## MITTANY MIT TEAM TO OPEN SCHEDULE AGAINST TARHEELS

Lion Boxers Will Engage North Carolina at 8:15 O'clock Tomorrow Night

SOUTHERN UNIVERSITY WINS 2 MEETS, TIES 2

Leo Houck Undecided in Lighter Entries—McAndrews Slated for 145

By CHARLES A. MYERS '31

Closing one of the longest pre-season practice periods on record, Nittany boxers will push the leather against eight tough University of North Carolina Tarheels in Recreation hall at 8:15 o'clock tomorrow night.

Contrary to general opinion, the opening meet on the Lion schedule will be no set-up. The Tarheels have already fought four meets, securing 6-to-2 triumphs over Virginia Military and Virginia Polytechnic Institutes, and 4-to-4 ties with North Carolina State College and the University of Virginia. Last year they dropped a 5-to-2 decision to the Nittany ringmen.

### Ralston May Fight

Coach Leo Houck is rather undecided as to how he will use in the lighter weights tomorrow night, Jim Ralston looks like the first in line for the 115-pound class, but Heras, Imchuck, Miller, and Cresswell have been pushing him hard. Cliff Glover, who was knocked out by Davey Steep last year and who has lost three of his four fights this season, will be the Tarheel entry.

Johnny Napoleon seems to have the edge over Mike Zelenock for the 125-pound round, and if he steps into the ring tomorrow night he will have a tough assignment in Captain Marty Levinson of the visitors, who has won all four of his fights this year—two by the knockout route. Levinson laid Bas Clare on the canvas last year when Napoleon was forced out of the lineup because of doctor's orders.

### Kessler To Box In 155

The Lion 155-pound entry, which will be either Paul Ferrero or "Red" Falasin, will meet the Tarheels' latest sensation in Norm Quarles, who last week defeated Bobby Goldstein, of Virginia, winner of the national collegiate lightweight crown here last April. Quarles was undefeated as a freshman, and has registered three straight knockouts this season.

Captain Johnny McAndrews, fighting in the welterweight class for the first time, should have no trouble in hammering out a decision or a knockout over either Raymer or Lumpkin of the Tarheels. "Mut" Kessler, Lion 155-pound sophomore, stands an even chance in the scrap with Lumpkin or McIntosh, both of whom have rather unimpressive records this year.

Tom Slusser will meet Giddens, a Tarheel who has won three and lost one fight this year in the 165-pound bout, while Frank Nebel faces an experienced 175-pounder in Brown, who defeated Slusser last year. In the heavyweight division, Dick Woolbert will meet Landis, a "killer" with three knockouts and a decision in his credit this year.

## WELLESLEY SUPERVISOR WILL GIVE TALK HERE

To Address Open Meeting in Home Economics Building Wednesday

Miss Florence Jackson, supervisor of vocational guidance at Wellesley College, will give an open lecture in the assembly room of the Home Economics building on "Modern Women in the Modern World," at 6:45 o'clock Wednesday night.

Group conferences conducted by Miss Jackson will be held Wednesday morning and afternoon in the second floor lounge of Old Main. The subjects for these conferences will be General Business, Work Depending on Psychology, Social Work, Journalism and Advertising, What to Do if I Don't Have a Job, to be considered especially from the viewpoint of those students who will graduate in June, Home Economics, and the Field of Science and Mathematics.

Individual conferences will be conducted by Miss Jackson on Thursday. Appointments for these may be made at the office of the Dean of Women. Thursday afternoon she will be entertained at a tea in the Grange parlor by the women students.

## Will Box Woolbert

## NATIONAL ABSORBS LOCAL FRATERNITY

Phi Kappa Psi Formally Accepts Members of Omega Epsilon At Pledging Ceremony

The Penn State chapter of Phi Kappa Psi pledged the active members of Omega Epsilon, local social fraternity, at ceremonies late last night as the first step in the absorption of the latter group.

The first case of an amalgamation between two groups located in State College, the merger is the result of negotiations made during the past month. With preliminary plans already completed, the formal announcement of the move is being made through notices to the fraternities today.

### Was Oldest Local

The national organization of Phi Kappa Psi was founded at Jefferson College, Pennsylvania, on February 19, 1852, and the second chapter was located the following year at the University of Virginia. At the present time there are fifty-two active chapters of the fraternity and the membership has reached approximately twenty-two thousand.

The Pennsylvania Lambda chapter of Phi Kappa Psi was installed here in 1912 when the local fraternity, Theta Psi, relinquished its identity to become a member of the national organization. The national fraternity was brought to State College largely through the efforts of Prof. John H. Frizzell, of the public speaking division, who was a member of the Amherst chapter of Phi Kappa Psi.

Omega Epsilon was founded as a local fraternity here in March, 1914. By its absorption into Phi Kappa Psi, the group relinquishes the distinction of being the oldest existing local fraternity at Penn State.

## REV. ILLINGWORTH TO SPEAK SUNDAY

Philipsburg Minister Will Address Chapel Services on Topic of 'Bartered Birthright'

"The Bartered Birthright" will be the topic of an address by Rev. Ralph W. Illingworth Jr., pastor of the First Presbyterian church of Philipsburg, at the chapel services in Schwab auditorium at 11 o'clock Sunday morning.

Following preparatory training at Franklin and Marshall Academy, the speaker attended Princeton University, where he was graduated in 1921. Three years of graduate theological work completed his scholastic training, and in 1924 he accepted a position in the ministry in central Ohio, where he served two years before coming to Philipsburg.

As a speaker at conferences of college groups, Rev. Illingworth is well known among students. This will be his first speech at Penn State, although every member of his immediate family has attended here.

Among the organizations of which Rev. Illingworth is a member is the Huntingdon Presbytery, of which he is chairman of the committee on Christian Education. This position has served to bring the Philipsburg pastor into contact with students in preparatory and theological schools as well as in colleges.

## CHAMPLIN ASSUMES DUTIES

Dr. Carol D. Champlin, of the School of Education, has assumed his duties here after having exchanged services for the past semester with Dr. J. J. Osuna '12 of the University of Puerto Rico, who will resume his former post.

## UNION TO SPONSOR FREE ALL-COLLEGE FUNCTION TONIGHT

Student Dance Will Follow Meet With Michigan Wrestlers In Recreation Hall

COMMITTEE STIPULATES A. A. CARD REQUIREMENT

Campus Owls Offer Services For Affair—Group Seeks 'Stag' Regulation

Continuing a policy established last year, Student Union will sponsor its second free all-College dance in Recreation hall tonight, immediately following the varsity wrestling meet with the University of Michigan.

Admission to the dance will be granted to all those who present Athletic association cards, according to Paul W. Filer '33, chairman of the committee in charge of the function. An accurate check will be made on all those attending, he said.

### Dance to End at 12

Music for the affair will be furnished by the Campus Owls orchestra, which has offered its services free of charge. Dancing will begin as soon as the wrestling meet is completed and will end at 12 o'clock.

In order to facilitate dancing, the committee has requested that "stags" refrain from forming lines in the middle of the floor as was the case at a similar dance held last semester. Walter C. Moser '33 and Eva M. Billefeldt '34 complete the committee.

### Bands Offer Services

Although no definite decision has been made, it is probable that the Union will sponsor a third dance later in the semester, according to Filer. Three dances were staged in 1931-32. In addition to the Campus Owls, three additional campus orchestras have offered their services free of charge for the dances. The Varsity Ten and the Blue and White bands furnished music for the first semester function, while Bill Bottorf's orchestra has also volunteered its services.

## DEBATE SCHEDULE DATES ANNOUNCED

Frizzell Lists Orators' Contests of Second Semester Period Against 15 Opponents

Fifteen debates are listed for the men's varsity debating team, according to the schedule of contests for the second semester announced by Prof. John H. Frizzell, head of the public speaking division of the department of English composition.

Dual meets with Washington and Jefferson College and Franklin and Marshall College and an eastern trip are included in the schedule. The annual eastern trip will be made during the Easter vacation in April and will include meets with Boston College, Brooklyn City College, Columbia University, and Upsala College.

The debaters will meet the St. Francis College orators in a return debate at Loreto next Wednesday night. On Friday night Juniata College will debate here, while the College representatives will meet Dickinson College at Carlisle on February 24.

Other meets at home will be held with Upsala College, Detroit City College, St. Joseph's College, and Boston College.

## COLLEGE SUPPLEMENTS PROGRAM FOR SUMMER

President Hetzel Announces Special Session Following Usual Period

Addition of a post-summer session of two weeks duration to supplement the regular summer sessions now being offered by the College was announced by President Ralph D. Hetzel Monday. The post-summer session will be held from August 14 to August 25, and was added to the present curriculum chiefly for the benefit of French students.

With the addition of the post-summer session, the College will be engaged in formal education 46 weeks out of the year. The regular winter semesters consist of 36 weeks, while the combined summer sessions extend for ten weeks.

## To Speak Tomorrow

## THOMAS TO TALK HERE TOMORROW

Radio Speaker, News Reporter Will Present Lecture in Schwab Auditorium

Lowell Thomas, internationally known radio speaker and news reporter, will tell "Strange Tales from Foreign Lands" in an illustrated talk in Schwab auditorium at 7 o'clock tomorrow night.

The lecture, which is being sponsored by the Penn State Christian association, will include some of his adventures during the World War, and tales of his travels to some of the little known countries of Asia and Africa. Colored slides will be an added feature of the talk.

### Tickets Available Today

Tickets for the lecture may be secured today and tomorrow at the Christian association in Old Main, and at the box office in the Auditorium tomorrow night. Arrangements have been made with Athletic association officials so that the time of the boxing meet with North Carolina will not conflict with the time scheduled for the talk.

No definite arrangements have been made for any other meetings with Mr. Thomas during his stay here, as he expects to arrive only a few hours before the lecture and to leave for Boston, Mass., tomorrow night. Mr. Thomas does not give a radio talk on Saturday nights.

During his colorful career, Lowell Thomas has made over four thousand platform appearances in every large English-speaking city in the world. He also accompanied the Prince of Wales on his trip through India, headed a special mission to prepare a historical record of the World War, and acted as historian of the United States army airplane flight around the world. The speaker has written more than fourteen books.

## NOVELTY PLANNED FOR SENIOR BALL

Will Replace Usual Promenade as Special Feature of Annual Dance Next Week

Plans for Senior Ball next Friday include a feature that will replace the promenade of former years, according to John H. Good '33, dance chairman. The new feature will be announced on the night of the dance, Good stated.

Drawing for fraternity booths will be held at the Student Union desk in Old Main Tuesday night. Five dollars will be the charge for the booths while three dollars and a half will be charged for catering service. Two non-fraternity booths will be placed at the dance, according to the committee chairman.

Emerson Gill and his orchestra, coming direct from Cleveland, will play for the function. The Cleveland orchestra features the singing of "Pinkey" Hunter and Marion Mann, marking the first time that a woman entertainer has appeared here with an orchestra at an all-College function. The Gill orchestra, formed on the Ohio State campus six years ago, was one of the first orchestras in the country to broadcast by remote control. Since then the band has broadcast from more than fifty stations, and has been featured on both of the large networks.

ADVERTISING GROUP TO MEET  
"Problems of Operating an Advertising Agency," will be the topic of an address by W. J. Miller, director of a Williamsport advertising agency, before the Advertising club Wednesday night.

## NEW SCHOLARSHIP AWARD PASSED BY COLLEGE SENATE

Group Proposes Establishment of 10 Evan Pugh Prizes For Upperclassmen

REWARD WILL INCLUDE HONOR SOCIETY MEDALS

Scholars' Names To Appear on Commencement Program, In Annual Catalog

In order to honor outstanding scholarship among upperclassmen, the College Senate last week approved a recommendation of the Committee on Academic Standards to establish Evan Pugh Scholarships to be awarded to ten students. The Board of Trustees must approve the proposal before final acceptance by the College.

As passed by the Senate, the Evan Pugh Scholarships will carry no monetary value and will not be awarded to anyone who has received another fellowship, scholarship, or John W. White Medal, in the junior and senior years. It is the purpose of the Committee on Academic Standards to have the new honor equal to other honors bestowed by the College.

### Requirements Listed

Exclusive of students receiving other honors, the first five students in the junior and senior classes will receive the Evan Pugh Scholarships providing they have spent the previous five semesters in residence at the College. If more than one student has the same average for fifth place, the committee will extend the number of awards, although no more than seven awards may be granted in each class.

The proposal for the awarding of honors for high scholarship to upperclassmen who do not receive scholarships or fellowships was originated by the Honor Society Council, which planned to award medals to seniors instead of to freshmen and sophomores as in past years. Seniors and juniors receiving the Evan Pugh Scholarships will also be awarded honor medals under the new arrangement.

### Honor Former President

"The scholarship was established to honor Evan Pugh, former president of the College, because of his zealous efforts to secure and hold the Land-Grant Endowment, to develop scholarship and to point the way toward advanced work in the science and arts," of the Academic Standards committee stated. Students designated as Evan Pugh Scholars will be notified by President Ralph D. Hetzel, while their names will appear on the commencement program and in the annual catalog of the College.

Dr. Pugh was president of the College from 1859 to 1864, after spending six years in the University of France and the University of Germany, and in investigations at Rothamsted Experiment station near London.

## FRIZZELL NAMES DATE OF SPEAKING CONTEST

College Forensic Council Sponsor \$75 In Prizes for Annual Meet

The annual sophomore extemporaneous speaking contest will be held in Schwab auditorium Saturday night, April 8, Prof. John H. Frizzell, head of the division of public speaking in the department of English composition, has announced.

Two awards are offered to the winners of the contest. The College will award fifty dollars in gold, while the Forensic council offers twenty-five dollars in gold.

Preliminary try-outs will be conducted during the early part of that week. Other conditions under which the contest will be held will be announced later, Professor Frizzell declared.

## PATROL MAY GET POWER OF ARREST

House Considers Bill To Place Full State Authority With Campus Patrolmen

Campus patrolmen here will have full power to make arrests and investigate immediate proceedings for offenses against the laws of the State on College property if a bill now being offered in the present session of the Legislature is passed by the House.

The bill, which was presented by Senator Harry B. Scott of this county, is now being held for further study by the House Judiciary General committee. It was passed by the Senate last month and then sent to the House for concurrence. In the lower branch of the Assembly, opposition to the bill developed on the second reading and it was assigned to the judiciary group.

Under the proposed measure, the College patrolmen would have the power to exercise their power on highways leading to the College grounds while regulating and controlling vehicle traffic, in addition to the use of similar powers on College grounds. The Board of Trustees would have the right to appoint paid and unpaid officers who would take the customary oath required by the Constitution.

Assailing the bill, Judge M. A. Musmanno declared Monday that the measure would be a setback to the cause of free-thinking and free speech at the College and that it would serve merely as a wedge to bring back the old private industrial police system in Pennsylvania.

Adrian O. Morse, executive secretary to the President, said Wednesday that neither of these objections had been considered by the College before the bill was presented to the Assembly. In explaining the original motive of the bill, Mr. Morse said that the patrolmen needed enough power to begin immediate proceedings against offenders.

## HIGH SCHOOL REPORTERS TO ENTER COMPETITION

Journalism Fraternity, Publishers of State Sponsor Contest

Junior and senior members of high school publications within the State who contribute to their local newspapers will be eligible for the third annual High School Reporters Contest sponsored by Sigma Delta Chi, national professional journalism fraternity, in cooperation with the Pennsylvania Newspaper Publishers association.

Announcements of the contest, which will open February 15 and end April 15, will be sent out this week. Fifty dollars in prizes will be distributed among the winning contestants. The work submitted will be judged on the points of news evaluation, clarity and simplicity, news leads, how well the story is covered, and the importance of the news.

Judges in the contest will be Robert C. Cameron, managing editor of the Wellsboro Gazette, Floyd Chalfant, editor of the Waynesboro Record-Herald, Dean Hoffman, editor of the Harrisburg Patriot and Evening News, John E. Person, editor of the Williamsport Sun Gazette, and C. E. Morrison, editor of the Philadelphia Ledger.

## THEATRE TO SHOW FOREIGN PICTURES

Will Give Series of 6 Non-American Dramatic Productions for College Students

Continuing a policy of making the best non-American dramatic film efforts available to the students of Penn State, a series of at least six foreign motion pictures will be presented beginning next Tuesday.

"Michael and Mary," an English production of A. A. Milne's story, will be presented on Tuesday and Wednesday, with Herbert Marshall and Edna Best, both of whom are also appearing in American productions. "Kameradschaft," a German offering that has been widely acclaimed by critics, will be shown on February 21 and 22.

## NEW STENOGRAPHY, TYPING COURSE GIVEN BY COLLEGE

As an initial step toward the development of a secretarial course here, classes in stenography and in typing will be offered this semester for the first time, according to Miss Julia G. Brill, occupational adviser to girls in the School of Liberal Arts.

These classes, for which college credit will not be given, will be in charge of Miss Gwen Michael, graduate scholar in economics. Early next week a notice of a meeting for arrangements will appear on the Liberal Arts bulletin board.
