PRICE FIVE CENTS

## I.F.C. Asks Restriction Of New Social Groups

### Will Present Petition To Stop Further Installation

### 6 O'CLOCK DINNER HOUR TRIAL FAVORED BY UNIT

### Ebenbach Presents Tentative Rushing Code Including Proposed Changes

A petition advocating the prevention of further installation of social groups at Penn State will be presented to the College administration by Interfraternity council as a result of a resolution passed at its meeting Wednesday night.

The council also went on record as favoring a trial of the 6 o'clock dinner hour in order to aid in the intramural sports program. Fraternities have agreed to institute the 6 o'clock hour immediately and to continue the arrangement until the end of the fall intramural program.

### Rushing Code Submitted

Climaxing the discussion over proposed changes in the rushing code for 1933, a tentative code was placed before the council by Harris Ebenbach '33, Interfraternity council rushing chairman, and was referred to the individual fraternities before a final vote is taken at the next meeting.

Changes suggested by the faculty committee on Freshman Week as to the opening date for rushing met with disfavor in the council, and the committee will be asked to schedule Freshman Week events as planned, with the added provision of longer luncheon periods for fraternity rushing and a change in the time of afternoon Freshman Week events from 1 o'clock until 2:30 o'clock. The council felt that the time available for rushing during Freshman Week was too valuable, both for the fraternity men as well as for freshmen, to be lost.

### Proposals Outlined

A week of regulated rushing, followed by a week of unrestricted rushing, is proposed in the new code. Free periods, during which any communication or association between fraternity men and rushes would be permitted, are provided between the hours of 8 o'clock and 11 o'clock every morning during the week of regulated rushing.

Fraternities desiring to enter the Interfraternity auction bridge tournament must register for the competition by Thursday night, it was announced by Ralph B. Yancey '33, tournament manager. A deposit of one dollar is required of each team.

Fraternities were requested to avoid scheduling dances on November 18 and December 9, dates of all-College dances, by Herbert E. Longenecker '33, president of the council.

## BRESSLER TO SPEAK HERE

Speaking on "Taking the Next Step," Dr. Raymond G. Bressler, president of the Rhode Island State College and former vice-dean of the School of Agriculture here, will give a lecture in Room 100 Horticulture building at 4:10 o'clock Thursday afternoon, November 17.

## BIG CELEBRATION ONCE SCHEDULED HERE PENNA. DAY

Pennsylvania Day, now known chiefly as the occasion of the annual fall houseparties, was once a celebration second only to Commencement in importance.

"Starting on Friday and ending Monday morning, State College was the mecca for thousands of visitors," says the 1921 *La Vie* in describing Pennsylvania Day then. "Early Saturday morning the customary review was held and the cadet regiment showed visitors just how Penn State was preparing for future wars."

Fraternity houseparties have not always occurred on Pennsylvania Day, however. An all-College Pennsylvania Day dance was held in the Armory annually during and before the war.

In 1913 and before, the exercises took the form of a Founders' Day observance, and the governor often was present to preside. In addition, a "County Fair," featuring wheels of fortune, chance boards, and other carnival effects, was held by the School of Agriculture for several years on Pennsylvania Day.

### Appears in Revue

M. DOROTHY JOHNSTON '33

## GROUPS TO OFFER PANICS OF 1932

### Thespians, Players, Glee Club Will Present Production Tomorrow Night

Houseparty guests will see College customs, institutions and traditions satirized by Thespians, Players and Glee men in their combined presentation of the "Panics of 1932" in Schwab auditorium at 7:15 o'clock tomorrow night.

With the action of the houseparty revue taking place at two familiar campus scenes, a fast-moving program featuring short dialogue, singing, and dancing skits, will be presented by the three groups. Light fun is made of certain campus activities and local as well as College institutions.

### Specialties Arranged

Specialty numbers include accordion selections by John Renaldo '36, dances by H. Grace Baer '34 and J. Ewing "Sook" Kennedy '26, songs by the variety quartet composed of Earl J. Brubaker '33, Robert G. Boyer '33, Richard C. Schlaack '33, and Curtis J. Patterson '34, with M. Dorothy Johnston '33 appearing in individual song skits.

Collaborating as directors of the production, Director Richard W. Grant and Prof. Hummel Fishburn, of the department of music, and Frank S. Nensbaum, of the department of English composition, will also take part in the show.

Incidental music for the revue will be furnished by the Thespian orchestra under the direction of Professor Fishburn.

## Sewanee Writer Predicts Close Contest Tomorrow

### Says Success of Lion Offense Against Strong Southern Line May Determine Winner

When the Sewanee Tigers arrive in State College to do battle with another member of the cat family, the Nittany Lions of Penn State, fur is certain to fly in numerous directions.

Although neither of the teams have enjoyed a highly successful season thus far, the tilt gives every indication of developing into a hard-fought and thrilling battle, if for no reason other than it is an inter-sectional contest between eastern and southern football.

I have been asked to hazard a prediction of some sort on this game, but it seems impossible as we here at Sewanee really know nothing about the strength of the Lions other than the fact that they have been defeated by several strong eastern teams. This is also true of Sewanee. The Tigers have lost to South Carolina, 7-to-3, after having led and outplayed the Gamecocks for 55 minutes. They have lost to Kentucky, 18-to-0; to Florida, 19-to-0; and to Louisiana State University last Saturday, 38-to-0. Our victories are over Southwestern and Murfreesboro Teachers College.

This will be the third invasion of the East by a Sewanee football team. In 1909 the Tigers journeyed to the fair of the Princeton Tiger and re-

## BURRY ANNOUNCES MILITARY BALL AS COLLEGE FUNCTION

### Group Plans To Hold Officers' Dance in Recreation Hall. On December 9

### WILL ESTABLISH FUND OF AFFAIR'S PROCEEDS

### McClain '33 Named by Student Colonel for Committee Vacancy Position

Military Ball on December 9 will definitely be an all-College dance, William C. Burry '33, student colonel, announced after a committee meeting Wednesday night.

The affair will be the first all-College function ever attempted before the Christmas holidays. To avoid congestion in the second semester social calendar, the dance committee decided to move up the annual affair which in previous years has been held in February.

### To Establish Fund

Contrary to a previous announcement, proceeds of the dance will not be turned over to the student loan fund this year. Because of a slight deficit incurred in conducting the ball last year, it has been decided to establish a permanent fund from possible profits this year.

As the Military Ball is the only all-College dance which is not backed financially by the interclass budget, the new fund was necessary to insure the permanency of the affair as a campus institution, Burry said. It is planned to hold the ball in Recreation hall.

### Named For Vacancy

Richard M. McClain '33 has been appointed to fill a vacancy on the dance committee. Detailed arrangements for the affair are being made by sub-committees appointed by Burry. William P. Nolan '33 will act as treasurer for the function.

Joel W. Salter '33 will arrange for the orchestra, and Omar K. Hill '33 and George H. Grabe '33 will take care of the decorations. Catering and checking will be under the direction of Shuman H. Moore '33 and Charles E. Phillips '33.

Along with Roy L. Sordon '33, Phillips will also have charge of advertising, tickets, and programs. Fraternity booths will be drawn under the supervision of McClain, Grabe, and Joseph H. Hartswick '34.

## JUNIORS ELECT CHRISTINE

Fae E. Christine was elected vice-president of the Junior women's class in an election held in McAllister Hall lobby last Wednesday. Miss Christine polled thirty-one votes to seven for Bernice H. Jarek and sixteen for Helen F. Tananis, to take the place of Marjorie M. Curtin who did not return to College this year.

## COMMITTEE APPOINTED BY PRESIDENT HETZEL

### Will Settle College's Responsibility In Case of Student Injuries

To determine the responsibility of the College in the case of student injuries in the classroom or on the athletic field, a committee of five members has been appointed by President Ralph D. Hetzel.

Raymond H. Smith, College controller, was named chairman of the committee. Director Hugo Bezdek, of the School of Physical Education, Dr. Joseph P. Ritenour, College physician, Dean Robert L. Sackett, of the School of Engineering, and Dean of Men Arthur B. Warnock are the other members of the group.

Previous to this time the College has had no definite policy concerning student injuries on the campus, preferring to deal with each individual case. The newly-appointed committee, however, will endeavor to establish a general policy for the College in such situations.

## 'Collegian' Poll For President Closes Today

### With more than two thousand votes cast by Wednesday night, the COLLEGIAN presidential poll will close at 5 o'clock today. Results of the poll will be announced in the Tuesday issue of the COLLEGIAN.

A poll of faculty members was begun yesterday and will be completed in time to include the returns in Tuesday's COLLEGIAN. Faculty members are requested to cooperate by returning ballots distributed to them through the campus mail to Student Union desk in Old Main.

Fifty-six of the fifty-eight fraternities had reported the results of their polls by Wednesday night while more than three hundred women students cast their ballots in McAllister hall Tuesday noon.

Voting in a poll at Student Union desk, non-fraternity men had cast 178 ballots in the voting on Tuesday and Wednesday. Members of this group who have not yet voted may do so at the Union desk before 5 o'clock today.

Carrying thirty-one of forty-seven colleges and universities in thirty-one states, President Hoover led Governor Roosevelt, 29,288 votes to 18,212, in a presidential poll conducted by the *Daily Princetonian*, Princeton University student newspaper. Norman Thomas, Socialist candidate, received 10,470 votes in the poll, and William Z. Foster, Communist, secured 715.

Roosevelt received a majority of the votes in eleven institutions while Thomas carried five, including New York University and Columbia University. Hoover led in the institutions in the East, middle West, and far West, and Roosevelt gained his strongest support in eleven southern colleges and universities.

Institutions giving the Republican candidate a majority included Yale, Harvard, Williams, Massachusetts Institute of Technology, Dartmouth, Princeton, Cornell, Syracuse, Carnegie Institute of Technology, Chicago, Northwestern, Wisconsin, and Ohio State University.

Roosevelt found his chief support at South Carolina University, Texas University, Tennessee, Arkansas, Florida College for Women, and Oklahoma.

## ALTOONA PASTOR TO TALK SUNDAY

### Dr. James E. Skillington Will Speak On "The Christian Objective" At Chapel Services

"The Christian Objective" will be the topic of Dr. James E. Skillington, district superintendent of the Methodist Episcopal Church of Altoona, who will address the chapel audience in Schwab auditorium at 11 o'clock Sunday morning.

Dr. Skillington, who is a graduate of Dickinson College, has also received a graduate degree from the Drew Theological Seminary. In 1920, after being graduated from the Seminary, he entered the ministry of the Methodist Episcopal Church.

The speaker is well known throughout western Pennsylvania, having held pastorates in Renova, Hazleton, Carlisle, and Altoona. In his present capacity, he supervises seventy parishes in and around Altoona.

Dr. Skillington is also connected with the alumni council of Dickinson College, the Children's Home society, and Dickinson Seminary at Williamsport.

## COMMITTEE APPOINTED BY PRESIDENT HETZEL

### Will Settle College's Responsibility In Case of Student Injuries

To determine the responsibility of the College in the case of student injuries in the classroom or on the athletic field, a committee of five members has been appointed by President Ralph D. Hetzel.

Raymond H. Smith, College controller, was named chairman of the committee. Director Hugo Bezdek, of the School of Physical Education, Dr. Joseph P. Ritenour, College physician, Dean Robert L. Sackett, of the School of Engineering, and Dean of Men Arthur B. Warnock are the other members of the group.

Previous to this time the College has had no definite policy concerning student injuries on the campus, preferring to deal with each individual case. The newly-appointed committee, however, will endeavor to establish a general policy for the College in such situations.

## LION GRID TEAM TO OPPOSE UNIVERSITY OF SOUTH HERE

### Lion Leader

CAPTAIN COLLINS

## 'WHO'S WHO' LISTS 32 FACULTY MEN

### 1932-'33 Edition Includes Added College Staff Members Among Biographies

Biographies of thirty-two Penn State faculty members appear in the 1932-'33 edition of *Who's Who in America*, marking an increase of five since the last edition.

New members listed include Dr. Alfred W. Gauger, director of mineral industries research, Dr. James E. Gillespie, of the history department, Willard P. Lewis, College librarian, Prof. Lewis F. Pilcher, acting head of the department of architecture, and Prof. Joseph B. Shaw, former head of the department of ceramics.

### President Hetzel Listed

President Ralph D. Hetzel and Dr. Carl E. Marquardt, College examiner, are honored along with Dean Will G. Chambers, of the School of Education, Dean Robert L. Sackett, of the School of Engineering, Dean Charles W. Stoddard, of the School of Liberal Arts, Dean Ralph L. Watts, of the School of Agriculture, and Dean Frank C. Whitmore, of the School of Chemistry and Physics.

The School of Agriculture leads with seven faculty members listed including Dean Watts, Dr. Stevenson W. Fletcher, Dr. Frank D. Kern, Dr. Ernest B. Forbes, Prof. Frank D. Gardner, Prof. R. Adams Dutcher, and Prof. Thomas I. Mairs. Dean Stod-

## Revamped Nittany Eleven Will Engage Sewanee For First Time in Pennsylvania Day Game on New Beaver Field

### Establishing football relations with a southern university for the first time since 1925, a revamped Nittany Lion eleven will meet the University of the South in the annual Pennsylvania Day attraction on New Beaver Field at 2 o'clock tomorrow afternoon.

Injuries, the bugaboo that Coach Bob Higgins has had to face all season, will prevent "Zev" Zawacki, regular center, and Harry Wantshouse, fullback, from seeing action, in addition to keeping Kane and Rosenberg, both left-termin, on the bench. Zawacki is suffering from a shoulder injury while Rosenberg re-injured the knee that kept him out of action earlier this season in Monday night's scrimmage. Kane and Wantshouse have not yet recovered from injuries received in the Harvard and Syracuse games.

## Colorful Sewanee University Called American Oxford

Anderson, who shared the center duties with Zawacki last year, will start at the snapper-back post tomorrow, and Captain "Spike" Collins will shift over to fullback in place of Wantshouse. "King" Cole, who has been on the crippled list for the past two weeks, may return to the starting lineup at left tackle, although Berry looms as a possibility for the assignment.

## Lions Meet Opponents Rich in Tradition, Background

Adoption of Oxford customs early in its history is cause for the University to be known as the "Oxford of America." Members of the Junior and senior classes, all graduate students, and every member of the faculty wear the Oxford cap and gown in all classes and in chapel, while the university administration is modeled directly from that of the English institution.

Claiming an enrollment of less than four hundred, Sewanee is situated high on the Cumberland plateau, halfway between Nashville and Chattanooga, Tenn. There are no business houses, paved streets, or concrete sidewalks on the ten-thousand acre campus, the natural beauty being preserved in flagstone and gravel walks and winding paths.

Sewanee was the first southern institution to invade the East for an inter-sectional football game, losing to Princeton back in 1909. Tomorrow

## LIONS HOLD LEAD IN PENNSYLVANIA DAY ENCOUNTERS

The odds favor the Lions tomorrow if past Pennsylvania Day scores are any indication. Penn State has won nine, tied two, and lost two of the last thirteen houseparty games.

However, no victories have been chalked up since 1928, the Lions losing to Colgate last year, playing a scoreless tie with Syracuse in 1920, and bowing to Bucknell in 1929. The 1928 contest with George Washington University ended 50-to-0 in favor of Penn State, while a 13-to-13 tie was played with New York University in 1927.

"Bucknell . . . succumbed to the agility of the fleet Johnny Roepke in the Pennsylvania Day battle of 1926, 9-to-0," says the *La Vie*. Michigan State, Carnegie Tech, and Georgia Tech fell before the Lion onslaught in the three previous years.

Carnegie Tech again took two setbacks in 1922 and 1921, the days of Joe Bedenk, Mike Palm, and Harry Wilson. In the 1920 game Charlie Way led the drive which defeated the University of Nebraska, 20-to-0, while Lehigh was subdued, 20-to-7, in the 1919 contest.
