Johnny Napoleon, returning to the cross country squad for the first time since he was a member of the 1930 freshman team, conclude the list named by the Nittany mentor to start the five-mile jaunt. Other entrants named by the Syracuse coach, Tom Keane, include Russ Pelton, Bateman, Smith and Harrison.

Freshman Eleven To Open Season With Panther Cubs

By W. M. STEGMEIER '34

All eyes will focus anxiously on the freshman grid eleven when it opens its season against an overshadowing Pitt freshman team on New Beaver field at 10:30 o'clock tomorrow morning. After last year's 33-to-0 stampede, revenge would be particularly sweet!

As usual, Pitt will be plenty tough, but a complete comparison of team strengths at the present would be unfair. The Panther freshmen have four games tucked away under their belts, all of them wins, incidentally, while the Lion yearlings have not yet had a chance to show how much they can do.

Panther Line Heavier

Just how Coach Nels Walke's line will stand up against the far heavier Panther array will undoubtedly be one of the deciding factors of the game. Walke's string averages only 160 pounds, from ten to fifteen

pounds lighter than tomorrow's opponents. The Lions will do well to watch McClure, Pitt backfield man, who is expected to do a second "Rab" Currie act. Malarkey, a triple-threat back, and Randour, a fullback of the rugged, hardhitting type, are others who will probably give the Nittany freshmen a lot of trouble.

Walke Names Lineup

Walke will start Douglas and Murvine at ends, Sloane and Capulla at the tackle positions, and Cresswell and Latorre as guards. Kessler will receive the snapper-back assignment. Others who will probably see service on the line are Weber, a tackle, and McGregor.

In the backfield, Maurer has secured the quarterback berth with Dyson running a close second, while Andrews has been shifted from half to fullback. Knapp and Small will be seen at the halfback posts.

Something for pipe smokers to think about!

ABOUT 1864, farmers began to grow White Burley Tobacco. A few casks were taken to the St. Louis Fair in 1867 and sold for 58c a pound.

White Burley Tobacco is used to make Granger. It is the best pipe tobacco that grows.

You will notice the difference as soon as you light up your pipe of Granger. It burns slower, smokes cooler and never gums a pipe.
