First Semester Examination Schedule

Final examinations for the first semester will be held from Monday, January 30th, to Saturday, February 4th, inclusive. The designation SEE LIST indicates that the rooms for examinations will be announced or posted by the instructors or departments concerned.

Any student having two examinations scheduled at the same time or three examinations on the same day is required to report the fact in person at the office of the Registrar on the special form provided there. Seniors graduating at mid-year commencement who have examinations scheduled after Wednesday, February 1, should report that fact on the conflict form in order that they may be scheduled for an earlier regular conflict examination, if possible. To receive adjustments, such conflicts must be reported not later than 5 o'clock, Friday, January 20.

Notices of adjustment will be available to students at the office of the Registrar and mailed to the heads of departments on Monday, January 23. Appointment examinations should not be scheduled until after notices of adjustments are available. The dates of these examinations will be announced by the instructors concerned. Examinations will be of two hours' duration, beginning at 8, 10, 20, and 2 o'clock.
