

FRESHMAN GRIDDEERS MEET KISKI; HARRIERS ENTER IC-4A RACE

Yearlings Will Play Final Home Contest Tomorrow

Walke Expects Close Competition from Opponents

By W. M. STEGMEIER '34

Figure it out for yourself! If Pitt's Panther cubs knocked off the Lion freshmen in their opening game of the season, 13-to-0, and then, a few weeks later, took Kiski over the hurdles, 12-to-0, who should take the honors on New Beaver field at 2 o'clock tomorrow afternoon when the Nittany yearlings meet the Saltsburg eleven?

But then maybe you don't believe in comparative scores. We don't either, but we are a bit optimistic about the chances for the little Lions in their last home game of the grid season. Whatever happens, it's bound to be a pretty game.

To Start Full Strength

Coach Nels Walke, anticipating a close struggle, will throw his full quota of strength into the face of the Kiskiminetas array at the opening kick-off. Fortunately, not a regular of last year's championship Saltsburg outfit will be available to annoy Walke's team tomorrow with a reminiscent grin of last year's 65-to-0 whitewash.

Campus Bulletin

Candidates for the freshman basketball team should report at Recreation hall with equipment at 6:30 o'clock Monday night. All those who expect to try out for the squad must obtain a health examination certificate from the Health Service, Old Main, before appearing on the practice floor.

The local post-office will close at 12:30 o'clock today in recognition of Armistice Day.

All students who expect to apply for entrance to a medical school by fall of 1933 should make application immediately to Prof. Oscar F. Smith, 112 Pond Laboratory, to take an aptitude test to be given by the Association of American Medical Colleges, on December 9.

All students interested in varsity and freshman rifle teams will report at the Armory at 7 o'clock Tuesday night.

DeMolays will meet at the Acacia house at 7:30 o'clock Monday night.

All candidates for fencing, includ-

T. B. U. TEAM WINS HILL, DALE RACE

Non-Fraternity Group With 39 Points Takes First Place For Second Year

T. B. U., or Tape Breakers Union, a non-fraternity group, for the second consecutive year won the intramural cross country tournament on the College golf course Tuesday afternoon.

Fifteen teams competed in the annual meet this fall with a total of fifty-two men, approximately one-half of the number entered last year. The T. B. U.'s with a total of 39 points defeated the Kappa Sigma group, second with 43 points. A well balanced team resulted in the non-fraternity men's victory Tuesday.

Dunaway Finishes First

Wayland Dunaway, Kappa Sigma, and captain of the varsity track team, crossed the finish line first. Book, Phi Delta Theta harrier, followed Dunaway to the tape to place second, while Hughes, of the Watts Hall aggregation, placed third.

Watts Hall scored 59 points to finish in third position, while Phi Delta Theta with 71 points and Chi Upsilon with 94 points placed fourth and fifth, respectively, to complete the scoring for the first five teams. The winning team will receive a silver loving cup, according to Wilson A. Anderson '34, intramural cross country manager.

FOR SALE—C-Melody Conn saxophone. Inquire at 301 S. Burrowes St. Phone 620-M. ltmphB

NOTICE—Go to Temple by bus. Round trip \$8.00. Leave Friday afternoon, return Sunday night. Phone J. Ray at 109. ltoompSHB

Bezdek Scores Advantage of Non-Fraternity I. M. Teams

Unfair advantage of non-fraternity groups in being able to select team members for intramural competition from unlimited numbers is detrimental to the system of intramural athletics and necessitates a change to some system for equalizing the potentialities of all groups, Director of Athletics Hugo Bezdek stated in an interview yesterday.

BEZDEK

"At present some groups are able to gather together all athletes of a sport who have not received letters in that sport and enter them as a team in an intramural tournament. Such a group is bound to excel the fraternity groups," Director Bezdek pointed out.

As a solution to the problem the athletics head suggested a plan whereby the non-fraternity body would be divided on a geographical basis into units of fifty or sixty men. A captain in charge of each group would list the men and by competition select the teams for the various sports.

"This plan was in effect in 1919, worked out well, and I can see no reason why it should not be successful at present," Director Bezdek declared. "In general it would be very beneficial to the non-fraternity section, since it would interest a greater number of students in intramurals by affording every student an opportunity to enter into group competition," he added.

R. Henderson Beatty '33, intramural sports head, endorsed the proposed system. "We have been attempting to limit the membership in each unit but great difficulty has been encountered in trying to equalize the advantage in the groups. Although the plan would break up some non-fraternity athletic combinations, in the long run it would be of the greatest advantage to the majority of the students," he said.

NITTANY RUNNERS TO SEEK TROPHY

(Continued from page one)

has also been selected by Coach Cartmell to enter the run. Space, captured fourteenth place in 1930, and thirty-second place last year. Clint Van Cise, forty-first place winner last year, Bill Rishel, Kenny England, and Wayland Dunaway will probably complete the list of Lion entrants.

Dunaway May Enter

Although Rishel has not competed in either of the dual meets this year, his practice times in the past week mark him as an almost sure entrant. Dunaway, crack half-miler and captain of the track team, led the pack in the intramural race Tuesday, and may enter his first cross country meet Monday.

Coach Nate Cartmell looks for most of the opposition this year to come from Manhattan College, undefeated, and winner in most meets by a large margin. New York University's strong team also will put up a hard fight, along with the Harvard runners.

"Nature in the Raw is seldom MILD"

THE BLACK PANTHER "Nature in the Raw"—as portrayed by the great animal painter, Paul Bransom... inspired by the natural ferocity of "Bagheera," the black panther in the famous "Jungle Book." "Nature in the Raw is Seldom Mild"—and raw tobaccos have no place in cigarettes.

No raw tobaccos in Luckies —that's why they're so mild

WE buy the finest, the very finest tobaccos in all the world—but that does not explain why folks everywhere regard Lucky Strike as the mildest cigarette. The fact is, we never overlook the truth that "Nature in the Raw is Seldom, Mild"—so these fine tobaccos, after proper aging and mellowing, are then given the benefit of that Lucky Strike purifying process, described by the words—"It's toasted". That's why folks in every city, town and hamlet say that Luckies are such mild cigarettes. "It's toasted" That package of mild Luckies
