

Today's Election Will Not Determine Economic Recovery, Hasek Declares

The election of either Hoover or Roosevelt will make little difference as far as the economic recovery of the country is concerned, according to Dr. Carl W. Hasek, head of the department of economics and sociology.

per cent of its capacity in the last few months," he said. "The textile industry is now operating at ninety-five per cent capacity, more than in the boom year of 1929. Stocks have risen one hundred per cent and bonds thirty per cent since last July."

Cutting for Owl Tilt Not Subject to Fine

Students absent from classes during the periods before and after the half-holiday for the Temple game Saturday will not be subject to a \$5 fine, according to College rulings.

'Rhapsody in Blue' Again Chosen as Musical Favorite

'Rhapsody in Blue' by George Gershwin is still the favorite musical composition of students enrolled in the music appreciation course, a survey conducted last week revealed.

Fifteen of the fifty students in the class chose Gershwin's song as their favorite, while 'The Rosary' by Ethelbert Nevin was second with ten votes. 'Rhapsody in Blue' was the choice of the largest number of the students in the class last spring.

Roschich's 'Trees' secured seven votes to come third in popularity, followed by Rachmaninoff's 'Prelude in C Sharp Minor' with six. Other favorites were 'Ah, Sweet Mystery of Life,' 'The Indian Love Call,' and 'Humoresque.'

Choices varied from wholly classical compositions to modern jazz selections. However, the most popular musical compositions were of the semi-classical type.

Walter Walus '33, varsity basketball player, selected as his favorite 'When the Shepherd Leads,' the Sheep Back Home' while Regis E. Smith '33, varsity baseball captain, prefers 'The Gypsy Love Song.'

SACKETT ADDRESSES GROUP

Discussing 'The Hoover Dam,' Dean Robert L. Sackett, of the School of Engineering, addressed the student branch of the American Society of Civil Engineers in Room 107, Main Engineering, Wednesday.

Tabulation by Schools in Presidential Poll

No raw tobaccos in Luckies—that's why they're so mild WE buy the finest, the very finest tobaccos in all the world—but that does not explain why folks everywhere regard Lucky Strike as the mildest cigarette. The fact is, we never overlook the truth that "Nature in the Raw is Seldom Mild"—so these fine tobaccos, after proper aging and mellowing, are then given the benefit of that Lucky Strike purifying process, described by the words—"It's toasted". That's why folks in every city, town and hamlet say that Luckies are such mild cigarettes. "It's toasted" That package of mild Luckies
