SYRACUSE DOWNS LION GRIDDERS IN ALUMNI DAY TILT

Heavier Visiting Eleven Scores Twice During First Period For 12-to-6 Victory

END OF CONTEST STOPS NITTANY SCORING DRIVE

Blue and White Makes Second Half Determined March To 6-Inch Stripe

By GEORGE A. SCOTT '31 Coach Bob Higgins, Captain "Spike" Collins and the entire Nittany Lion football squad are for longer football games—at least one minute longer. Saturday the regulation sixty-minute game was just about one minute too short for their liking...

The Orange won the game, 12-to-6, but the glory goes to Captain "Spike" and his mates for their exhibition of fight and ability that missed by a hair of carrying them to victory.

Orange Scores Early It was the inability of the Nittany eleven to function properly in the first quarter that cost it the game. Both Orange touchdowns came in this period, along with seven first downs to none for the Lions...

The tide of battle shifted after that first quarter, and it shifted very much to the Lions' favor. Syracuse made seven first downs in the first period, and only seven more the remainder of the game...

The last quarter was one for those Alumni who talk of the "good old days" to carry back in their minds and replay for those back home.

Tommy Harper scampered twenty-three yards more on the next play, but was injured when he was brought down. Morrison took his place, and after a five-yard penalty, picked up eight yards to put the ball on the fourteen-yard mark.

Here the Lion attack faltered, and with Dick Fishel, Moran and Stark carrying the ball, Syracuse drove to within ten yards of a touchdown when "Doc" Conn stepped forward to recover Fishel's fumble.

The final thrill came late in the quarter. Taking the ball on their own thirty-five-yard line, the Lions, with Morrison, Boring, Conn and Slusser featuring the attack, marched down the field to the one-foot mark. Then came the final whistle, Syracuse players bounded toward their bench, the Nittany gridders walked disconsolately toward theirs, and the crowd of

HONORARY GROUP BEGINS MONTHLY FORUM SERIES

Dr. H. F. Alderfer Speaks At Meeting Of Pi Gamma Mu Fraternity

In the first of the open forum series conducted under the auspices of Pi Gamma Mu, national social science fraternity, Dr. Harold F. Alderfer, of the political science department, led a discussion yesterday on "Is There a Need for a Third Party?"

On November 14, Dr. Jacob Tanager, head of the political science department, will have charge of a discussion concerning "The Lytton Report on the Manchurian Situation," while on December 12, Dr. Julia M. Haber, of the zoology department, will be the principal speaker on the subject, "Effects of Recent Developments in the Biological Sciences."

The social science fraternity plans to continue its program in January with discussions of modern problems in the social sciences featuring a study of conditions in the Far East. The opening meeting will be led by Dr. Sherwood Eddy.

'Collegian' To Conduct Poll Of Presidential Candidates

Straw Vote Results Will Appear in November Eighth Issue--Ballot Distribution Arranged by Groups

In an attempt to determine student sentiment in the coming presidential election, the COLLEGIAN will conduct a political poll among the student body during the next two weeks. Results of the poll will be announced in the issue of the COLLEGIAN for Tuesday, November 2.

Students will be given an opportunity to cast their ballots for either the Republican, Democratic, Socialist, Communist, Socialist-Labor, Prohibition, Farmer-Labor, Liberty or Jobless party candidates for president in the poll.

Single Ballot Allowed Ballots carrying the names of the candidates of the first four parties and a blank space for the name of any other nominee are being prepared for distribution.

To insure an accurate vote, students will receive their ballots in fraternity and non-fraternity groups, and will be checked to insure casting of

only one ballot apiece. Women students will cast their votes at noon Thursday in McAllister Hall.

To Conduct Faculty Poll A separate poll of the College faculty will be conducted in conjunction with the student poll. Faculty members will receive their ballots early next week.

Similar polls are being held in the universities and colleges throughout the country. Students at Princeton, Carnegie Institute of Technology, Amherst, Wesleyan University, Williams College, and New York University are among those who will vote for their presidential favorites.

Hetzel Comments Grid Team in Visit To Dressing Room

Marking the first time that the president of the College has ever visited a Nittany Lion team in the dressing room following a contest, Dr. Ralph D. Hetzel paid his respects to the Nittany Lion football team in a short talk immediately after the game with Syracuse Saturday afternoon.

Characterizing their exhibition as "a fine piece of work," Dr. Hetzel complimented the gridmen on their fight and spirit during the game. The president was enthusiastic in his praise of the team.

The visit, an entirely unexpected one, considerably revived the spirits of the players, who were disconsolate over the defeat. Director of Athletics Hugo Bezdek also spoke briefly in praise of the team's efforts.

DECORATION PRIZE WON BY SIGMA NU

Alpha Sigma Phi, Phi Delta Theta Place Second, Third in I. F. Body Lawn Contest

Sigma Nu fraternity was awarded first place by a committee of three alumni judges in the lawn decoration contest sponsored by Interfraternity Council over Alumni Homecoming week-end.

Alpha Sigma Phi placed second in the contest and Phi Delta Theta third. Honorable mention was given to Beta Sigma Rho, Kappa Sigma, Alpha Chi Rho, Beta Theta Pi, and Phi Kappa Psi.

The winning decoration featured an autumn scene of colored leaves, corn stalks, pumpkins and lighted jack-o-lanterns. Awards were made on the basis of general attractiveness, originality of plan and execution and lighting effects.

The committee, composed of H. I. Smith '07, Donald M. Cresswell '18, and Burton E. Watkins '23 reported that vandals had destroyed decorations at two houses early Saturday morning, thus eliminating both houses from the competition. It was suggested by the committee that next year's contest include women's fraternities in order to stimulate additional interest.

'33 WOMEN WILL ENTERTAIN FRESHMAN CO-EDS AT PARTY

Garbed as their favorite movie actresses, the freshman women will be entertained by the seniors at the annual senior-freshman party to be held in the play room of Grange dormitory from 5:30 to 7 o'clock tomorrow night.

Mary B. Laramy '33, social chairman of the class, has appointed a committee headed by Helen K. Martin '33, who will be assisted by Marjorie G. Groat '33, Elsa I. Ottinger '33, and Helen A. Wood '33.

SEND-OFF SET FOR GRIDMEN THURSDAY

Hartman Arranges Varsity Hall Rally When Team Leaves At 9 O'clock

Penn State's football team will be accorded its first Varsity Hall send-off of the year at 9 o'clock Thursday night, prior to its departure for the Colgate game at Hamilton, N. Y. Saturday.

Present plans of Head Cheerleader Bill Hartman and his staff call for the introduction of Coach Bob Higgins and members of the team from the balcony of the Hall. One of the R. O. T. C. band units is scheduled to appear at the reception.

Hartman Lauds Spirit Lauding the spirit shown by the student body at similar rallies this season, Head Cheerleader Hartman requested the co-operation of all students in displaying support to the Lion eleven before its hard assignment with the Maroon team. Attendance of freshmen Thursday will again be compulsory, he declared.

Hartman expressed himself being particularly pleased with the overflow attendance at the Alumni rally in Schwab auditorium Friday night. He regards it as an indication of the renaissance of old-time Penn State spirit.

10 MEMBERS ELECTED TO CABINET OF P. S. C. A.

Robert M. Maxwell Announces New Representatives For Year

Ten additional members were elected to the 1932-33 Penn State Christian association cabinet at its meeting Wednesday, Robert M. Maxwell '33, president of the association, has announced.

Emanuel Frisch '33 and Oliver A. Porter '33 were the only new seniors elected, while Carson W. Culp '34, Edward R. Golob '34, William A. Parsons '34, Richard C. Smith '34, and Charles R. Tittle '34 are the new representatives of the junior class. Nathaniel C. Acton '33, Robert L. Grun '35, and Henry F. Nixon '35 were the only sophomore students selected.

Candidates for the association cabinet are called out early in the freshman year. The cabinet directs all association work and appoints committees to carry out its program.

LIBRARY FIRESIDE TALKS TO START NOVEMBER 2

Lewis Announces Literary Reading Session by Faculty Members

A series of fireside readings sponsored by the College library to begin Wednesday, November 2, and continue throughout the year until March 3 was announced yesterday by Willard P. Lewis, College librarian.

Open to all students, the readings will be given in the lower lounge of Old Main from 4:15 o'clock to 6 o'clock on each Wednesday of the week. Members of the College faculty will read and interpret notable literature of the various countries at the different sessions.

Prof. William S. Dye, head of the department of English literature, will open the series with dramatic readings. Other faculty members will give translations from Spanish, French, German, Italian and Russian literature as well as readings in American and English literature.

4 Co-ed Fraternity Heads Favor Panhellenic Changes

Annual election of the Panhellenic Council president instead of the present rotation of office is favored by four women's fraternity presidents, a survey conducted recently shows.

Marion P. Howell '33, president of Kappa Kappa Gamma, Elizabeth M. Kaib '33, Delta Gamma president, Isabel McFarland '33, president of Kappa Alpha Theta, and Mary M. Westrick '33, Theta Phi Alpha president, favor the election system, either by Panhellenic Council itself, or by the women's student body at large. They feel it is one way to strengthen the Panhellenic Council, making it a more active body among fraternity women.

"The main thing to be considered in choosing a president is her capability and the only way to get the best person in the presidential post is to elect her," said Mrs. Ernest B. Forbes, advisor to Panhellenic Council.

Helen A. Hoover '33, Chi Omega president, and Helen K. Martin '32, Phi Mu head, are in favor of continuing the rotation of office until each fraternity has had a president of the organization, after which they would install the election system. Change would occur in 1939, according to this plan.

Elsa I. Ottinger '33, president of Alpha Chi Omega, A. Elizabeth Preston '33, of Alpha Omicron Pi, and Charlotte L. Summers '33, of Gamma Phi Beta, think the present system is the only way to do away with the element of politics in Panhellenic offices. This system is the one means which is fair to all the fraternities, they contended.

ROBERT M. MAXWELL '33

1,000 RETURN FOR HOMECOMING DAY

650 of Graduates Register in Old Main--Last Year's Class Numerous

Over 1,000 alumni, in addition to a large number of other visitors, returned to Penn State for the thirteenth annual Alumni Homecoming last week-end, according to Edward K. Hishman, secretary of the Alumni association.

Of the 650 graduates who registered at the Alumni association desk the class of '32 contributed the greatest number, 97. The classes of '31, '30, and '29 followed in registration with 79, 66, 64 alumni, respectively.

Blanche P. Miller '25 was the single member of the oldest class represented. John F. Morris '28, John Price Jackson '29, John C. Moore '29, and Charles C. Hildebrand '29 were the only players of Penn State's first football team, that of 1887, to return for their forty-fifth reunion. H. Walton Mitchell was the only graduate from the Class of '90 who registered.

Moser Heads Pep Rally At the annual Cider Party in the Armory Saturday night there were about 1,000 alumni, faculty members, and seniors present. Music was furnished by the Varsity Ten orchestra. John A. Wood '32, president of Student Council, was in charge of entertainment for this affair.

The members of the 1887 football team addressed a record crowd of alumni and students at a pep rally for the Syracuse game in the Schwab auditorium Friday night. Walter C. Moser '33, president of the Athletic association, was in charge of the mass meeting.

Following is a list of the remaining classes and the number of alumni that registered: '92, 2; '93, 1; '95, 3; '97, 2; '98, 3; '99, 4; 1900, 2; '01, 1; '03, 7; '05, 6; '06, 6; '07, 5; '08, 11; '09, 8; '10, 5; '11, 9; '12, 10; '13, 6; '14, 9; '15, 6; '16, 13; '17, 8; '18, 14; '19, 13; '20, 17; '21, 14; '22, 26; '23, 22; '24, 21; '25, 24; '26, 26; '27, 35; '28, 44.

RITENOUR TALKS AT MEETING

Dr. Joseph P. Ritenour, College physician, addressed a meeting held in observance of State Health Day by the Centre County Medical association in the Bellefonte high school auditorium Wednesday night. He spoke on "Disease Prevention and Longevity."

STEWART, WOODRUFF SPEAK AT MEETING OF RADIO STAFF

Talks by Charles H. Stewart, vice president of the American Radio Relay league, and Dr. Eugene C. Woodruff, of the electrical engineering department, Atlantic division director of the league, featured the annual meeting of the staff of radio station WGVA, Wednesday night.

Dr. Woodruff told of his early experiences in radio at the beginning of the century when only Marconi and a few others were actively engaged in research work.

P. S. C. A. OPENS \$3,500 DRIVE FOR 1932-33 FINANCES

To Make Complete Canvass of All Students--Separate Faculty Campaign

CONTRIBUTIONS WILL AID ASSOCIATION'S PROGRAM

Speakers on Forum Discussion Include Sanger, Thomas, Blanshard, Chase

Opening the annual financial campaign of the Penn State Christian association, a "kick-off" dinner for solicitors and workers was held in Old Main last night. "We hope to reach our goal of \$3,500 by Friday night," Robert M. Maxwell, president of the association, said.

A complete canvass of all Penn State students and a separate faculty drive will be made. Those contributing three dollars or more will be issued membership cards which are honored in nearly all city Christian associations while those giving from one to three dollars will receive local membership cards.

SENIOR BALL SET AT FEBRUARY 10 ON CARD APPROVED BY BOARD

Dance Schedule Military Ball...December 9 Senior Ball...February 10 Sophomore Hop...March 3 Interfraternity Ball...March 31 Junior Prom...April 28

BOARD ENDORSES ATHLETIC POLICY

Wray '07 Elected Chairman at Meeting in Recreation Hall Saturday

Resolutions in favor of the present athletic policies of the College and for the continuance of the program followed during the last few years, were endorsed at a meeting of the Board of Athletic Control in Recreation Hall Saturday morning.

William Wray '07, of Pittsburgh, was elected chairman of the board for the coming year, while Dean Robert L. Sackett, of the School of Engineering, was named vice-president. Committees for carrying out the athletic program will be appointed by Wray at an early date.

Discuss Injuries Question Responsibility of the College in the matter of injuries by students in athletic competition was one of the questions discussed at the meeting. A committee was appointed to investigate the matter and determine the extent of responsibility by the College both in varsity and intramural athletics.

Plans for the intramural program for the coming year were considered. It was recommended to have the fraternities follow the policy begun last year in turning the dinner hour back to 6 o'clock, in order to allow the fraternity men more time for intramural participation.

Progress on the 4 o'clock classes question being considered by the School of Physical Education and Athletics, was reported by Director Hugo Bezdek. The Board also discussed possibilities for the 1933 and 1934 sports schedules.

DEBATING CANDIDATES TO MEET TOMORROW

Frizzell Named President of State Forensic School Association

A preliminary meeting of all candidates for the men's and women's debating teams will be held in Room 405 Old Main at 7 o'clock tomorrow night, Prof. John H. Frizzell, director of debating, has announced.

Delegates to a recent meeting of the association of debating colleges of Pennsylvania at Harrisburg unanimously approved for forensic use this year the question "Resolved, that all intergovernmental world war debts including reparations should be cancelled." Professor Frizzell was elected president of the association and chairman of the editorial board at this meeting.

Other questions approved by the delegates are "Resolved, that the state and federal governments of the United States should control electric light, heat, and power companies in the country," and "Resolved, that Japan should be restrained from pursuing her present policy in Manchuria."

ADMIRAL INVITES STUDENTS TO NAVY DAY INSPECTION

Penn State students have been invited to inspect a special program of activities at the Navy Yard in Philadelphia on Navy Day Thursday according to notice received at the President's office from Rear Admiral L. A. Boswick, commandant of the fourth naval district.

Navy Day also marks the date of birth of the late President Roosevelt, and is the anniversary of the first action taken by the Continental Congress to provide a naval force for the United States.

WALKER ATTENDS MEETING

Prof. Elton D. Walker, of the School of Engineering, left yesterday to attend the annual meeting of the American Public Health association in Washington, D. C.

No All-College Function Will Take Place In January

MARCH 3 SELECTED AS SOPHOMORE HOP DATE

Juniors To Hold Prom April 28 This Year--March 31 Named For I. F. Dance

With the Senior Ball date moved back to February 10, the calendar of all-College dances for the 1932-33 social season was approved by Student Board at a meeting yesterday afternoon.

Opening the dance season a month earlier than usual, Military Ball is scheduled for December 9. Formerly held in February, the function was changed to December by action of advanced R. O. T. C. officers last week.

Hop Retains Position In order not to interrupt the three-week period preceding examinations, no all-College dance is scheduled for January. Coming just two days after second semester registration, the Senior Ball date of February 10 will include as home athletic attractions a wrestling meet with the University of Michigan Friday and a boxing meet with the University of North Carolina Saturday.

Sophomore Hop retains its usual position on the first Friday in March, this year March 3. On Saturday the boxers will engage Army and the wrestlers will encounter Syracuse in the last home meets of the season for both teams.

Junior Prom Set April 28 Usually an April function, the annual Interfraternity Ball has been changed to March 31 this year. All arrangements for the dance are under the direction of Interfraternity Council.

Junior Prom, the season's final all-College social function, is scheduled for April 28. In previous years the Prom has been held in May, but the fact that Mothers' Day is the first week-end in May necessitated the change.

EDMONDS SPEAKS IN CHAPEL SUNDAY

Philadelphia Lawyer Sees Renewed Family Interest Resulting From Depression

Renewed interest in the family as an important factor in life was declared to be the greatest benefit of the present depression by Doctor Franklin S. Edmonds at chapel services in Schwab auditorium Sunday morning.

Dr. Edmonds, a lawyer in Philadelphia, explained that when men lost their jobs, they came back to the home for help, and that many young people who had left the family circle to go "on their own," had returned quickly when times became hard and jobs few. This return put a stop to the rapid disintegration of the home that was taking place during the pleasure seeking boom years before 1929, the chapel speaker added.

"Saint Paul's philosophy that one must learn to live happily both in times of abundance and times of abasement" was declared by the Philadelphian to be, "the necessary adaptation of people to really be happy even in times of depression. It was Saint Paul's realization that there was 'something bigger' than just seeking the mere incidentals of life that made him able to withstand the great hardships that faced him," he said.

Communistic tendencies in today's philosophies were denounced by the speaker as stifling initiative. He stated that in a few cases the system would be of benefit, but that in the majority of instances, the idea of a set job for life would make the laborer very dissatisfied, even though all his physical wants were taken care of through the plan.

HANNER TO DISCUSS RUSSIA

"Impressions of Russia" will be the topic on which Professor Franklin D. Banner, who is head of the department of journalism, will speak at the meeting of the American Association of University Professors at the University Club tomorrow night.
